STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Mrs. FEINSTEIN (for herself, Ms. COLLINS, Mr. LAUTENBERG, and Ms. SNOWE):

S. 206. A bill to amend title II of the Social Security Act to repeal the Government pension offset and windfall elimination provisions; to the Committee on Finance.

Mrs. FEINSTEIN. Mr. President, I rise today with my colleague, Senator COLLINS, to introduce legislation that protects the retirement benefits earned by public employees and eliminates barriers which discourage many Americans from pursuing careers in public service. This bill will repeal two provisions of the Social Security Act—the Government Pension Offset and Windfall Elimination Provision—which unfairly reduce the retirement benefits earned by public employees such as teachers, police officers, and firefighters.

The Government Pension Offset reduces a public employee's Social Security spousal or survivor benefits by an amount equal to two-thirds of his or her public pension.

Take the case of a widowed, retired police officer who receives a public pension of \$600 per month. His job in the local police department was not covered by Social Security, yet his wife's private-sector employment was. An amount equal to two-thirds of his public pension, or \$400 each month, would be cut from his Social Security survivor benefits. If this individual is eligible for \$500 in survivor benefits, the Government Pension Offset provision would reduce his monthly benefits to \$100.

In most cases, the Government Pension Offset eliminates the spousal benefit for which an individual qualifies. In fact, 9 out of 10 public employees affected by the Government Pension Offset lose their entire spousal benefit, even though their spouse paid Social Security taxes for many years.

The Windfall Elimination Provision reduces Social Security benefits by up to 50 percent for retirees who have paid into Social Security and also receive a public pension, such as from a teacher retirement fund.

While the reforms that led to the creation of the Government Pension Offset and Windfall Elimination Provision were meant to prevent public employees from being unduly enriched, the
