

Congress has reacted strongly to the proposed regulation with 65 Senators and 263 House Members publicly criticizing the rule. Ultimately, Congress temporarily prevented CMS from implementing the regulation. A 1-year moratorium of the rule was adopted in the recent supplemental appropriations bill, P.L. 110-28, Section 7002. This moratorium blocks CMS from implementing the Medicaid regulation before May 25, 2008.

In spite of clear Congressional disapproval, CMS published a final rule in the Federal Register the very day the President signed the 1-year moratorium provision into law. The final regulation retains the most damaging components of the proposed regulation, including limiting Medicaid payments to safety-net hospitals. In addition, we have been contacted by State Medicaid agencies that have been asked to certify in State Plan Amendments being considered this year that they will be in compliance with rule as soon as the moratorium is lifted in 2008.

Major Medicaid reforms require a Congressional role; by rushing to publish a final regulation, CMS has disregarded Congressional opposition and attempted to usurp our role. CMS's action requires States to prepare for implementation of the regulation and expend administrative resources to do so, all of this before Congress has the opportunity to address the key policy issues contained in the regulation.

This Resolution of Disapproval will permanently halt the damaging CMS regulation. At this time, it is the appropriate response given CMS's issuance of the final Medicaid rule and its devastating effect on State Medicaid programs, safety-net providers, and, ultimately, the ability of low-income Americans to receive the life-saving medical care to which they are entitled under Federal law.

Therefore, I rise today to offer joint resolution with my colleagues and urge others to join in cosponsoring this important resolution. Together we can work to ensure its passage before the devastating Medicaid rule takes effect and jeopardizes our States' Medicaid programs.

I ask unanimous consent that the text of joint resolution be printed in the RECORD.

There being no objection, the text of the joint resolution was ordered to be printed in the RECORD, as follows:

S.J. RES. 18

*Resolved by the Senate and House of Representatives of the United States of America in Congress assembled,* That Congress disapproves the rule submitted by the Centers for Medicare & Medicaid Services within the Department of Health and Human Services relating to a cost limit for providers operated by units of government and other provisions under the Medicaid program (published at 72 Fed. Reg. 29748 (May 29, 2007)), and such rule shall have no force or effect.
