

6. That the United States Congress support and advance tribal government and ownership of spectrum above tribal lands and communities by granting, rather than auctioning, partitioned spectrum licenses to tribal entities.

7. That the United States Congress encourage and support tribal government and community efforts to establish and operate telephone companies and other telecommunication businesses, such as internet service providers, especially in unserved and underserved areas.

8. That the United States Congress support and advance the efforts of tribal governments and American Indian communities to bridge their respective digital divides through the provision of grants, loans and contracts, tax incentives and infrastructure build-out services.

9. That the United States Congress use its powers as delegated by the Indian Commerce Clause to acknowledge, and protect the public interest of Indian country from competing public interests and regulatory jurisdictions and perform the following:

(a) Amend section 214(e) of the Telecommunications Act to include the following definition of unserved areas:

An unserved area is defined as service penetration 15% below the nationwide penetration rate for any communications service; or 5% below national rural penetration rate for any communications service, whichever rate is higher.

(b) Amend section 214(e) 6 of the Telecommunications Act to include tribes and acknowledge tribal regulatory authority.

(c) Provide mechanisms, with enforcement powers, for ensuring equitable, affordable and sustainable access to communications services, including broadband, broadcast and emerging technologies, in Indian country.

(d) Support tribal access and options for ownership and management of spectrum on tribal lands for both wireless and broadcast applications.

(e) Provide mechanisms to promote cooperation among tribes, state public utility commissions and the federal communications commission and remedies for resolving unforeseen conflicts.

(f) Provide public financing to tribal communities that fall under the definition of an unserved area to close any service gap.

(g) Permit the bureau of Indian affairs to allow for telecommunication entities to collocate on existing linear rights of way, such as power and water routes, so that rapid expansion of telecom services, including categorical exclusion of clearance requirements, can proceed.

10. That the Secretary of State of the State of Arizona transmit copies of this Memorial to the President of the United States Senate, the Speaker of the United States House of Representatives and each Member of Congress from the State of Arizona.

POM-110. A resolution adopted by the California State Lands Commission expressing its support for H.R. 1187; to the Committee on Energy and Natural Resources.
