OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 17, 2008

Mr. McCOTTER. Madam Speaker, today I rise to recognize Mr. and Mrs. Jerry and Judy Rank, an inspirational couple, upon reaching their 50th wedding anniversary.

Jerry and Judy were both brought up in Fort Dodge, Iowa and attended Fort Dodge High School. The idyllic duo began to date and became high school sweethearts. On August 10, 1958, Jerry and Judy exchanged vows and were pronounced for the first time as Mr. and Mrs. Jerry Rank. The Ranks relocated to Michigan when Jerry furthered his career with Ford Tractor. Mr. Rank's career with Ford lasted over 30 years, when he decided to retire and create new dreams with Judy.

Upon Mr. Rank's retirement, Jerry and Judy have spent time with the loving family they have built together including their children Kyle (Kris), Mark (Kim), and Beth (Hal) and their grandchildren, Joseph, Thomas, Jennifer, Andrew, and Halee. The beautiful pair continues their strong marriage in Beulah, Michigan on Crystal Lake. Jerry and Judy enjoy watching the sunset together, entertaining guests, and salmon fishing, which is their favorite pastime.

Madam Speaker, Mr. and Mrs. Jerry and Judy Rank are an extraordinary example of love, strength, and togetherness that families today should look to for guidance. The Ranks will celebrate their 50th wedding anniversary on August 10, 2008. I ask my colleagues to join me in congratulating The Ranks for reaching this spectacular milestone and honoring the couple's loyal service to the community and our country.

IN HONOR OF CHUCK ESTEP, WINNER OF THE 2008 CABLE'S LEADERS IN LEARNING GENERAL EXCELLENCE AWARD

HON. JOHN D. DINGELL

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 17, 2008

Mr. DINGELL. Madam Speaker, I rise today to honor Mr. Chuck Estep for being chosen as a finalist for the 2008 Cable's Leaders in Learning Award for General Excellence. This honor is bestowed annually by Cable in the Classroom, the cable industry's education foundation which promotes the use of cable and technology in schools across the country. Every year, they honor those in the education field who demonstrate leadership skills by using technology to transform the way we

teach our students. Through his work as a Curriculum Resource Consultant in the Monroe County Intermediate School District, Chuck Estep certainly meets this criterion, and is worthy of such high praise.

We all know what an important role field trips play in our educational system. Not only do they expose children to new ideas and experiences, but they also promote a hands-on style of learning that is vital to keeping our children engaged in their schoolwork. Faced with a tight budget that was unable to accommodate expenses for field trips, Mr. Estep used his technological skills to overcome the problem. He set up a system of virtual field trips in conjunction with the Monroe County Historical Museum. This allowed students to ask questions in real time to an expert at the museum about the rich history of Monroe County. Specifically, one virtual field trip discussed the Battle of the River Raisin, which occurred in Monroe County during the War of 1812. Museum staff showed the students what dress from that period looked like and they discussed the positions of both sides during the war. Students in the district would not have been able to have such an enriching experience without the work of Chuck Estep.

The Battle of the River Raisin is arguably the most violent battle on continental U.S. soil outside of the Civil War, a fact many residents in Monroe and Michigan are unaware of. This virtual field trip paid special attention to the great role that this Battle played in the War of 1812, ensuring that the heritage and history of Monroe County will live on through today's students.

In this age of technology, we must strive to integrate all of the cutting edge tools that are available to us into our educational system. Doing so will create vibrant and engaging teaching methods that will keep our children interested in learning. Chuck Estep has certainly demonstrated this capacity for innovation, and for this he should be commended. I am proud to represent him here in Congress. I congratulate him on being chosen as a winner for Cable's Leaders in Learning Award for General Excellence Award, because he truly deserves it.

**HORSE TRANSPORTATION SAFETY
ACT OF 2008**

HON. MARK STEVEN KIRK

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 17, 2008

Mr. KIRK. Madam Speaker, today Representative STEVE COHEN and I introduced the Horse Transportation Safety Act of 2008.

In Wadsworth, Illinois, on Saturday October 27, 2007, a double decker cattle truck carrying 59 Belgian draft horses overturned when the driver ran a red light and hit another vehicle.

Residents at the scene could hear the animals kicking and screaming, panicked by their inability to escape. Eight horses died on the scene while another 10 had to be euthanized. After the crash, Wayne Pacelle, president and CEO of The Humane Society of the United States said, "What a gory mess we saw recently in Illinois. It must never happen again. . . ."

It is time that we heed these words by putting an end to using double decker trucks to transport horses. This legislation, endorsed by the Humane Society, Animal Welfare Institute, Hooved Animal Rescue and Protection Society, and the Communication Alliance to Network Thoroughbred ExRacehorses would take steps toward preventing this disaster from occurring again.

This bill prohibits the interstate transport of horses in a motor vehicle containing two or more levels stacked on top of one another as well as creates civil penalties between \$100 and \$500 for each horse involved.

In my own State of Illinois, the State General Assembly has already moved forward and passed similar legislation. I urge my colleagues to become a cosponsor of this bipartisan commonsense legislation.

TRIBUTE TO LARRY CLYMER

HON. FRED UPTON

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 17, 2008

Mr. UPTON. Madam Speaker, I rise today to pay tribute to Larry Clymer, an outstanding

public servant with a long and distinguished career of service in Southwest Michigan. Larry passed away unexpectedly this week and will be greatly missed by our community.

As the longtime mayor of Niles he was a valued and trusted friend. Upon my election to Congress, part of Larry's legacy came to Washington with me, in the form of his son, Jeff, who served as my first Legislative Director.

Though Larry was an active Republican, he was not afraid to create coalitions to put the best interests of Niles first—a lesson I learned from him and follow still today. He was indeed "Mr. Niles" and I always appreciated his thoughts and interests, regularly weighing in on behalf of the greater community good.

I would be hard pressed to find someone with a greater dedication to Niles and Berrien County, MI. Larry faithfully served our community for a combined 28 years—14 as the mayor of Niles and 14 as a Berrien County Commissioner. Outside of his official duties, Larry earned the nickname "marrying mayor" after performing more than 250 marriages, and was known for his sense of humor.

Larry was an exceptional public servant, and a gentleman. He has given a lifetime of service to our community, and our thoughts today are with his wife, Eleanor, and his family. We lost a treasure in Niles, and we will all miss him sorely. God bless "Mr. Niles."

Tuesday, June 17, 2008

Mr. MCCOTTER. Madam Speaker, today I rise to acknowledge Mr. Les Cash, Fire Chief of the Lyon Township Fire Department, upon reaching his retirement after 35 years of loyal service.

Mr. Les Cash was born in 1943, the sixth of ten siblings to Floyd and Leona Cash. In 1960, Mr. Cash enlisted in the Army, served 16 months in Korea, and was later stationed in Missouri at Fort Leonard Wood where he worked as a battalion mail clerk. In 1963, Les was honorably discharged and married his lovely wife, Renate, in July. Together, the blissful couple had two sons, Dan and Brian, and one daughter, Lisa.

In 1964, Mr. Cash began a career for the Ford Motor Company where he remained until his retirement over 30 years later. During this time, Les volunteered with the Lyon Township Fire Department. **A TRIBUTE RECOGNIZING SARAH
LOWE AND SONJA STEPTOE ON
THEIR RECENT APPOINTMENT
TO THE KNIGHT COMMISSION ON
INTERCOLLEGIATE ATHLETICS**

HON. LUCILLE ROYBAL-ALLARD

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 17, 2008

Ms. ROYBAL-ALLARD. Madam Speaker, I rise today to recognize Sarah Lowe and Sonja Steptoe, two residents of California's 34th District, on their recent appointment to the Knight Commission on Intercollegiate Athletics.

The Knight Commission was created by the John S. and James L. Knight Foundation in 1989 with the purpose of recommending a reform agenda that emphasizes academic values in college sports. The commission, which presented recommendations in a series of reports in the early 1990s and in the subsequent A Call to Action in 2001, continues to monitor and report on progress in increasing presidential control, academic integrity, financial integrity and independent certification of programs in college athletics.

Many of the commission's recommended reforms have been enacted by the NCAA. For example, the NCAA recently announced that 218 teams at 123 institutions will be sanctioned for failing to meet minimum academic benchmarks established as part of the Academic Performance Program. In 2001, the Knight Commission on Intercollegiate Athletics advocated that teams be ineligible for postseason competition if they failed to graduate at least 50 percent of their athletes. Although the current benchmarks are lower than those advocated by the Commission, the Commission has supported the full implementation of the NCAA's program since its adoption in 2004.

The commission convenes several times a year to highlight important issues facing intercollegiate athletics, including academic integrity and the rising costs of college athletic programs.

The Commission is comprised of prominent leaders in higher education and journalism as well as former collegiate athletes who have achieved excellence throughout their careers. I am proud to announce that Sonja Steptoe and Sarah Lowe are two of the Knight Commission's newest members.

Sonja Steptoe serves as client development manager at O'Melveny & Myers LLP, an international law firm based in Los Angeles. Prior to joining O'Melveny in 2007, Steptoe served as a senior correspondent and deputy news director for Time Magazine for 5 years following a successful career in sports journalism. Steptoe reported and wrote for CNN's sports network, HBO's RealSports with Bryant Gumbel and Sports Illustrated. Her investigation of East Germany's systematic doping of Olympic athletes earned her an Emmy Award for Outstanding Sports Journalism. Steptoe earned degrees in economics and journalism at the University of Missouri. She received a law degree from Duke University.

Sarah Lowe graduated magna cum laude and Phi Beta Kappa from the University of
