HONORING MERCY HOSPITAL CADILLAC ON THE 100TH ANNIVERSARY OF ITS PUBLIC DEDICATION

HON. PETER HOEKSTRA

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Wednesday, January 16, 2008

Mr. HOEKSTRA. Madam Speaker, I rise today to honor the founders, administrators, staff and supporters of Mercy Hospital Cadillac as they celebrate the 100th anniversary of the hospital's public dedication.

Madam Speaker, Mercy Hospital Cadillac has helped to ensure that the local community has remained healthy and productive since 1908.

Mr. and Mrs. Delos F. and Esther Diggins started construction on a home for the sick in 1907 and entrusted it to the Sisters of Mercy in 1908. It admitted its first patient on January 15, 1908, and it was dedicated to its purpose by a reception to the public on January 20, 1908. It will be rededicated to its purpose during a public celebration on Sunday, January 20, 2008.

From 1908 to 1934 Mercy Hospital conducted a nursing program titled the "Mercy Hospital School of Nursing," which prepared young women for careers as skilled nurses. In 1952 the Mercy School of Practical Nursing was founded, and it educated 1,115 students before closing in 1985. It was ranked first or second by the Michigan Nursing Board in its last 16 years.

The hospital is currently engaged in an \$11 million capital campaign to modernize its facilities and invest in new technologies, which so far has provided it with the means to construct a 1,800-square-foot Obstetrical Unit, a new emergency department and a new radiology department. The initiative will build upon the hospital's successes and ensure that it has the best equipment, expertise and infrastructure.

Mercy Hospital Cadillac provides health care services to more than 60,000 residents across four counties, and with more than 600 employees is one of the area's largest employers.

Madam Speaker, Mercy Hospital Cadillac has contributed greatly to its community by continuing the legacy of Mr. and Mrs. Diggins and is deserving of the recognition of the U.S. House of Representatives.

CONGRATULATING THE LEWISVILLE INDEPENDENT SCHOOL DISTRICT FOR RECEIVING AN AA+ BOND RATING FOR 2007

HON. MICHAEL C. BURGESS

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, January 16, 2008

Mr. BURGESS. Madam Speaker, I rise today to congratulate the City of Lewisville's Independent School District. The Lewisville Independent School District has received an AA+ bond rating for 2007.

District officials apply for the ratings each year, which are granted by Standard and Poor's Corporation of New York. Lewisville is the only district in Texas, and one of three districts in the Nation, to receive such a rating this year.

The Lewisville Independent School District has demonstrated a strong aptitude for increasing fund balances while responding to modifications in State funding policies. The AA+ rating is an improvement from the district's AA rating in 2006.

The Lewisville Independent School District has managed to increase its bond rating from AA- to AA+ in two years, despite statewide school finance issues. State funding policies have been changed multiple times throughout the last decade, and Lewisville has positively modified its spending practices each time in response.

I extend my sincerest congratulations to the City of Lewisville and the Lewisville Independent School District. It is my hope that they will continue to be as fiscally responsible and resourceful as they have proven themselves to be in the past. It is my honor to represent them in the United States Congress.

TRIBUTE TO KATY HIGH SCHOOL FOOTBALL TEAM

HON. MICHAEL T. MCCAUL

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, January 16, 2008

Mr. MCCAUL of Texas. Madam Speaker, I rise today to congratulate the Katy High School football team of Katy, Texas, on their Class 5A, Division II Texas State football championship on Saturday, December 22, 2007.

Katy High School became the Class 5A, Division II State champions after defeating Pflugerville High School, 28 to 7, at the Alamodome in San Antonio, Texas.

Starting the season as the second-ranked team in Class 5A and ending the regular season as the top-ranked team, the Katy Tigers were a team expected to do great things, and they did. When the senior players were freshmen, they made it their goal to win a State championship game and with much hard work and determination this objective was accomplished. Always tough to live up to expectations, the Tigers did so and then some in claiming the Class 5A, Division II title in 2007 with a perfect 16-0 season record.

Throughout the season, both the offense and defense were dominant. Offensively, the

Tigers scored over 43 points per game. Defensively, Katy allowed an average of only 8 points per game.

The Katy Tigers advanced to the championship game by easily defeating Strake Jesuit College Preparatory 51-18 in the bi-district playoff game, by defeating Houston Madison High School 42 to 8 in the Region 3 semifinals, by defeating Pasadena Memorial High School 30 to 14 in the Region 3 championship, by defeating Fort Bend Clements High School 42 to 0 in the quarterfinal playoff game, and by defeating San Antonio Madison High School 66 to 21 in the State semi-final game.

The Katy Tigers rose to the challenge during the championship game against the Pflugerville Panthers, in San Antonio at the Alamodome. Katy scored 28 unanswered points after being down 7 in the first half. A hail mary at the end of the first half changed the momentum for the Katy Tigers to finish out the State championship game with a final score of 28-7, a truly outstanding accomplishment.

The win is Katy's fifth title all-time and fourth since 1997. More significantly, it is the first for head coach Gary Joseph, who ran his all-time win-loss record to 55-4 with the victory. It was not just a State title however, as the Tigers would find out about 30 minutes after the game's final whistle. Coach Joseph announced to a packed home locker room that the Tigers had been voted the No. 1 team in the Nation by ESPN. A roar of shouts, whistles and cheers filled the underground corridors of the Alamodome following that announcement as Katy returned to the top of the charts in Texas for the first time since 2003. In addition, Katy is ranked No. 4 in the USA Today Super 25 football rankings.

The success of these fine young athletes of Katy High School serves as an inspiration for their school and community. I know from my own experience how high school football teaches you not only how to win on the field but also how to succeed in life. It teaches you that through hard work, discipline, dedication, and teamwork you can dream any dream and achieve any goal. I know that these fine athletes will apply their success on the football field to their lives after high school to accomplish great things.

I officially recognize and honor the outstanding achievements and contributions by the 2007 Katy High School Varsity Football Team, coaches, school and loyal fans, for their exemplary representation of our community. Congratulations Katy Tigers. I commend you on a spectacular football year and wish you the best next season and beyond.
