

behind the successful formation of the Alaska Fishing Industry Relief Mission. This nonprofit corporation moved important equipment all the way from Alaska to Louisiana and Mississippi—including both a 60-ton capacity boat lift and a 30-ton per day ice making machine, both were critically needed to get the gulf coast fishing industry back in play. The formation of the caucus and mission are a lasting testament to Bill's good judgment, hard work, and dedication to intelligently build this Nation's ports and harbors infrastructure and to care for those who depend on them.

I also want to mention that Bill started his career as a broadcaster, general manager, news director, correspondent and producer for radio and television stations in Alaska, Washington, and Oregon. He also served a stint as a Senate press secretary and communications' director for the chairman of the Intelligence Committee during the first Persian Gulf war. He understands how important it is for Congress to communicate its policies to the citizens of America and fully explain why we take the actions that we do.

While I am sorry to lose one of my staff leaders, I am happy that he will be able to more fully enjoy some of his other interests: woodworking, motorcycling, fishing, hunting, his collection of Alaskan and Asian art, and his beloved German shepherd dogs.

I will miss Bill's hard work, vast knowledge, good humor, and sound judgment. It has been a pleasure to have him on my staff. I wish him and his wife Karen the very best and know that Alaskans will benefit for decades to come from his efforts to protect and enhance this Nation's natural and biological resources and the environment.

#### ADDITIONAL STATEMENTS

##### ACCOMPLISHMENTS OF TADD FUJIKAWA

• Mr. AKAKA. Mr. President, I wish to give praise and congratulations to Tadd Fujikawa, a 16-year-old sophomore from Moanalua High School, who on Friday, January 12, made golf history for the State of Hawaii. By shooting a 4-under-par 66 during the second round of the Sony Open at the Waialae Country Club, Tadd became the youngest player in 50 years to make the cut at a PGA tour event.

Tadd demonstrated amazing skill and focus on the course. Despite standing just five feet, one inch tall, his 285-yard drives and accurate iron play propelled him up the tournament leaderboard. In the end, he tied for 20th place, besting some of the world's premier golfers.

Tadd's drive and competitive spirit may be a result of his early struggles as a premature baby. At birth, Tadd weighed less than two pounds and was given a 50 percent chance of survival. He didn't just survive, he flourished.

Last year, at age 15, he became one of the youngest players ever to compete in golf's national championship, the U.S. Open. Also impressive are Tadd's exploits in the sport of judo, where he has won four junior national titles.

I offer my most sincere congratulations, to Tadd Fujikawa, for his exceptional performance in the Sony Open. May he take away from this experience the confidence to do great things, as he has already shown the potential to achieve them. I wish Tadd the best in all that he chooses to undertake in the future.●
