

hired as a staff investigator for what was then the Senate Permanent Subcommittee on Investigations. Following the completion of his graduate education in public administration at Princeton, Rick returned to the House of Representatives as staff director for a number of subcommittees. His work in the Congress and as a management consultant in the private sector helped Rick develop a sense of the importance of effective management to the oversight responsibilities of Congress.

During his work at the CMF, Rick has helped the organization mature from a small and little known non-profit into an established and highly used resource for congressional offices. Over the past 18 years, the CMF has doubled the size of its staff and quadrupled the size of its budget. More importantly, under Rick's leadership, the CMF has greatly increased the variety of services it offers to Member offices and committees. The CMF has prepared books specifically tailored to address management issues faced by congressional staff members; it provides confidential consulting services to offices struggling with problems of organization, operations, and performance. Lastly, the CMF has also increased the variety of training programs it offers to senior congressional staff members on topics as varied as strategic planning and interoffice communications.

I thank Rick for all his years of service to Congress. During his career, he dedicated himself to improving the efficiency and productivity of Congress. Rick's commitment to supporting this legislative body is unmatched and I know that Members of Congress and their staff will suffer a great loss when he retires. Rick, you have accomplished a lot during your time with us, and we are forever appreciative. Again, thank you for all of your hard work.●

CELEBRATING ALEXANDER MCGREGOR DAO DOANE'S 1ST BIRTHDAY

• Mr. INOUYE. Mr. President, it is my great privilege to pay tribute to Alexander McGregor Dao Doane as he celebrates his first birthday on February 17, 2007, with his parents, W. Allen and Christina Doane. This is the couple's first child, born at 11:44 a.m. at the Queen's Medical Center in Honolulu. At birth, Alexander was 7 pounds 9½ ounces and 20 inches long.

In addition to being happy and fulfilled parents, the Doanes are pillars in Hawaii's corporate leadership circle. Allen is chairman of the board and chief executive officer of Alexander and Baldwin. Founded in 1870, it is one of the oldest and most prestigious companies operating in Hawaii, with its primary focus in real estate development, ocean cargo carriage and sugar production. Christina was born in Saigon, Vietnam, and immigrated to Hawaii as a child where she would earn her bachelor's degree from the University of Hawaii, a master's in business adminis-

tration from Hawaii Pacific University, and enter the field of corporate marketing. She is presently enjoying the full-time joys of motherhood.

To give you some sense of the depth of the Doanes' commitment to our community, 8 days after Alex's birth, on February 25, 2006, as the event co-chairs, Allen and Christina, hosted the American Heart Association's Heart Ball. With more than 1,200 guests in attendance, \$792,000 was raised for this worthy charity. They never skipped a beat. I am very proud to call Allen and Christina, and now Alex, my constituents from the great State of Hawaii.

Alexander is named for one of the founders of Alexander and Baldwin, Samuel Thomas Alexander. He was described as "outgoing and adventurous, the idea man." Who knows what the future will hold for Alexander McGregor Dao Doane. It is no happenstance that Alexander and Baldwin's common stock is traded on the NASDAQ Stock Market under the symbol ALEX. Happy Birthday.●
