STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS—THURSDAY, FEBRUARY 15, 2007

By Mr. KENNEDY (for himself, Mr. BOND, Mr. AKAKA, Mr. LEAHY, Mr. MENENDEZ, Mr. CRAIG, and Mr. SHELBY):

S. 626. A bill to amend the Public Health Service Act to provide for arthritis research and public health, and for other purposes; to the Committee on Health, Education, Labor, and Pensions.

Mr. BOND. Mr. President, with more than 100 different forms, arthritis is one of the most widespread and devastating health conditions in the United States. Nearly 46 million, or one in every five, American adults suffer from arthritis or chronic joint

symptoms, and 300,000 children live with the pain, disability and emotional trauma caused by juvenile arthritis.

As the leading cause of disability in the United States, arthritis is a painful and debilitating chronic disease affecting men, women and children alike. This is why the Federal Government must make a stronger investment in research, treatment and prevention of arthritis.

We know that early diagnosis, treatment, and appropriate management of arthritis can control symptoms and improve quality of life. The Arthritis Prevention, Control and Cure Act will expand the Federal Government's efforts to find new ways to prevent, treat, and care for patients with arthritis and related rheumatic diseases by: (1) improving coordination among Federal agencies and the public with regard to the Federal investment in arthritis research and public health activities through a National Arthritis and Rheumatic Diseases Summit; (2) accelerating research that will lead to improved treatments and a cure for juvenile arthritis; (3) investing in a nationwide public health initiative designed to reduce the pain and disability of arthritis through early diagnosis and effective treatment of the disease; and (4) ensuring kids with arthritis have access to specialty care by addressing the nationwide shortage of pediatric rheumatologists.

We have a responsibility to look for solutions to this issue in a comprehensive manner. I look forward to working with Senator KENNEDY on this important legislation which will make a real difference in the lives of the millions of Americans, both young and old, who suffer from this debilitating disease.

STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Mr. GRASSLEY (for himself, Mr. KENNEDY, Mr. ENZI, Mr. MARTINEZ, Mr. AKAKA, Mrs. DOLE, Mr. BROWN, Mr. LIEBERMAN, Mr. ISAKSON, Mr. NELSON of Florida, and Ms. LANDRIEU):

S. 655. A bill to amend the Congressional Charter of The American National Red Cross to modernize its governance structure, to enhance the ability of the board of governors of The American National Red Cross to support the critical mission of The American Red Cross in the 21st century, and for other purposes; to the Committee on the Judiciary.

Mr. GRASSLEY. Mr. President, I ask unanimous consent that the text of The American National Red Cross Governance Modernization Act of 2007 be printed in the RECORD.

There being no objection, the text of the bill was ordered to be printed in the RECORD, as follows:

S. 655

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the "The American National Red Cross Governance Modernization Act of 2007".

SEC. 2. FINDINGS; SENSE OF CONGRESS.

(a) FINDINGS.—Congress makes the following findings:

(1) Substantive changes to the Congressional Charter of The American National Red Cross have not been made since 1947.

(2) In February 2006, the board of governors of The American National Red Cross (the "Board of Governors") commissioned an independent review and analysis of the Board of Governors' role, composition, size, relationship with management, governance relationship with chartered units of The American National Red Cross, and whistleblower and audit functions.

(3) In an October 2006 report of the Board of Governors, entitled "American Red Cross Governance for the 21st Century" (the "Governance Report"), the Board of Governors recommended changes to the Congressional Charter, bylaws, and other governing documents of The American National Red Cross to modernize and enhance the effectiveness of the Board of Governors and governance structure of The American National Red Cross.

(4) It is in the national interest to create a more efficient governance structure of The American National Red Cross and to enhance the Board of Governors' ability to support the critical mission of The American National Red Cross in the 21st century.

(5) It is in the national interest to clarify the role of the Board of Governors as a governance and strategic oversight board and for The American National Red Cross to amend its bylaws, consistent with the recommendations described in the Governance Report, to clarify the role of the Board of Governors and to outline the areas of its responsibility, including—

(A) reviewing and approving the mission statement for The American National Red Cross;

(B) approving and overseeing the corporation's strategic plan and maintaining strategic oversight of operational matters;

(C) selecting, evaluating, and determining the level of compensation of the corporation's chief executive officer;

(D) evaluating the performance and establishing the compensation of the senior leadership team and providing for management succession;

(E) overseeing the financial reporting and audit process, internal controls, and legal compliance;

(F) holding management accountable for performance;

(G) providing oversight of the financial stability of the corporation;

(H) ensuring the inclusiveness and diversity of the corporation;

(I) providing oversight of the protection of the brand of the corporation; and

(J) assisting with fundraising on behalf of the corporation.

(6)(A) The selection of members of the Board of Governors is a critical component of effective governance for The American National Red Cross, and, as such, it is in the national interest that The American National Red Cross amend its bylaws to provide a method of selection consistent with that described in the Governance Report.

(B) The new method of selection should replace the current process by which—

(i) 30 chartered unit-elected members of the Board of Governors are selected by a non-Board committee which includes 2 members of the Board of Governors and other individuals elected by the chartered units themselves;
