SEC. 5. SENSE OF THE SENATE.

(a) FINDINGS.—The Senate finds that—

(1) the national debt of the United States of America now exceeds \$8,500,000,000,000;

(2) each United States citizen's share of this debt is approximately \$29,183;

(3) every cent that the United States Government borrows and adds to this debt is money stolen from future generations of Americans and from important programs, including Social Security and Medicare on which our senior citizens depend for their retirement security;

(4) the power of the purse belongs to Congress;

(5) Congress authorizes and appropriates all Federal discretionary spending;

(6) for too long, Congress has simply borrowed more and more money to pay for new spending, while Americans want Congress to live within its means, using the same set of common sense rules and restraints Americans face everyday; because in the real world, families cannot follow Congress's example and must make difficult decisions and set priorities on how to spend their limited financial resources; and

(7) it is irresponsible for Congress to authorize new spending for programs that will result in borrowing from Social Security, Medicare, foreign nations, or future generations of Americans.

(b) SENSE OF THE SENATE.—It is the sense of the Senate that Congress has a moral obligation to offset the cost of new government programs, initiatives, and authorizations.

SA 892. Mr. COBURN submitted an amendment intended to be proposed by him to the bill S. 378, to amend title 18, United States Code, to protect judges, prosecutors, witnesses, victims, and their family members, and for other purposes; which was ordered to lie on the table; as follows:

(a) DEFINITION.—In this section, the term "conference" means a meeting that—

(1) is held for consultation, education, or discussion;

(2) includes participants who are not all employees of the same agency;

(3) is not held entirely at an agency facility;

(4) involves costs associated with travel and lodging for some participants; and

(5) is sponsored by 1 or more agencies, 1 or more organizations that are not agencies, or a combination of such agencies or organizations.

(b) LIMITATION.—Notwithstanding any other provision of law, the Department of Justice may not expend more than \$35,000,000 for conferences in any fiscal year.

SA 893. Mr. COBURN submitted an amendment intended to be proposed by him to the bill S. 378, to amend title 18, United States Code, to protect judges, prosecutors, witnesses, victims, and their family members, and for other purposes; which was ordered to lie on the table; as follows:

At the appropriate place, insert the following:

SEC. 507. COMPETITIVE BIDDING FOR COPS.

(a) GRANT COMPETITIVENESS.—Each grant made under part Q of title I of the Omnibus Crime Control and Safe Streets Act of 1968 (COPS program) shall be—
