STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS—APRIL 25, 2007

By Mr. ROCKEFELLER (for himself, Ms. SNOWE, and Mr. KENNEDY):

S. 1224. A bill to amend title XXI of the Social Security Act to reauthorize the State Children's Health Insurance Program, and for other purposes; to the Committee on Finance.

Mr. KENNEDY. Mr. President, when we enacted the Children's Health Insurance Program a decade ago, we made a promise to low-income working fami-

lies to assist them in obtaining health insurance coverage for their children, and we must continue to keep that promise. Today, with Senators ROCKEFELLER and SNOWE, I am pleased to introduce The Children's Health Insurance Program Reauthorization Act of 2007.

CHIP has been a significant success, and has made a real difference in many children's lives. Over the past decade, the percentage of uninsured children has dropped dramatically, even though more and more of their parents have been losing coverage because employers decide to reduce it or drop it entirely.

In its first year, the program enrolled nearly a million children, and enrollment has grown ever since. Average monthly enrollment is now 4 million, and over 6 million have been enrolled for at least part of the year.

We know CHIP has made a difference in the lives of millions of children, but we also know that this is no time to rest on past success. We can and must do more to enroll the 6 million uninsured children who are eligible but not enrolled for CHIP and Medicaid, and to expand coverage so that all children can obtain the health care they need.

The bill we are introducing today reauthorizes the program and it will make sure that states have enough funds to provide health care to all children who need this assistance. No parents should be faced with the impossible decision of whether they can afford to take their sick child to the doctor.

The bill establishes a strong, reliable financing structure for CHIP. It more than doubles the Federal resources currently available over the next 5 years for covering children through CHIP. It ensures that all states will have the Federal matching funds needed both to sustain their existing programs and to move forward to cover the millions of children who are eligible for CHIP and Medicaid but remain unenrolled.

Millions of uninsured children in America isn't just wrong. It's unacceptable. We need to act now in getting to guarantee them the health coverage they need.

This bill adopts a variety of approaches to help states increase their enrollment. It strengthens CHIP by expanding the current program, improving its outreach, and making sure that all children have access to dental care and mental health services, so that good health care can be a reality for every child in America.

Quality health care for children isn't just a good option or a nice idea. It's not merely something we wish we could do. It's something we have to do. It's an obligation. We started earlier this year by pledging what is needed in the budget, but we also need a CHIP reauthorization that gives children the coverage we've promised them for the healthy future they deserve. The bill we're introducing today does that.

There's a reason the CHIP program has always enjoyed bipartisan support.
