ON THE RETIREMENT OF MIDDLETOWN TOWNSHIP POLICE DEPARTMENT OFFICERS WILLIAM C. BEST, STANLEY MALINOSKI, BARRY GRIMM, RICHARD RAST, FRANK HOLDEN, AND GLENN MOREHEAD

HON. RUSH D. HOLT

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 3, 2008

Mr. HOLT. Madam Speaker, earlier this year, six remarkable New Jersey public servants retired from the Middletown Township Police Department. Let me take a few moments to tell you a little bit about each of these men.

Lieutenant William C. Best joined the Middletown Township Police Department in June 1971. Bill spent 20 years in the Patrol Division, working daily to help keep his community safe, and moving up through the ranks in the department until becoming a Patrol Lieutenant in April 2006. After more than 36 years on the force, Bill decided it was time to spend more time with his wife of 43 years, Sandra, their children, Kim and Amanda, and their two grandchildren—Molly and Teddy. I should also note that Bill's service to his country included a stint in the Navy from November 1961 through November 1963. Bill was a witness to history during this time, as he served aboard the aircraft carrier Saratoga during the Cuban Missile Crisis in October 1962.

Lieutenant Stanley Malinowski joined the department in December 1972, and over his nearly 36 year career he held multiple assignments in the Patrol Division and the Community Relations/DARE program. Like Lieutenant Best, Lieutenant Malinowski served his country in the Navy before joining the police department. Stanley is a Vietnam veteran, having served from 1965 to 1969. He spent three of his four years in the Navy aboard the guided missile destroyer USS *H.B. Wilson*, with multiple tours in Vietnam.

Detective First Class Barry Grimm joined the force in June 1971, and he held numerous assignments in the Patrol and Detective Divisions over the course of his more than 36 years with the department. Barry was one of the department's arson investigation experts, and was an instructor at the National Fire Academy for more than 20 years. Barry has also been a member of the Middletown Township Fire Department since 1968 and served as its chief in 1999. Barry is looking forward to spending more time with his wife of 36 years, Birgit Mosehach Grimm, their four children, Amy, Michael, Christopher and Shawn, his son-in-law Patrick and daughter-in-law Bethany, and his two grandchildren Owen and Sophie.

Detective First Class Richard Rast joined the force in November 1977. During his more than 30 years on the force, Detective Rast served in the Patrol Division, the Community Relations Division, the Traffic Division, and the Detective Division. Detective Rast is a member of the Eastern State Criminal Investigators

Association and the New Jersey Vehicle Theft Investigators Association. Like Lieutenants Best and Malinowski, Detective Rast is a Navy veteran, having served during the Vietnam era between January 1969 and November 1971. Rich and his wife Gloria have been married 38 years. They have two children, Bonnie and Sarah, and four grandchildren—Rebecca, Julia, and Brooke.

Corporal Frank Holden joined the department in August 1987 and retired on December 31, 2007. During his 20 year career in the Patrol Division, Corporal Holden received numerous awards for his work, both from the department and from community groups, including the Women's Center of Monmouth County, the American Legion Post 338 of Middletown, and the Middletown Fraternal Order of Police. Corporal Holden has been extremely active in his community as a fundraiser for multiple charities, including The Rainbow Foundation, Jason's Dreams for Kids, The Special Olympics, The Lance Armstrong Foundation, and Victory Junction Gang Camp. Frank and his wife Carol have lived in the Locust section of Middletown for the past 16 years. They have three children—Jennifer, Sara, and Adam.

Corporal Glenn Morehead joined the department in December 1980 and retired in December 2007. He received multiple awards during his long career, and his commitment to his community extended well beyond his work as a police officer. Corporal Morehead served over 20 years each with Leonardo First Aid Company, the Lincroft Fire Company, and the Middletown Township Fire Academy. In July 2008, Corporal Morehead and his wife will celebrate their 30th wedding anniversary. The Moreheads also have a son, Matthew.

I think it's important for their neighbors and the citizens of their community to understand just how fortunate Middletown has been to have had these six men in public service for so long. For decades, they helped keep Middletown and its residents safe from criminals, fires, and disasters—both natural and man-made. Their involvement in the community has enriched lives and helped make Middletown the wonderful place to live that it is today. As each of these men and their families begin a new chapter in their lives, I want them to know that they have my sincere thanks for their long years of service and my best wishes for the future. Congratulations and well done.

CONGRATULATING JOEL ESTRADA

HON. MICHAEL C. BURGESS

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 3, 2008

Mr. BURGESS. Madam Speaker, I rise today to recognize Joel Estrada of Lewisville, Texas for his efforts to protect the environment. Joel has been granted a rebate by the Texas Emissions Reduction Program (TERP) to replace an older-model dump truck. Joel's involvement in this program illustrates that the

world can be made better through the efforts of a single person.

Estrada's TERP rebate will allow him to upgrade his current dump truck to a new, more environment-friendly vehicle. Joel's participation moves TERP one unit closer to reaching its goal of replacing 4,500 older diesel engines with newer, less polluting models. Over the course of the next 7 years, the new dump truck will stop 5.8504 tons of nitrogen oxides from polluting the planet.

The Texas Emissions Reduction Program presents businesses with the opportunity to save money and protect the environment by trading in their business vehicles for cost-efficient diesel engines that conserve fuel more effectively.

Over all, North Texas businesses have accumulated more than \$3.3 million in savings and cut down pollution by nearly 353 tons to date. The rebates and grants offered by TERP set a positive example of the benefits of replacing and modifying older diesel engines for the Nation.

Madam Speaker, it is with great pride that I rise today to congratulate Joel Estrada of the

26th District of Texas. He is a phenomenal example to other small businesses, and I heartily commend him for doing his part to help reduce pollution in North Texas one engine at a time.

IN HONOR OF PRESIDENT R.
THOMAS WILLIAMSON

HON. JASON ALTMIRE

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 3, 2008

Mr. ALTMIRE. Madam Speaker, I rise today to honor President R. Thomas Williamson of Westminster College in New Wilmington, Pennsylvania. Westminster College was established on January 21, 1852. As one of the earliest co-educational colleges in the Nation, Westminster was founded to promote Christian values while focusing on individual development.

In June of 2008, Westminster College President R. Thomas Williamson will retire after 11

years of service. President Williamson's tenure has provided over a decade of exemplary leadership and vision for Westminster College.

During his time at Westminster College, President Williamson oversaw the completion of 10 major building projects, grew the college's endowment to over \$100 million, and helped the college become the 15th best liberal arts college in the country, according to Washington Monthly. President Williamson's mantra of "get better, not bigger" has allowed students to receive the continued personal attention they deserve. Westminster College maintains a 12:1 student to faculty ratio and a 98 percent placement rate for its graduates.

President Williamson is a former U.S. Navy officer and holds a Juris Doctorate from the University of Baltimore. He and his wife, Jean Simmonds Williamson, have four children and three grandchildren.

I want to commend President Williamson for his dedication to the students of Westminster College and the community of New Wilmington. I congratulate him on his career and wish him all the best in his retirement.
