

democratic legacies. The project sponsors believe that the country's best museum designers will work with historians to turn the story of Woodrow Wilson into an unforgettable experience that is fun, educational, and permanently memorable.

In order to increase the awareness and understanding of the life, principles and accomplishments of the 28th President of the U.S., I urge my colleagues to support this legislation to ensure that Wilson's legacy is more accessible and available for a wider audience for years to come. I am hopeful that the Committee on Homeland Security and Governmental Affairs will consider this legislation favorably and that we can enact it during the remainder of this Congressional session. With the 100th anniversary of his election just 5 years away, this is the time for Congress to accept its responsibility to help preserve President Woodrow Wilson's legacy and to improve its accessibility for generations.

I ask unanimous consent that the text of the bill be printed in the RECORD.

There being no objection, the text of the bill was ordered to be printed in the RECORD, as follows:

S. 1878

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. GRANTS FOR ESTABLISHMENT OF THE WOODROW WILSON PRESIDENTIAL LIBRARY.

(a) GRANTS AUTHORIZED.—Subject to subsections (b), (c), and (d), the Archivist of the National Archives and Records Administration may make grants to contribute funds for the establishment in Staunton, Virginia, of a library to preserve and make available materials related to the life of President Woodrow Wilson and to provide interpretive and educational services that communicate the meaning of the life of Woodrow Wilson.

(b) LIMITATION.—A grant may be made under subsection (a) only from funds appropriated to the Archivist specifically for that purpose.

(c) CONDITIONS ON GRANTS.—

(1) MATCHING REQUIREMENT.—A grant under subsection (a) may not be made until such time as the entity selected to receive the grant certifies to the Archivist that funds have been raised from non-Federal sources for use to establish the library in an amount equal to at least double the amount of the grant.

(2) RELATION TO OTHER WOODROW WILSON SITES AND MUSEUMS.—The Archivist shall further condition a grant under subsection (a) on the agreement of the grant recipient to operate the resulting library in cooperation with other Federal and non-Federal historic sites, parks, and museums that represent significant locations or events in the life of Woodrow Wilson. Cooperative efforts to promote and interpret the life of Woodrow Wilson may include the use of cooperative agreements, cross references, cross promotion, and shared exhibits.

(d) PROHIBITION OF CONTRIBUTION OF OPERATING FUNDS.—Grant amounts may not be used for the maintenance or operation of the library.

(e) NON-FEDERAL OPERATION.—The Archivist shall have no involvement in the actual operation of the library, except at the request of the non-Federal entity responsible for the operation of the library.

(f) AUTHORITY THROUGH FISCAL YEAR 2011.—The Archivist may not use the authority provided under subsection (a) after September 30, 2011.

Mr. WARNER. Mr. President, I rise today, along with Senator JIM WEBB, to introduce legislation that seeks to establish the Woodrow Wilson Presidential Library.

President Woodrow Wilson was born in Staunton, VA, in 1856. He was first elected to the Presidency in 1912 and was reelected in 1916. Throughout his lifetime, Wilson advocated engagement with other nations in the search for peace, expansion of economic opportunities to more Americans, commitment to democratic principles at home and abroad, and protection of the Nation's people and institutions. He created the Federal Reserve and was President when women were finally granted the right to vote. President Wilson's legacy and historical significance are forever linked with his profound efforts in World War I and its aftermath, particularly with his attempts to broker a lasting peace in a fractured Europe. He was a man of ideals, always maintaining a "simple faith in the freedom of democracy." It is the utter strength of his faith in democracy that continues to inspire our Nation today.

During my time in the Senate, I have witnessed the growth and development of the Woodrow Wilson Presidential Library and have seen firsthand the benefits it has provided for its community, the Commonwealth, and the country. The library has done remarkable work in preserving and protecting historical documents related to Woodrow Wilson's life. Equally remarkable has been its ability to share his life with communities around the world.

As you know, Virginia is often referred to as the "Birthplace of Presidents," as it has produced more Presidents than any other State in the Union, eight in total. I want to respectfully acknowledge our most recent President from the Commonwealth of Virginia through the recognition of this Presidential library. I can think of no better place to preserve his life's work than where his life began.

I thank you for the opportunity to speak on behalf of this important legislation. I urge my colleagues to honor President Wilson's legacy by joining me in support of this bill.
