

Today, this legislation designates over 132,000 acres of Wilderness, almost 80 miles of Wild and Scenic Rivers, and 34,000 acres of National Recreation Areas in the Mt. Hood National Forest. It would create a long term transportation plan to address the challenges of getting to and from the mountain, establish a special watershed protection area for the Crystal Springs Watershed, focus on a forest-wide vegetation management strategy which includes biomass utilization, establish a working group to advise the Forest Service on recreation enhancements, respect Native Americans' treaty reserved gathering rights and honor the United States' cultural foods obligations to those Tribes. Lastly, the bill directs the Forest Service to participate in three land conveyances. These exchanges will provide additional protection for the North side of Mt. Hood, the Pacific Crest Trail, and a parcel of land that is critical to the community in Clackamas County.

In keeping with the spirit of our well-established and participatory process, I look forward to working with our stakeholders as the legislative process moves forward. I hope that this bill is not the last word when it comes to protecting Oregon's most beautiful, scenic and at-risk places. I hope that the Natural Resources Committee will quickly schedule a hearing on it so that we can pass and implement it and begin working towards protection for other "Oregon Treasures" in the years to come.

#### HONORING GLENDA GRAY ON HER RETIREMENT

#### HON. BART STUPAK

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, June 18, 2008*

Mr. STUPAK. Madam Speaker, I rise today to pay tribute to an employee of the U.S. House of Representatives who has touched the lives of countless people across northern Michigan over the past quarter century. Glenda Gray will retire on June 30 after more than 25 years of dedicated public service to the residents of the 1st Congressional District of Michigan.

Glenda, known as "Glink" to her friends, has worked in my Marquette, Michigan, district office since I was sworn into office in 1993. The decision to hire her was an easy one. Having worked for my predecessor, former Congressman Bob Davis, for 10 years, Glenda brought to the job experience and know-how that couldn't be matched.

A lot has changed in the more than 25 years Glenda has served the people of Michigan's 1st Congressional District. As a matter of fact, even the borders and designation of this district have changed. She has seen the transition from business conducted largely on paper and by typewriter, to a system where computers, copy machines, Blackberrys and video conferencing dominate.

Throughout her tenure, Glenda has handled casework on postal and passport issues throughout the expansive 1st District. She has been responsible for casework on Medicare, Social Security, disability and other senior's issues for six of the 31 counties in the district. She has evolved into an expert on Social Security and is proud of the individuals and families she has been able to help through difficult situations over the years.

This list does not do justice to the thousands of phone calls and walk-in visitors Glenda has spoken with about their problems or their views on a particular issue. I have known her to give each individual's concern the time it deserves and treat every person with courtesy and respect.

Since 1997, my district director has been stationed out of my Marquette office, making it the de facto headquarters for my district operations. This has placed increased responsibility on Glenda, who—in addition to continuing to handle casework and assist constituents in Marquette and the surrounding counties—is tasked with the duty of covering the busy office alone when my district director, Tom Baldini, is away.

Evident from her seamless transition from working for a Republican Congressman to a Democrat, Glenda never viewed casework as a political or partisan issue. For her, it has always been about helping the individual. Over time, Glenda has seen other staff members come and go. Throughout, she has been a valuable asset in helping new staff with her sound and kind advice on assisting constituents—even the challenging ones—while maintaining a sense of humor.

Shortly after I took office, we lost one of our young staff people, Brian Schlientz, to brain cancer. This was a difficult loss for all of our staff, but especially for Glenda, who had trained Brian and mentored him during my first year in office. Glenda provided untold support to Brian both in the office and throughout his courageous battle.

Glenda can relate to the unique challenges facing my constituents in northern Michigan—and particularly the Upper Peninsula—because it is has long been home for her. She was born and raised in Sault Ste. Marie, Michigan in 1943, one of 11 children raised there by her father, Harry, and stepmother, Eva Gilroy. She attended and graduated from Sault Area Schools before marrying her husband of 45 years, Joe Gray, who is also a Sault Ste. Marie native.

Joe and Glenda moved south to Dearborn, Michigan, where they lived for 8 years and began to raise two children, Joe Jr. and Kelly. They returned to Marquette in the Upper Peninsula in 1970 and have resided on Lakewood Lane in Chocoley Township for the past 38 years. Before going to work for Congressman Davis, Glenda worked for 7 years at Silver Creek Elementary School in the Marquette Public School District.

After more than 25 years of devoted service, Glenda plans to enjoy her retirement with her husband, children, grandchildren, extended family and friends. And while I know she is looking forward to spending more time with her family and friends, she will be greatly missed by those who work with her day in and day out and by the countless Michiganders who have come to turn to Glenda when they need assistance.

Madam Speaker, I ask that you and my colleagues here in the United States House of Representatives join me in thanking Glenda Gray for her outstanding quarter century of service and in wishing her well as she embarks on a well-deserved retirement.

#### EXPRESSING THE SUPPORT OF THE PAYCHECK FAIRNESS ACT

#### HON. CHARLES B. RANGEL

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, June 18, 2008*

Mr. RANGEL. Madam Speaker, I rise today to express my support of the Paycheck Fairness Act introduced by Congresswoman ROSA DELARÓ on March 6, 2007.

The first step towards the achievement of equal pay for women was made with the passage and signing of the Equal Pay Act by President John F. Kennedy on June 10, 1963. President Kennedy understood the importance of addressing the "unconscionable practice of paying female employees less wages than male employees for the same job." As a result of the enacting the Equal Pay Act, the wage gap between women and men has shrunk significantly. At the time the Equal Pay Act was signed, women's average wage was roughly a half of what men earned. At the present time, women earn around ¾ of the wage paid to men. Undoubtedly, the gap is narrowing consistently, but the rate of such improvement is quite slow. The inequality of payments between women and men not only affects American families, but also American society and the American economy. Despite the fact that the enforcement of the Equal Pay Act and many other civil rights laws contributed to narrow the wage gap, many important disparities remain and need to be addressed. The enactment of the Paycheck Fairness Act creates the opportunity for the Federal government to be more active in preventing and fighting wage discrimination.

I hope that many Americans understand how crucial it is to have equal workplaces with equal opportunities for workers and equal pay for comparable jobs, regardless of gender. The American government should take firm actions in delivering concrete steps proposed by the Paycheck Fairness Act in narrowing the unequal wage gap.

#### NATIONAL AERONAUTICS AND SPACE ADMINISTRATION AUTHORIZATION ACT OF 2008

SPEECH OF

#### HON. AL GREEN

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Thursday, June 12, 2008*

The House in Committee of the Whole House on the State of the Union had under consideration the bill H.R. 6063, to authorize the programs of the National Aeronautics and Space Administration, and for other purposes:

Mr. AL GREEN of Texas. Madam Chairman, I am proud to support H.R. 6063, the National Aeronautics and Space Administration (NASA) Authorization Act of 2008. As NASA celebrates its 50th anniversary this year, I would like to express my strong support for a program that has contributed so much to our Nation's educational, scientific, and economic interests.

H.R. 6063 authorizes \$20.21 billion in funding for NASA in FY 2009, including \$1 billion in augmented funding to reduce the five year

gap between the retirement of the current space shuttle in 2010 and the launch of the new Orion Crew Exploration Vehicle and Ares I Crew Launch Vehicle in 2015. During this time, the U.S. will lose all human spaceflight capability and will be forced to rely on foreign nations to carry our astronauts to the International Space Station. These outsourced space flights are estimated to cost around \$700 million to \$1 billion. The gap is also expected to have adverse effects on our national economy. NASA estimates that as many as 2,300 people could lose their jobs at Johnson Space Center in Houston as the shuttle fleet is retired. The funds that are included in this bill will help to accelerate the development of our next generation human spaceflight systems and minimize the undesirable consequences of this transitional period.

H.R. 6063 also includes funding for a wide range of different NASA initiatives such as space weather research and robotics development. The bill allows NASA to maintain a diverse portfolio of projects in science, aeronautics, and space exploration. By creating more quality jobs in this technical sector, we will be able to encourage future generations of students to pursue studies in science, technology, engineering, and mathematics (STEM) related fields. Creating this skilled workforce is an important step towards protecting our economic strength, our global competitiveness, and our national security.

Since its inception in 1958, NASA has been responsible for countless innovations and scientific breakthroughs. For decades, it has symbolized our Nation's position as the global leader in space exploration and research. I am proud to support H.R. 6063 so that NASA will be able to build upon its own prestigious legacy as we move forward into this new millennium.

#### HONORING THE LIFE OF TIMOTHY JOHN RUSSERT, JR.

SPEECH OF

#### HON. STEPHANIE TUBBS JONES

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 17, 2008*

Mrs. JONES of Ohio. Madam Speaker, I rise to honor a staple in the American household on Sunday mornings, a political commentator, Tim Russert, whose untimely passing on Friday, June 13th in a Washington Bureau of NBC News has been a devastation for Americans everywhere. Tim Russert, 58, was a native of Buffalo, New York and the NBC News' Washington Bureau Chief.

Russert was an advocate of strong family values founded on principles of love and support as displayed in his dedicated marriage with his wife, Maureen Orth, and his continued encouragement of his son, Luke.

A passionate news journalist and attorney, Tim Russert accomplished many accolades throughout his lifetime. As a bestselling author and inspiration to many, Russert also devoted his time to athletics as an elected member of the Baseball Hall of Fame board of directors and as an avid supporter of the Washington Nationals and Washington Wizards.

Tim Russert was a devout Catholic that spent much of his time giving back to the community by offering aid to non-profit organi-

zations and Catholic charities. Russert was concerned with the welfare of children in the community, and specifically those who lost their lives to gun violence.

On behalf of the people of the 11th Congressional District in Ohio and the United States Congress, I extend my heartfelt sympathy.

Mr. MILLER of Florida. Madam Speaker, on behalf of the United States Congress, it is an honor for me to rise today in recognition of Harmon O. Massey, Jr., upon his retirement from the office of the Florida State attorney.

Mr. Massey's commitment to his country and community spans several decades and has taken on many forms. In 1965, Mr. Massey was awarded wings as an Air Force pilot. OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, June 18, 2008*

Mr. FRELINGHUYSEN. Madam Speaker, I rise today to honor the Mount Kemble Home, of Morristown, Morris County, New Jersey. On June 22, 2008, the residents and staff at the Mount Kemble Home will be celebrating its 125th anniversary.

The Mount Kemble Home was founded in 1883 by a group of parishioners from the Morristown Presbyterian Church as a refuge for women in need of a home. The Mount Kemble Home has been assisting women in the lower income bracket for over 125 years.

The Mount Kemble Home provides each resident with a quality one-room apartment, complete with cooking facilities. There are two living rooms with comfortable chairs for reading, watching television, or playing the piano. The front and back porches further enhance the Home with wonderful views of the surrounding neighborhood.

The Mount Kemble Home relies on donations from the community and volunteer work to keep the Home open, as the rent charged is only 25 percent of the residents' income.

For 125 years the Mount Kemble Home has been providing women in Morris County the opportunity to afford quality housing in a comfortable and safe environment. Its staff, volunteers, and charitable donors are to be commended for their hard work.
