

STATEMENT BY DR. NGAI XUAN NGUYEN, VICE CHAIRMAN, DEMOCRATIC PARTY OF VIETNAM—SUBMITTED TO SECRETARY DAVID KRAMER, ASSISTANT SECRETARY FOR DEMOCRACY, HUMAN RIGHTS AND LABOR—MAY 16, 2008

On May 29, 2008, you will lead a U.S. delegation to Hanoi to participate in a dialogue on U.S.-Vietnam Human Rights.

As Vice Chairman of the Democratic Party of Vietnam, our Mission is to bring improved democracy, human rights and religious freedom to the people of Vietnam.

Even though Vietnam's economy has undergone dramatic growth in recent years, Hanoi continues its oppression of human rights and religious freedom, just as it has been doing for decades. An ongoing U.S.-Vietnam dialogue can expand understanding between our two countries and peoples while consolidating human rights gains that have been won. However, actions speak louder than words.

Therefore, we respectfully request that you discuss the following major issues with the Vietnamese government during your meetings in Hanoi, May 29:

1. All political and religious prisoners who are still being jailed in Vietnam must be set free, unconditionally. Congressman Dana Rohrabacher placed this list of 85 people in the Congressional Record in 2007, and a copy is available. Ten new activists, list attached, have been recently retained and should be added to this list, including Bui Thanh, a lawyer who has recently been sent to a mental institution. All 95 prisoners should be released, immediately.

2. Condemn the Vietnamese government for arresting and interrogating for more than six hours, Dr. Nguyen Thi An Nhan, and then deporting her on February 15, 2008. Dr. Nhan is a graduate of Harvard University Medical School and is currently a heart surgeon specialist at Stanford University. Her only "crime" was that she is a member of the Democratic Party of Vietnam and was in Hanoi to attend the funeral of Professor Hoang Minh Chinh on February 16, the Founder and Secretary General of the Democratic Party of Vietnam.

3. Unless major changes and improvements are made immediately, the U.S. State Department will recommend that Vietnam be redesignated a "country of particular concern" for its lack of democracy, human rights and religious freedom. Once Vietnam was removed from the CPC list and accepted into the World Trade Organization, human rights and religious freedom in Vietnam significantly deteriorated, as reported by Human Rights Watch on May 8, 2008. Several leaders of the UBCV (Unified Buddhist Church of Vietnam) have been harassed and their pagodas destroyed in Lam Dong, Hue and Quant Tri in 2008. Many Christian leaders have been imprisoned and a major Montagnard Christian demonstration led by Reverend Nguyen Cong Chinh in April 2008 in Gia Lai and Daklak was oppressed by the Vietnam government with dozens of protestors beaten and arrested. Reverend Le Ngoc Thuong, from New Orleans, was arrested and deported to the U.S. while visiting Vietnam in April 2008. Major conflicts between the Vietnam government and Roman Catholic churches have erupted after the Vietnam government stole their land. These are just a few of the recent actions in the last several months.

4. If there is not an improvement in human rights, the U.S. Department of State will recommend that H.R. 3096, The Vietnam Human Rights Act of 2007, be passed in the United States Senate. H.R. 3096, which passed the House on September 18, 2007, condemns the ongoing human rights abuses in

Vietnam, and prohibits increased U.S. non-humanitarian assistance to the Government of Vietnam unless there is verifiable evidence that the Vietnamese government has made substantial progress towards the release of its political and religious prisoners. In addition, this legislation requires that the Vietnam government respect the rights to freedom of religion, freedom of press and returns all confiscated properties.

Again, we in the Democratic Party of Vietnam thank you for your continued efforts to bring about real change in Vietnam. However, talk is cheap, and it is time to see significant actions and results from the government of Vietnam.

HONORING CONSTANCE RAU

HON. DALE E. KILDEE

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 22, 2008

Mr. KILDEE. Madam Speaker, I stand today to pay tribute to Constance Rau as she retires from the Flint Community Schools. A celebration is planned for May 22 to recognize her work and contributions to Flint area youth.

Connie Rau's work with the community began long before Flint Community Schools employed her. From 1975 to 1985 she was a senior therapist with the substance abuse program at Flint Osteopathic Hospital. She became a program manager at Insight Outpatient Chemical Dependency Clinic and then became the director of Children and Adolescent Services with the Genesee County Commission on Substance Abuse Services. It was during this time that Connie also started to write a column in the Flint Journal entitled "Considering Kids" and she was an instructor at Mott Community College. She also was an intern field supervisor for several area universities.

As a member of the Flint Community Schools Youth Projects staff, Connie has had tremendous impact on the children of Flint. She was instrumental in organizing several programs that directly benefited the most vulnerable children in the Flint school system. She coordinates two intervention programs for the Genesee County Family Court, the Youth Projects Diversion and the Youth Projects Diversion—Attendance Court. She established the "Roast and Toast" fundraiser for student activities. She established the "Shoes that Fit" Flint Chapter, the Language Exchange program, and the Teen Female Expo. Working with Quota International of Flint, Connie launched the Cops and Kids program.

Recognized by the Woodrow Stanley Foundation for her work with children, Connie is a co-founder of the Mayor's Committee for National Youth Service Day recognizing the thousands of Community service hours the youth of Flint have contributed to improving the quality of life in their hometown.

In addition to her work with children, Connie is active in Peace Lutheran Church, at various times she has held the positions of Director of Education, Director of Finance, and currently is Director of Stewardship. She is on the Board of Directors for the Intake, Assessment and Referral Center and she is a mentor in the Big Brother, Big Sisters Lunch Buddies program.

Madam Speaker, I ask the House of Representatives to rise with me and applaud the

work of Constance Rau as she retires from the Flint Community Schools. She has spent her life devoted to children and has enriched their lives through her work. All will miss her insight, innovative spirit and enthusiasm for her work and community. However, we know that she will always be meaningfully involved.

TAIWAN'S PROPOSED MEMBERSHIP IN THE WORLD HEALTH ORGANIZATION

HON. DENNIS MOORE

OF KANSAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 22, 2008

Mr. MOORE of Kansas. Madam Speaker, I rise today in support of Taiwan's proposed membership in the World Health Organization, WHO.

In today's global community, health is a shared responsibility, as the whole world is vulnerable to transnational diseases. Given the tremendous volume of international travel and global trade, the transmission of communicable diseases between borders has been heightened. This reality necessitates both global collaboration and a global response to prevent and control the spread of these diseases.

The World Health Organization is the organization tasked with this duty. It is responsible for providing leadership on global health matters, shaping the health research agenda, setting norms and standards, articulating evidence-based policy options, providing technical support to countries and monitoring and assessing health trends.

Currently, there are over 190 participants in the WHO. Taiwan is not one of them, however, which means that the 23 million citizens of Taiwan do not have access to the critical health service and information the WHO provides.

As a strong democracy and one of the world's most robust economies, Taiwan should be allowed to benefit from the health services and medical protections offered by the WHO, including direct and immediate access to up-to-date disease information. Taiwan's exclusion from the WHO also prevents the country from taking part in the WHO mechanism for the allocation of vaccines and other disease control supplies. Taiwan's inability to make use of these allocation mechanisms during international outbreaks hampers its disease control efforts and has a strong negative impact on the health of the people in Taiwan.

Taiwan's membership in the WHO is not only in the interest of the people of Taiwan, it is in the interest of the international community and the WHO itself: as the WHO stands to benefit significantly from the financial and

technological contributions that Taiwan has to offer.

Madam Speaker, I urge my colleagues to join me in support of Taiwan's inclusion in the World Health Organization.

EARMARK DECLARATION

HON. CANDICE S. MILLER

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 22, 2008

Mrs. MILLER of Michigan. Madam Speaker, consistent with House Republican Earmark Standards, I am submitting the following earmark disclosure and certification information for two individual project authorization requests that I made and which were included within the text of H.R. 5658, the "Duncan Hunter Defense Authorization Act for Fiscal Year 2009."

Bill Number: H.R. 5658—"The Duncan Hunter Defense Authorization Act for Fiscal Year 2009."

1. Requesting Member: Congresswoman CANDICE MILLER.

Bill Number: H.R. 5658.

Project Amount: \$2.5 Million.

Account: Operations and Maintenance, Army PE# 423012.

Receiving Entity: Army Manufacturing Technical Assistance Production Program (MTAPP).

Address: U.S. Army TACOM, Industrial Base Office, AMSTA-LC-110 6501 E. Eleven Mile Rd., Warren, MI 48397.

Description of Request: MTAPP focuses on solving supply chain problems that impact the Army and Department of Defense. MTAPP solves the above-mentioned problems using small manufacturing businesses. The problems that are solved by MTAPP lead to improvement in mission capability and availability rates of Army/DoD combat and tactical vehicles. In addition, the small manufacturing busi-

nesses provide a sustainable industrial base of suppliers to support the maintenance of weapons platforms. The small businesses also provide the Defense commercial sector with a viable pool of small businesses to meet the Federal Government mandated socio-economic goals.

Matching Funds: Not applicable (Federal entity).

2. Requesting Member: Congresswoman CANDICE MILLER.

Bill Number: H.R. 5658.

Project Amount: \$2 Million.

Account: Research, Development, Test & Evaluation, Navy, PE # 0602123N.

Receiving Entity: Autonomous Superconducting Fault Current Limiting Systems.

Address: Office of Naval Research One Liberty Center 875 North Randolph Street, Suite 1425 Arlington, VA 22203-1995.

Description of Request: Modern shipboard power systems are susceptible to catastrophic high current surges (i.e. fault currents) that may result in permanent equipment damage and total power system shutdown. Efficient, reliable, and reconfigurable shipboard power systems are critical to the operation of present and future naval surface combatants, such as the DDG-1000 next-generation destroyer. High power Fault Current Limiters (FCLs) enable the integration of shipboard propulsion and distribution power systems, thus allowing propulsion power to be used for other loads under the most adverse conditions of warfare. High Temperature Superconductor-Superconductor/Metal Matrix Composite Fault Current Limiter can effectively meet the needs of the DDG-1000 and enable the integration of the shipboard propulsion/distribution power system.

Matching Funds: Not applicable.

HONORING THE LIMA COMPANY

HON. BETTY SUTTON

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 22, 2008

Ms. SUTTON. Madam Speaker, I rise today with Memorial Day upon us to honor and remember the 22 Marines and Navy Corpsman from the Lima Company who lost their lives while serving in Iraq in 2005.

The Lima Company is a Marine reserve unit based in Columbus, Ohio, whose members span 7 states. The Company is part of the 3rd Battalion, 25th Marine Regiment, 4th Marine Division, that was first activated on May 1, 1943.

The Battalion fought in several battles in World War II, including the Battle of Iwo Jima, where the unit helped capture a key airfield.

Throughout its deployment to Iraq in 2005, Lima Company served the United States with great dignity and pride. Fifty-nine of its members were awarded purple hearts.

The company was once known as "Lucky Lima." Unfortunately, the fates of the battlefield in Iraq were not kind to these men. The Lima Company is one of the hardest hit single units that has fought in Operation Iraqi Freedom.

During the course of a single week in the summer of 2005, Lima lost 21 of its own. During the course of its seven-month deployment, 23 men out of 189 men were lost.
