HON. DENNIS J. KUCINICH

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 20, 2008

Mr. KUCINICH. Madam Speaker, I rise today in honor of Cleveland's West Side Market on the occasion of its 96th anniversary, and in recognition of it being named one of the Top Ten Great Public Spaces for 2008 by the American Planning Association.

The Cleveland West Side Market was built by the City of Cleveland from 1907 to 1912 and has since been a cultural landmark through which all of Cleveland's diverse ethnic communities can share their culture and food. Throughout the year, over 100 vendors sell fresh, locally produced goods—including fresh seafood, meats and baked goods-at this unique fresh food market located on the corner of West 25th Street and Lorain Avenue. Customers from all over the Greater Cleveland Area come to enjoy a variety of local produce and traditional European, South American and Middle Eastern food among local retail shops, restaurants and apartment buildings. The West Side Market has long been an anchor of community in Cleveland-with vendors boasting stands that have been in their families for generations.

Madam Speaker and colleagues, please join me in honor of the West Side Market in Cleveland. Ohio on the occasion of its 96th anniversary and in recognition of its inclusion in the American Planning Association's Top Ten Great Public Spaces for 2008.

IN HONOR OF WEST SIDE MARKET IN HONOR OF PARLIAMENTARIANS FOR NUCLEAR NON-PROLIFERA-TION AND DISARMAMENT

HON. DENNIS J. KUCINICH

OF OHIO

IN THE HOUSE OF REPRESENTATIVES Thursday, November 20, 2008

Mr. KUCINICH. Madam Speaker, I rise today in honor of Parliamentarians for Nuclear Non-Proliferation and Disarmament (PNND) and in recognition of their dedication to educating and engaging parliamentarians around the world to promote nuclear non-proliferation.

PNND is an international non-partisan network devoted to establishing channels of communication between parliamentarians around the world and to providing them with current nuclear weapons policies in order to raise awareness for the need to abolish the use of nuclear weapons. Currently, PNND's membership consists of over 500 parliamentarians from over 70 countries worldwide who are engaged in nuclear non-proliferation initiatives. This year, PNND marked the 40th anniversary of the International Non-Proliferation Treaty with the Nuclear Weapons Convention initiative—a declaration presented by the European Parliamentarian section of PNND. The Nuclear Weapons Convention is an initiative dedicated to promoting multilateral negotiations that would lead to the elimination of nuclear weapons. I join with the members of PNND in supporting this important initiative.

Madam Speaker and colleagues, please join me in honor of Parliamentarians for Nuclear Non-Proliferation and Disarmament, and in recognition of their dedication to promoting disarmament and international human rights.

Legal Name of Requesting Entity: University of Miami.

Address of Requesting Entity: 1252 Memorial Dr. Ashe Administrative Building Room 230, Coral Gables, FL 33146.

Description of Request: I received an earmark of \$5,000,000 of funding for the Center for Ophthalmic Innovation at the Bascom Palmer Eye Institute be used to help develop new modalities of treatment and ensure direct treatment of military personnel through the development of relevant ophthalmic telemedicine initiatives. The Center for Ophthalmic Innovation (ONOVA) is located within the Bascom Palmer Eye Institute, which has been rated as the #1 eye hospital in the nation. This funding will aid ONOVA in continuing research on advanced ocular imaging technology enabling more accurate diagnosis of hereditary retinal disease, better monitoring of treatments for wet and dry macular degeneration, rapid and cost-effective screening for diabetic retinopathy, better evaluation of refractive surgical outcomes, and the ability to qualify dry eye disease. Additionally, the Center is developing

new operational systems for ophthalmic telemedicine to bring high quality eye disease screening to military personnel as well as every United States citizen. Eye health is vitally important to the Department of Defense as active military personnel must have perfect visual acuity to carry out their duties effectively. At least 16% of war casualties are due to eye trauma, and millions of retired military personnel suffer from age-related eye disease. A spending plan for the project will include
