

has coached the Vikings 36 years and has a career record of 333–123–11. His teams have won nine conference, thirteen district, and nine regional championships. Coach Gaard helped establish and is a charter member of the Iowa Golf Coaches Association. In 2007, he was named the Iowa Golf Coaches' Association Coach of the Year and has been named conference coach of the year 10 times. Coach Gaard is also a football and basketball official as well as the head of Decorah High School's DECA Program.

I know that my colleagues in the United States Congress join me in congratulating Coach Linda Bloom and Coach Richard Gaard on their coaching success and for making a difference in the lives of Iowa's youth. It is an honor to represent Coach Bloom and Coach Gaard in the United States Congress, and I wish them the best as they continue to provide a positive impact as role models and mentors.

#### EARMARK DECLARATION

### HON. TOM COLE

OF OKLAHOMA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, July 29, 2008*

Mr. COLE of Oklahoma. Madam Speaker, I submit the following:

Requesting Member: TOM COLE (OK–4).

Bill Number: H.R. 6599.

Account: Military Construction, Air Force.

Legal Name of Requesting Entity: Tom Cole (OK–4).

Address of Entity: Tinker AFB, 7751 1st St, Tinker AFB, OK 73145.

Description of Request: This \$5,400,000 addition to the Air Force MilCon Account will accelerate from within the FYDP the realignment of Air Depot Street at Tinker Gate. This project is fully executable in the next fiscal year, is within the FYDP, supported by the base commander, is a base priority, and has a parametric cost estimate associated with it. The existing roadway alignment poses a safety issue and does not satisfy the Anti-Force/force protection requirements. It is not in compliance with the Manual on Uniform Traffic Control Devices—extreme congestion during morning and afternoon peak traffic flows presents significant driver safety issues as exits are made from a major Interstate onto the entrance to Tinker AFB. The project also provides for a new Pass and Identification building consolidating all operations at the 24-hour gate.

#### IN RECOGNITION OF THE FIFTIETH ANNIVERSARY OF THE PACE FIRE DEPARTMENT

### HON. JEFF MILLER

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, July 29, 2008*

Mr. MILLER of Florida. Madam Speaker, on behalf of the United States Congress, it is an honor for me to rise today in recognition of the fiftieth anniversary of the Pace, Florida Fire Department.

In 1959 the city of Pace had little access to emergency services. A small group of ten local citizens took matters into their own hands and heeded their community's call for

help. With only two donated fire trucks, these ten brave men created the Pace Volunteer Fire Department and began responding to local emergencies. In the beginning, the department had no station to house firemen or fire trucks. Instead, two Pace households used "fire phones" to take emergency calls. These households would then phone each firefighter at home to alert them of the fire. With little extra funding for gear, the men often responded to these fires with nothing but the clothes on their backs and courage in their hearts.

As the fire department gained its footing in the Pace area, the local community began to provide funding for a new alert system, a new fire station, and appropriate firefighting gear. The firefighters' wives founded a ladies auxiliary which helped to raise funds and to support their husbands. With such dedicated support from the local society, the fire department quickly grew to over thirty firefighters. Over the past fifty years, the Pace Volunteer Fire Department has expanded from one station and two donated fire engines to four substations and eleven fire trucks. Today, a group of twenty firefighters and ten associate members now respond to over 1,400 emergency calls each year.

The dedicated men and women of the Pace Fire Department have faithfully served their community for fifty years. Each and every day these volunteers respond bravely to our most dangerous disasters, and they ask for nothing in return. Their commitment to the citizens of Pace and passion in fulfilling their duties distinguishes them as one of the best fire departments in the country.

Madam Speaker, on behalf of the United States Congress, I am proud to honor the Pace Fire Department for its fifty years of courageous service to their community.

#### EARMARK DECLARATION

### HON. LAMAR SMITH

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, July 29, 2008*

Mr. SMITH of Texas. Madam Speaker, I submit the following:

Requesting Member: Congressman LAMAR SMITH.

Bill Number: H.R. 6599.

Account: Defense Medical Program, TRICARE Management Activity, Military Construction, Defense-Wide.

Legal Name of Requesting Entity: Fort Sam Houston.

Address of Requesting Entity: 1206 Stanley Road, Suite A, Fort Sam Houston, TX 78234–5001.

Description of Request: The funding would be used to construct a medical instruction facility. This project provides general and applied instructional space, administrative space and automation-aided classroom space.

#### EARMARK DECLARATION

### HON. RAY LAHOOD

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, July 29, 2008*

Mr. LAHOOD. Madam Speaker, in accordance with the Republican adopted standards

on earmarks, I submit the below detailed explanation of the C-130 Squadron Operations Facility for the 182nd Airlift Wing, Illinois Air National Guard.

Bill Number: H.R. 6599—The Military Construction and Veterans Affairs Appropriations Act for Fiscal Year 2009.

Provisions/Account: MilCon, Air National Guard, JLQN069160.

Name and Address of Requesting Entity: 182nd Airlift Wing, Illinois Air National Guard, 2416 S. Falcon Boulevard, Greater Peoria Regional Airport, Peoria, IL 61607.

Description of Request: This is a top priority for the Illinois Air National Guard. This project has already received architecture and engineering funding from the National Guard Bureau, and will be ready to utilize FY09 funds. This request would provide a properly sized and adequately configured facility to accommodate airlift squadron operations. The current facility is only 86 percent of the authorized space. It is extremely overcrowded and inadequate to support the ongoing airlift mission of this C-130 base. Upon completion of this project, the current Operations building will be reconfigured to address the critical space shortages of other base operations.

#### EARMARK DECLARATION

### HON. BARBARA CUBIN

OF WYOMING

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, July 29, 2008*

Mrs. CUBIN. Madam Speaker, in conformance with Republican Earmark Standards Guidance, I hereby submit the attached detailed finance plan for the C–130 Squadron Operations Facility at the Cheyenne Municipal Airport in Cheyenne, WY. This project is funded at \$7,000,000 in H.R. 6599, the Fiscal Year 2009 Military Construction and Veterans Affairs Appropriations Act, as reported by the House Appropriations Committee on July 24, 2008. I am pleased to support this project on behalf of the Wyoming National Guard as they seek to fulfill vital national defense and homeland security requirements in association with the active duty Air Force.

Requesting Member: Rep. BARBARA CUBIN (WY–At Large).

Bill Number: H.R. 6599.

Account: Military Construction; Air National Guard.

Legal Name of Requesting Entity: Wyoming National Guard.

Address of Requesting Entity: 5500 Bishop Boulevard, Cheyenne, WY 82009.

Description of Request: Provide an earmark for \$7,000,000 to construct a squadron operations facility at the Cheyenne Municipal Airport in Cheyenne, WY. Specifically, \$5,795,000 for basic construction of the approximately 26,200 square foot facility; \$200,000 for utilities; \$165,000 for roadway and parking pavements; \$55,000 for site improvements; \$75,000 for communications support; \$315,000 in contingency funds for unforeseen expenses; and \$396,000 for supervision, inspection and overhead. This request is consistent with the intended and authorized purpose of the Air National Guard's Military Construction account. The Wyoming National

Guard has identified a need for this new, consolidated facility to provide space for administration, training, intelligence, life support, survival equipment, command post, flight planning, aircrew briefing rooms, flight management, and storage. This facility is designed to sustain 24-hour/day operations supporting airborne firefighting, aeromedical evacuation, and homeland defense missions of 12—PAA C—130 aircraft associated with active duty Air Force personnel.

#### EARMARK DECLARATION

##### HON. BILL SHUSTER

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, July 29, 2008*

Mr. SHUSTER. Madam Speaker, consistent with the Republican Leadership's policy on earmarks, I am placing this statement in the CONGRESSIONAL RECORD.

Requesting Member: Congressman BILL SHUSTER (PA—9).

Bill Number: H.R. 6599—The Military Construction and Veterans Affairs FY09 Appropriations bill.

Project Name: Army Reserve Center, Letterkenny Army Depot.

Account: MILCON, Army Reserve.

Legal Name of Requesting Entity: Letterkenny Army Depot.

Address of Requesting Entity: Letterkenny Army Depot, Franklin County, Pennsylvania.

Description of Request/Justification of Federal Funding:

Provide \$14.914 million for Army Reserve Center, Letterkenny Army Depot.

It is my understanding that funding for this project would consolidate three area Army Reserve facilities at the Letterkenny Army Depot (LEAD) in Franklin County, Pennsylvania. The project will provide a 300 member training facility with administrative areas, classrooms, assembly hall, arms vault, kitchen, equipment storage areas, physical training rooms, and maintenance facilities. LEAD has set aside 7.5 acres of secure federal land for construction of the Reserve Center. The Center will be constructed behind the Letterkenny fence and adjacent to 600 acres of federal land which are used for Reserve training. This facility will also meet all projected force protection and anti-terrorism standards. This project is in the President's FY 2009 budget and the U.S. Army Reserve Fiscal Year 2009 FYDP.

Project Name: Upgrade Munition Igloos, Phase 2, Letterkenny Army Depot.

Account: MILCON, Army.

Legal Name of Requesting Entity: Letterkenny Army Depot.

Address of Requesting Entity: Letterkenny Army Depot, Franklin County, Pennsylvania.

Description of Request / Justification of Federal Funding:

Provide \$7.5 million for Upgrade Munition Igloos, Phase 2, Letterkenny Army Depot.

It is my understanding that funding for this project would modify igloo doors and provide concrete ramps to significantly increase productivity and enhance Letterkenny Army Depot's (LEAD), ability to rapidly and safely support mission requirements. Letterkenny is a major receiving, storage, maintenance, and shipping site for both tactical missiles and conventional ammunition. These munitions are

stored in 902 igloos constructed in the 1940s to store low technology ammunition that could be carried by hand. 706 of these igloos have 4 foot wide single doors and a two step differential between the pavement and igloo floor. Funding for this project will modify approximately 100 igloos to 10 foot doors and provide concrete ramps direct from the pavement to the igloo. This project is in the U.S. Army Fiscal Year 2011 FYDP. Letterkenny's munitions storage mission continues to grow and its need for upgraded igloos to meet this mission requirement is more immediate than programmed.

Project Name: Carlisle Barracks, Museum Support Facility.

Account: MILCON, Army.

Legal Name of Requesting Entity: Carlisle Barracks.

Address of Requesting Entity: Carlisle, Barracks, Carlisle, Pennsylvania.

Description of Request/Justification of Federal Funding:

Provide \$13.4 million for Museum Support Facility, Carlisle Barracks.

It is my understanding that funding will be used to construct a Museum Support Facility to provide curation, conservation, and storage of historical artifacts and art; conservation of manuscripts and associated paper materials; research areas, office, and associated activities to support the U.S. Army Heritage and Educational Center and other Army historical activities in coordination with the Center of Military History. The facility will also provide a major educational and tourist facility in the Central Pennsylvania region.

#### TRIBUTE TO DEAN HAUGE

##### HON. TOM LATHAM

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, July 29, 2008*

Mr. LATHAM. Madam Speaker, I rise to recognize the retirement of Dean Hauge, groundskeeper at Elmwood-Saint Joseph Cemetery in Mason City, Iowa, after serving his community for over 29 years.

Dean's father, Morris, was the groundskeeper of Elmwood for 27 years prior to Dean taking over the reigns. His uncles Truman Hauge and Virgil Cox also worked at the cemetery. Dean's groundskeeper job at the 120-acre cemetery included maintaining the property, digging and filling graves, erecting tents and chairs for funerals, and assisting families in locating burial sites and headstones. Dean's big heart and dedicated service has helped many families deal with the unfortunate loss of loved ones over many years.

I know that my colleagues in the United States Congress join me in commending Dean for his service to his community and congratulating him on his retirement. I consider it an honor to represent Dean in Congress, and I wish him and his wife Janice a long, happy and healthy retirement.

#### EARMARK DECLARATION

##### HON. HOWARD P. "BUCK" McKEON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, July 29, 2008*

Mr. McKEON. Madam Speaker, I submit the following:

Requesting Member: Congressman HOWARD P. "BUCK" McKEON.

Bill Number: H.R. 6599—The Military Construction and Veterans Affairs Appropriations Act for Fiscal Year 2009.

Account: Military Construction (Milcon), Air Force.

Legal Name of Requesting Entity: Edwards Air Force Base.

Address of Requesting Entity: Edwards AFB, CA 93524.

Description of Request: At my request, a project appropriation of \$6,000,000 is included in the Military Construction and Veterans Affairs Appropriations bill to complete construction of a main base operations ramp replacement at Edwards Air Force Base. The Air Force has assessed that the 50-year-old main runway is rapidly deteriorating and is projected to fail in the very near term impacting base operations and flight testing. The Air Force has also determined that temporary relocation of base operations is infeasible and that any delay in funding could result in costs to the government of approximately \$4,000,000.

#### HALTING RAPE AND SEXUAL ASSAULT IN THE U.S. MILITARY

##### HON. JANE HARMAN

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, July 29, 2008*

Ms. HARMAN. Madam Speaker, the stories are shocking in their simplicity and brutality: a female military recruit is pinned down at knifepoint and raped repeatedly in her barracks. Though her attackers hid their faces she identified them by their uniforms. They were her fellow soldiers. During a routine gynecological exam, a female soldier is attacked and raped by her military physician. Yet another young soldier, still adapting to life in a war zone, is raped by her commanding officer. Afraid for her standing in her unit, she feels she has nowhere to turn.

These are true stories, and, sadly, not isolated incidents. Women serving in the U.S. military are more likely to be raped by a fellow soldier than killed by enemy fire in Iraq.

The scope of the problem was brought into acute focus for me during a visit to the West Los Angeles VA Health Center, where I met with female veterans and their doctors. My jaw dropped when the doctors told me that 41 percent of female veterans seen there say they are victims of sexual assault while in the military and 29 percent report being raped during their military service. They spoke of their continued terror, feelings of helplessness, and the downward spirals many of their lives have since taken.

Numbers reported by the Department of Defense show the same sickening pattern. In 2006, 2,947 sexual assaults were reported—73 percent more than in 2004. The DOD's most recent report, released earlier this summer, indicates that 2,688 reports were made in
