STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Mr. ALLARD:

S. 699. A bill to prevent the fraudulent use of social security account numbers by allowing the sharing of social security data among agencies of the United States for identity theft prevention and immigration enforcement purposes, and for other purposes; to the Committee on the Judiciary.

Mr. ALLARD. Mr. President, I will be introducing a piece of legislation today which is a bill to cut at the heart of a rampant problem in this country; that is, identity theft.

Last month, a bipartisan group of Senators and I met with Secretary Chertoff on this very issue. Secretary Chertoff explained that under current law, Government agencies are prevented from sharing information with one another that, if shared, could expose cases of identity theft. My bill tears down the wall that prevents the sharing of existing information among Government agencies. It permits the Commissioner of Social Security to secure information with the Secretary of Homeland Security where such information is likely to assist in discovering identity theft, Social Security number misuse, or violations of immigration law.

Specifically, it requires the Commissioner to inform the Secretary of Homeland Security upon discovery of a Social Security account number being used with multiple names or where an individual has more than one person reporting earnings for him or her during a single tax year. It seems logical that we would already be doing this, but we are not. In the meantime, identity theft is plaguing innocent victims all across the country. We were reminded of the pervasiveness of this

problem by the recent ICE raids of six Swift and Company meat-packing plants across the country last December. In total, agents apprehended 1,282 illegal alien workers on administrative immigration violations. Of these, 65 have also been charged with criminal violations related to identity theft or other violations.

Unfortunately, for the victims of identity theft, by the time the identity theft is discovered, the damage has already been done. Ranked fifth in the Nation for identity theft, citizens of Colorado are no strangers to identity theft. For instance, an 84-year-old Grand Junction woman was deemed ineligible for Federal housing assistance because her Social Security number was being used at a variety of jobs in Denver, making her income too high to qualify. A 10-year-old child in Douglas County had his identity stolen, and his Social Security number was being used at 17 different jobs. Others get stuck with big tax bills for wages they never earned.

Clearly, identity theft is an issue that affects people of all ages and walks of life. Yet when the Social Security Administration has reason to believe that a Social Security number is being used fraudulently, they are prevented from sharing it with the Department of Homeland Security. Withholding this information effectively enables thieves to continue to perpetrate the crime of identity theft against innocent victims. By simply sharing this information, cases of identity theft could be discovered much sooner. Victims of identity theft deserve to have this existing information acted on, and my bill allows for this to happen. I urge colleagues to support this commonsense legislation.

Later on, when we are on S. 4, called Improving America's Security Act, which deals with implementation of more of the 9/11 Commission recommendations, I plan on offering an amendment that has similar language to this bill. This is an issue which is extremely important to victims. It is something we should address. I will give the Senate plenty of opportunity to deal with this issue.

By Mr. CRAPO (for himself, Mrs. LINCOLN, Mr. BAUCUS, Mr. GRASSLEY, Mr. ALLARD, Mr. SALAZAR, Mr. SMITH, Mr. REID, Mr. LIEBERMAN, Mr. BENNETT, Mr. ENZI, Mr. PRYOR, Mr. CRAIG, Mr. NELSON of Nebraska, Ms. COLLINS, Mr. COCHRAN, and Mr. BROWNBACK):

S. 700. A bill to amend the Internal Revenue Code to provide a tax credit to individuals who enter into agreements to protect the habitats of endangered and threatened species, and for other purposes; to the Committee on Finance.

Mr. CRAPO. Mr. President, I rise today with my colleagues, 16 bipartisan
