TRIBUTE TO DAN LONG

HON. BILL SALI

OF IDAHO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 22, 2008

Mr. SALI. Madam Speaker, I rise today to recognize Dan Long of Boise, Idaho. Dan will be representing Idaho in the 2008 National Small Businessman of the Year competition.

The Small Business person of the Year Award is given annually by the United States Small Business Administration, SBA. Any individual who owns and operates or who bears principal responsibility for operating a small business may be nominated. A winner from each State has been selected and they will gather in Washington, DC, this week for the announcement of National Small Business Person of the Year. This event coincides with National Small Business Week.

Criteria for selecting the Small Business Persons of the Year include substantiated history as an established business, growth in the number of employees, increase in sales and response to adversity, among other factors.

Dan is an ideal candidate to represent Idaho for this award. He started A-1 Plumbing Service, Inc., in 1984 with one truck and one employee, himself. Dan had a vision of adding one truck per year for the first 10 years and using them to deliver exceptional service.

Dan's vision has become reality. A-1 Plumbing has grown from one truck and one employee to offices in Boise and Nampa, 25 trucks and 36 employees. In addition, the company has enjoyed a booming rate in sales and profits of 10 to 20 percent annually since its inception. Particularly impressive is the repeat customer percentage of 87 percent.

I also commend Dan for his practice of donating a minimum of one percent of revenues to local charities. His actions are exemplary. He is much deserving of the title National Small Businessman of the Year.

Thank you, Dan, for your quality work. It is my honor to recognize you today.

Mr. PATRICK J. MURPHY of Pennsylvania. Madam Speaker. I rise today to honor the 50th anniversary of Lenape Middle School in Doylestown, Pennsylvania. This school has a long and notable history of educating Bucks County's youth as well as helping the greater community.

Lenape Middle School began its service to Bucks County when it opened on September 4, 1957. Originally serving all of Central Bucks School District, Lenape Middle School now educates students living in Doylestown, Doylestown Township, and parts of New Britain Township. Lenape serves as the regional school for various district special education programs as well as serving as the host school for all English as a Second Language students. In honor of its notable academic work, Lenape Middle School was named a "School to Watch" by the National Forum to Accelerate Middle-Grades Reform in April 2007.

In addition, Lenape Middle School boasts distinguished participation in community service and outreach. Lenape is deeply involved in the 40 Assets project. This program seeks to recognize students for making a difference in the lives of one of their peers, teachers, or

neighbors. Also, Lenape students actively participate in various community service organizations such as Ponds for Kids, the Relay for Life, and Recycle 4 Relay Campaign.

Lenape Middle School is an exceptional example of an outstanding academic institution. The outstanding work of both Lenape's students and teachers significantly improves the Bucks County community. Madam Speaker, I am proud to represent Lenape Middle School and grateful for the opportunity to recognize Lenape's 50th anniversary.

Mr. PAYNE. Madam Speaker, I ask my colleagues here in the House of Representatives to join me as I rise to recognize and honor a dedicated public servant, Anzella K. Nelms who is retiring from the position of State District Deputy Superintendent of the Newark Public Schools. Ms. Nelms' journey to this post encompassed many levels including classroom teacher, vice principal and principal. As a result of these experiences. Ms. Nelms was definitely in a position to make a difference in the lives of our most precious resources, our children.

An accomplished student herself, having attended school in her native Raleigh, North Carolina, Anzella Nelms sought to ensure that Newark's school children received a quality education. Her dramatic influence can be seen at Camden Middle School where she served as principal from 1979 to 1989 and helped to develop a national model for school effectiveness. It can also be seen in the 16 "Theme Schools" she began within her School Leadership Team while serving as Assistant Superintendent. Fortunately, for those who had the opportunity to work with her, Ms. Nelms was generous with sharing her knowledge and her significant leadership skills.
