COMMANDER LEDA MEI LI CHONG

• Mr. INOUE. Mr. President, I am pleased to congratulate Commander Leda Mei Li Chong upon the completion of her career of service in the U.S. Navy. Throughout her 20-year military career, Commander Chong served with distinction and dedication.

As the first member in her family to serve in the military, Commander Chong received her commission from the United States Navy in 1987. She went on to teach math, chemistry, materials, and radiological controls at the Naval Nuclear Power School in Orlando, FL. From there, Commander Chong served in various technical positions always providing vital operational and training support to the naval fleet. Highlights include having been the Department of Defense military satellite communications liaison to the U.S. Coast Guard where she provided expert technical and policy guidance on ultra high frequency satellite capabilities. She was also deputy J6 to the commander, Iceland Defense Force where she provided critical command, control, and communications in support of NATO defense. Commander Chong volunteered as a White House social aide where she provided support to the President of the United States during important State events. Her most recent assignments were as a Navy congressional liaison to the Senate and House Armed Services Committees as well as to the Senate and House Defense Appropriations subcommittees. As a congressional liaison, her straightforward approach and complete grasp of all facets concerning C4ISR, information technology, and space programs have been of great benefit to my staff, the U.S. Congress and our national security. Commander Chong ensured that the U.S. congress had the information necessary to determine how to best equip, maintain and support the U.S. Navy.

Her family and her fellow shipmates can be proud of her distinguished service. Her parents Paul and Su and her husband Kevin have given her strong support during her naval career. As she departs the Pentagon to start her second career, I call upon my colleagues to wish Commander Chong and her family every success, and the traditional Navy "fair winds and following seas."●
