Description of Request: I received an appropriation of \$6,000,000 for the Military Trauma Care Training and First Responder Information Technology Initiatives at Jackson Memorial Health System in partnership with the Army Trauma Training Center, ATTC, situated in the University of Miami/Jackson Memorial Medical Center. The ATTC has functioned as the national training center for U.S. Army Forward Surgical Teams (FSTs) since 2001. The Center is developing diagnostics and devices to enhance the capability of first-responders to effectively treat casualties as close to the geographic location and time of the injury as possible. Since January 2001, the Army Trauma Training Center, in conjunction with the Ryder Trauma Center, has trained over 25 forward surgical teams and more than 650 Army personnel in active duty and reserve components—2/3 of all forward surgical teams in the U.S. Army—supporting over 75,000 combat troops.

**HONORING THE ST. PAUL THE APOSTLE CHURCH IN CALUMET, MICHIGAN AS IT CELEBRATES ITS CENTENNIAL**

**HON. BART STUPAK**

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

*Monday, September 29, 2008*

Mr. STUPAK. Madam Speaker, I rise to recognize St. Paul the Apostle Catholic Church in

Calumet, MI, on its 100th anniversary. St. Paul the Apostle Church is celebrating its centennial in October and I ask that you, Madam Speaker, and the entire U.S. House of Representatives, join me in commemorating this historic milestone.

St. Paul the Apostle Church was founded in 1889 by Slovenian immigrants who came to the Copper Country to work in the mines. Formerly known as St. Joseph, the first structure on the same site was a wooden church that was razed in 1902 by a fire. The present structure, with its impressive twin spires towering over the community, was built in 1908 of Jacobsville sandstone. By 1966, the population of Calumet had drastically declined and St. Joseph's closed. However, the former St. Joseph's re-opened the next day with a new name: St. Paul the Apostle.

The building's storied history is of particular pride to its parishioners, who began a capital campaign to restore some of the remodeled elements from 1966 to their former glory. More than \$1 million was spent on various projects, from the installation of an elevator and new roof, to upgrades in the electrical system and replacement of carpeting. Some of the more aesthetic elements in the church have also received a makeover from the Affiliated Artists of Milwaukee, WI.

A great deal of money, effort, blood, sweat, and tears went into St. Paul the Apostle Church in Calumet. Under different names, this Catholic community of believers has been a point of pride for the entire Calumet community for 100 years. I join with parishioners and the entire Calumet community in wishing St. Paul the Apostle Catholic Church well as we mark this milestone and look forward to another 100 years of stories.

Madam Speaker, as St. Paul the Apostle Church celebrates its centennial this October, I ask that you and the entire U.S. House of Representatives join with me, the parishioners, and the entire Calumet community in wishing St. Paul the Apostle Catholic Church well as we mark this milestone and look forward to another 100 years of stories.
