IN RECOGNITION OF THE 50TH
ANNIVERSARY OF SPAAMFAA

HON. JAMES T. WALSH

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 31, 2008

Mr. WALSH of New York. Madam Speaker, I rise today to recognize the 50th anniversary of the Society for the Preservation and Appreciation for Motorized Fire Apparatus in America (SPAAMFAA).

In 1958, SPAAMFAA was founded in Syracuse, New York by Dick Horstmann to serve as a way to preserve antique fire apparatus and promote an appreciation for fire service history. Since its conception the society has grown to include more than 3,000 members in over 50 chapters across the globe and it is still going strong today.

On behalf of the people of the 25th district of New York I congratulate Dick Horstmann and all the members of SPAAMFAA for a successful 50 years and wish them continued success in the future.

TRIBUTE TO GEORGE F. ROZELLE

HON. KEVIN BRADY

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 31, 2008

Mr. BRADY of Texas. Madam Speaker, I rise today to honor the life of George F. Rozelle III. Mr. Rozelle recently left this earth and joined his Heavenly Father.

A native of Fort Worth, Texas, Mr. Rozelle was a proud Texan and Longhorn fan even when life took him to other parts of the country. After growing up in Arlington and attending Arlington High School he went on to graduate from the University of Texas at Arlington. The business degree he earned at UT—Arlington served him well as he quickly started his career with the Junior Chamber of Commerce and began to climb the Chamber ladder.

After moving to Arizona and marrying Marty, he joined the Fiesta Bowl Committee in 1979. He played a critical role in turning the Fiesta Bowl into one of the premier sporting events in the world; he served on the Board of Directors for six years.

Mr. Rozelle's lifelong passion was serving others and his community. Besides his time with the Fiesta Bowl, he was the President of the Arizona Club, Executive Director of the Arizona chapter of the American Roads and Transportation Builder's Association and spent time with the Arizona Corporation Commission.

Mr. Rozelle was best known for his smile, easy going sense of humor, and his ability to make everyone feel comfortable. His friends and family will also miss his skill in the kitchen; a true gourmet, he was written up in the Arizona Republic for his ability and participation in a local gourmet cooking group.

George is survived by his loving and faithful wife of 31 years, Dr. Martha Rozelle, their

daughters, Deborah and Vicki; son George; granddaughters Brooke, Janessa, Joni, Julie, Katy; and grandsons, Chris and Braydn.

Madam Speaker, I thank the House of Representatives and America for joining me in honoring the life of George F. Rozelle III and offering our prayers and condolences to his family and friends.

McCUTCHEON HIGH SCHOOL SOFTBALL TEAM—INDIANA STATE CHAMPIONS

HON. STEVE BUYER

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 31, 2008

Mr. BUYER. Madam Speaker, on Tuesday, June 10, 2008 the McCutcheon High School Softball team won the Indiana 4A softball state title. The Mavericks of McCutcheon narrowly defeated Franklin Central High School 2–1.

This was McCutcheon's first state championship in any girls sport though this year marked their third state finals and second championship game in four years.

This victory did not come easy for McCutcheon. Mother Nature intervened in their path to the championship. On Friday, June 6, 2008 lightning forced the semifinal game to be postponed. The next day, rain washed the game out. Finally, on Sunday they were able to start their semifinal game against LaPorte only to have it suspended after 4 innings. When the game was suspended, the Mavs had the lead.

Due to the weather, the Lady Mavs were forced to play a doubleheader on Tuesday. They finished their semifinal game against LaPorte, and then carried that momentum into the State Championship game against Franklin Central.

It is difficult to play a doubleheader under any circumstances, much less a championship atmosphere, but McCutcheon was up for the challenge. They were trailing in the bottom of the fourth inning when junior Tristan Wilcox knocked in the tying run with an RBI single, and then Maggie Tull scored the go-ahead run.

Pitcher Tori Collins was able to secure the victory by holding Franklin Central off to 5 hits and struck out 11 batters the whole game. These young ladies showed amazing determination against adversity and drive. After three years of almost achieving the ultimate victory, the Mavs achieved their ultimate goal.

I would like to extend my congratulations to the McCutcheon High School softball team and coaching staff:

Seniors: Tori Collins, Kristen Garza, Kendra Julian and Maggie Tull. Juniors: Maggie House, Brittany Keller, Megan Millikan, Angel Neal, Kelsey Rummel, Kaylee Smith, Meg Teller and Tristan Wilcox. Sophomores: Sarah Copley, Megan Gray and Stephanie Martin. Freshmen: Cassie Leuck and Dani Owens. Head Coach: Jim Bates. Assistant Coaches: Dan Bowsher, Larry Clark, Kayla Doyle, Kathryn Madary and Sarah Haggerty.

CONGRATULATING ARMSTRONG
ATLANTIC STATE UNIVERSITY'S
PIRATES

HON. JACK KINGSTON

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 31, 2008

Mr. KINGSTON. Madam Speaker, today I rise along with the city of Savannah in congratulating the Armstrong Atlantic State University's men's and women's tennis teams. Both squads were named National Champions in the 2008 NCAA Division II Tennis Tournament held on May 17th in Houston, Texas.

It is rare for one university to obtain two national titles in the same season much less the same sport, but the Pirates managed to accomplish this feat. Brigham Young University was the last school to achieve such success in 2003.

The Lady Pirates beat Lynn University of Boca Raton, Florida, to achieve their fourth National Championship. The undefeated Men's team swept Barry University of Miami Shores, Florida, earning the University its first ever NCAA title in Men's athletics.

Both teams are coached by Simon Earnshaw.

I urge my colleagues to join me in congratulating the Armstrong Atlantic State University's Men and Women's Tennis Teams for their remarkable accomplishments, and Go Pirates!

Account: Military Construction, Navy
Legal Name of Receiving Entity: Naval Air Station Jacksonville

Address of Receiving Entity: Jacksonville, Florida

Description of Request: I have secured \$12,890,000 in funding in H.R. 6599 in the

Military Construction, Navy account for Child Development Center project at Naval Air Station Jacksonville, Florida.

Project will construct a Child Development Center (CDC) for 302 children ages 6 weeks to 6 years for full-day, part-day, and hourly care that are currently housed in substandard buildings and inadequate temporary trailers.

The existing child care facility accommodates approximately 246 children. Another 84 children are on an excess demand waiting list. Unborn infants projected list totals 46. Current facilities provide only a fraction of the space required for child care.

Additional space is required to reduce the waiting list of military dependents seeking child care services at NAS Jacksonville.

Naval Air Station Jacksonville is a strategic base for the Navy. This project was programmed by the Navy to receive funding in Fiscal Year 2009.

Military Construction projects are always 100 percent funded by the U.S. Federal government so there is no opportunity for matching funds.

CELEBRATING THE 50TH ANNIVERSARY OF BEN'S CHILI BOWL

HON. JOE WILSON

OF SOUTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 31, 2008

Mr. WILSON of South Carolina. Madam Speaker, fifty years ago, on August 22, 1958, newlyweds Virginia and Ben Ali opened what is regarded now as a culinary landmark in Washington, D.C., Ben's Chili Bowl. The Ali family encountered numerous hardships on the way to establishing this neighborhood restaurant as a cultural symbol of camaraderie, tolerance and endurance. Ben's Chili Bowl became famous by consistently providing quality food for half a century such as their famous chili, half-smoke sausages, hamburgers and milkshakes. Over the years, the menu has expanded to include vegetarian options and a full breakfast. Celebrities such as Bill Cosby and Denzel Washington have visited the establishment, raising its national profile.

Ben's Chili Bowl is now one of the most successful, longest-operating African-American owned businesses in America. The restaurant is expanding with Ben's II opening next door to their longtime establishment along with a restaurant located in the Washington Nationals' new stadium. Further, a book commemorating the 50th anniversary of Ben's Chili Bowl will be released in August 2008.

Ben and Virginia Ali were inducted into the District of Columbia Hall of Fame in 1991, and while they have retired, their sons Kamal and Nizam are successfully carrying the family's business into the future. Congratulations to Ben, Virginia, Kamal and Nizam Ali for their family's work ethic, dedication and commitment to making Ben's Chili Bowl an American symbol of small business success for the past 50 years.

UNITED STATES OLYMPIC COMMITTEE PARALYMPIC PROGRAM ACT OF 2008

SPEECH OF

HON. SHEILA JACKSON-LEE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 29, 2008

Ms. JACKSON-LEE of Texas. Mr. Speaker, I rise today in support of H.R. 4255, the "United States Olympic Committee Paralympic Program Act of 2008." First, I would like to thank my distinguished colleague, BOB FILNER of California, for introducing this important legislation. This bill will give a grant to the USOC for the planning, developing, management and implementation of a Paralympic program for physically disabled veterans and members of the United States Armed Forces. I strongly encourage my colleagues to support this act.

There are currently over 2.9 million disabled veterans. The wars in Iraq and Afghanistan have contributed to a 25 percent rise in this number since 2001. Many are struggling to rehabilitate, to cope, and to regain their purpose. We must staunchly support our soldiers and veterans by giving them the opportunity to again represent our country with pride.

It may be impossible to ever fully repay the services that the many brave men and women

of the United States Armed Forces have given for our country, but it is critical that we do what we can to support those that were injured and disabled in our defense. H.R. 4255 will help to provide the many physically disabled veterans and servicemembers with an outreach program of encouragement and support that will allow them to represent their country as athletes and ambassadors of goodwill.

Upon enactment of the act, the Secretary of Veteran Affairs will be authorized to make a grant to the U.S. Olympic Committee, USOC, to plan, develop, manage, and implement the Paralympic Program for veterans and members of the Armed Forces. The bill directs the USOC to use the grant to plan, develop, manage, and implement the Paralympic Program for veterans and members of the Armed Forces.

The Paralympic Program that this bill establishes will benefit the millions of disabled veterans and members of the Armed Forces. This bill will allow many servicemembers to experience the pride of representing their Nation, and will provide many more with the outreach and support network necessary to rehabilitate and regain their strength.

At the time of the 2000 census there were 1.75 million veterans living in Texas. Many from Houston and Texas' 18th have served. It is in memory of their service that I ask my colleagues to support this bill, giving our disabled veterans and servicemembers a chance to represent our Nation through their competitive spirits.

A TRIBUTE TO THE LIFE OF ABRAHAM SHEINGOLD

HON. JIM COSTA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 31, 2008

Mr. COSTA. Madam Speaker, I rise today to pay tribute to the life of a special man, Abraham Sheingold of Monterey, California. Abraham recently passed away at the age of 91 years old. He leaves behind his loving wife of 66 years, Sylvia, his son Larry and his daughter Janet.

Mr. Sheingold was born on February 17, 1917 in New York City. He earned his bachelor of arts and masters degree from the City College of New York. Abe joined the faculty of the Naval Postgraduate School in 1946, migrating with the school to Monterey when it was moved there from Annapolis in 1951. He was a professor of electronics, department chair and dean of academic admissions until his retirement in 1986.

Abe was a gifted teacher. His command of the English language coupled with his gentle manner and sense of humor made him a favorite with students and prompted frequent invitations to speak at Navy School functions, both during his tenure at the school and after his retirement. His knowledge of subject matter was evident in the textbook he wrote. These accomplishments contributed to his receiving the honor of Distinguished Professor.

Abe continued his involvement in the Naval Postgraduate School after his retirement through his service on the board of the Naval School Foundation, where he set up scholarship funds and honoraria for faculty members. In
