

pain. It is estimated that 1.5 million Americans are losing their sight because they do not know that they have the disease and are not getting the treatment they need.

The resolution also supports early detection of glaucoma for those at risk, enhanced treatment for those affected, and expanded research. Those groups at highest risk for glaucoma include African Americans, Hispanics, people with a family history of glaucoma, as well as individuals with diabetes and/or hypertension. Senior citizens, in general, are also at high risk for glaucoma. Compelling studies and data show that glaucoma is 6 to 8 times more common in African Americans than in Caucasians, and that African Americans between 45 and 65 are 14 to 17 times more likely to go blind from glaucoma than Caucasians in the same age group. Glaucoma is also the most common cause of blindness in Hispanics, the fastest growing ethnic minority in the country, and they too are at particular risk of being blinded by the disease.

I am proud to support the resolution and underscore the use of legislation as a vehicle when necessary, support adequate Federal funding for early detection, treatment, research, annual screenings and comprehensive eye examinations for individuals over 40, and those at highest risk for glaucoma.

I applaud and support the mission and service of those agencies and organizations such as the National Institutes of Health, National Eye Institute, Glaucoma Research Foundation, glaucoma specialists at teaching hospitals, clinics, colleges and universities across the country who demonstrate on a daily basis, their dedication and commitment toward combating this devastating disease.

I am particularly proud of the work of the Friends of the Congressional Glaucoma Caucus Foundation, a non-profit organization and the affiliation that I share with my colleague and friend Congressman Ed TOWNS, as founding members of the Congressional Glaucoma Caucus, a non-partisan body of more than 90 congressional members in the House and Senate. I urge my colleagues who are not members of the caucus to join to promote free glaucoma screenings, education and awareness within your districts.

Finally, I join in with my colleague Congressman Ed TOWNS of New York and urge the Energy and Commerce Committee to hold a speedy hearing on H.R. 3005, the Glaucoma Screening Act of 2007, a worthy and important bill introduced by our colleagues, Representatives SERRANO and BOOZMAN.

CELEBRATING TEN YEARS AT ALLIANCE OPPORTUNITY CENTER

HON. MICHAEL C. BURGESS

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 6, 2008

Mr. BURGESS. Madam Speaker, I rise today to recognize the anniversary of the Alliance Opportunity Center, which has served North Texas for 10 years.

The Alliance Opportunity Center, a non-profit organization supervised by Hillwood, Tarrant County College, Tarrant County Workforce Development Board, Texas Workforce Commission and the Fort Worth Chamber of Commerce, has long been committed to economic growth in Tarrant and Denton Counties, and their impact on the area is certainly cause for celebration.

The Alliance Opportunity Center's main goal is to shorten employee turnaround time, reduce job recruitment costs, and enhance employee skills and retention. This objective is achieved through the many services the AOC offers to the community. The Alliance Opportunity Center advertises Alliance job listings nationwide, maintains a current job-applicant database to best match open positions with available candidates, provides companies with the resumes of candidates best suited for open positions, and screens applicants for qualified referrals.

The organization also hosts the Annual Alliance Texas Hiring fair and coordinates and conducts job fairs for individual companies. The Alliance Opportunity Center staff keeps the interests of the community in mind, allowing area companies more time to focus on their core work and, in the process, making Alliance businesses an even greater success.

Madam Speaker, it is with great honor that I rise today to honor Alliance Opportunity Center for its commitment to playing an active role in the development, improvement and success of the North Texas community. I am proud to represent such a prestigious organization in Texas' 26th Congressional District.

TRIBUTE TO MARTHA KRUETZMANN

HON. TOM LATHAM

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 6, 2008

Mr. LATHAM. Madam Speaker, I rise today to congratulate Martha Kruetzmann on the celebration of her 100th birthday on April 2, 2008.

Martha was born on April 2, 1908 to Peter and Lydia Wigand in Sheboygan, Wisconsin. She was one of four brothers and three sisters. Martha was married to the late Reverend A.I. Kruetzmann and has three children, Eileen, Evelyn, and Edith; eight grandchildren; and 13 great-grandchildren. She currently lives at the Hubbard Care Center in Hubbard, Iowa.

There have been many changes that have occurred during the past one hundred years. Since Martha's birth we have revolutionized air

travel and walked on the moon. We have invented the television and the Internet. We have fought in wars overseas, seen the rise and fall of Soviet communism and the birth of new democracies. Martha has lived through eighteen United States Presidents and twenty-four Governors of Iowa. And, in her lifetime, the population of the United States has more than tripled.

I congratulate Martha Kruetzmann for reaching this milestone of a birthday. I am extremely honored to represent Martha in the United States Congress and I wish her happiness and health for many years to come.

FILIPINO WORLD WAR II VETERANS

HON. CAROLYN B. MALONEY

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 6, 2008

Mrs. MALONEY of New York. Madam Speaker, I rise to pay recognition to the Filipino veterans who so bravely served under the U.S. flag during World War II.

The Philippine Islands were a U.S. territory from 1902–1946. On July 16, 1941, President Franklin D. Roosevelt called over 200,000 Filipinos to service under the command of General Douglas MacArthur. They courageously fought side-by-side with soldiers from the United States, under the American flag and for a common goal to protect all nations from aggressive governments.

Madam Speaker, despite their patriotism, sacrifice, and service to this nation, the Filipino veterans of World War II have still not received the full benefits they were promised 62 years ago.

The average age of these heroes is 84. Congress has a moral obligation to provide for the Filipino veterans who fought as part of the United States during World War II before it is too late. We must restore dignity and honor to these proud veterans.

HONORING THE PUBLIC SERVICE OF SGT. RICHARD J. “RICK” KASPER

HON. JIM GERLACH

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 6, 2008

Mr. GERLACH. Madam Speaker, I rise today to honor a dedicated public servant from Chester County, Pennsylvania, who is retiring after a nearly 30-year career with the West Whiteland Township Police Department.

Sgt. Richard J. “Rick” Kasper joined the West Whiteland Police as a patrol officer in 1978. He became one of the first members on the force to be promoted to the rank of sergeant in 1988.

As a patrol shift supervisor for 25 years, Sgt. Kasper earned the respect of his colleagues for his ability to think on his feet and his sound judgment at times when officers' lives and the safety of the community were on the line.

Whether it was safely disarming a knife-wielding suspect or responding to a threat of violence at a local mall, the members of the West Whiteland Township Police Department

knew they could always depend on the steady hand of Sgt. Kasper to guide them through the tension-filled moments.

In addition to pinning on a badge for work each day, Sgt. Kasper passed on his knowledge about police work as one of the Department's original firearms instructors. Sgt. Kasper's dedication to the Department was surpassed only by his devotion to his family. In a testament to just how well Sgt. Kasper juggled the demands of police work and the needs of his family, his daughter, Heather, followed in her father's footsteps to become a police officer with a department in Florida.

Rick's career and accomplishments will be celebrated on Friday, May 9, 2008 during a dinner at the Downingtown Country Club.

Madam Speaker, I ask that my colleagues join me today in praising the outstanding service of Sgt. Richard J. Kasper, and all those who take an oath to serve and protect their communities.

HONORING THE LIFE OF GILBERT GUY FRANCIS

HON. THADDEUS G. McCOTTER

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 6, 2008

Mr. McCOTTER. Madam Speaker, today I rise to honor and acknowledge Gilbert Guy Francis upon the occasion of his 80th birthday.

Gilbert Francis dedicated his life to selflessly serving our community and country. Following service in the Air Force, Mr. Francis graduated with a Bachelor of Science Degree in Business Education and subsequently taught for 10 years at Southwestern High School in Detroit. Many happily remember his efforts as he found the time to teach typing and accounting to the continuing education school at night and the regular students during the day.

Gil has many hobbies as well. He faithfully studies the genealogy of the Francis family, tracing their roots back to Wales. Gill also excels at stamp collecting, roller-skate dancing, and playing the piano. As well as being an expert keyboardist, Gil has along the way done much to further the study and appreciation level for pipe organs. Not the first book he has put pen to paper for, "Michigan Pipe Organ Theaters" is his latest anticipated forthcoming publication. He has distinguished himself serving as the Treasurer and then President of the Detroit Theater Organ Society for a number of successful years. These days, lucky listeners can happen upon the organ historian playing the pipe organ at the famed Redford Theatre for classic old films.

Gilbert Francis is a man of integrity, devoted to his family, who has dedicated his life to his wife Penny, his two children Carl and Nancy, and their wonderful grand- and now great-grandchildren.

Madam Speaker, for eighty years Gilbert Guy Francis has faithfully served his family and community. As he enters the next phase of his life, he continues a legacy of dedication, skill of craft, and dignified leadership. Today, I ask my colleagues to join me in congratulating Gilbert upon this momentous day and recognizing his years of loyal service to our community and country.

HONORING MRS. DEBORAH ANN HARRIS

HON. JOHN ABNEY CULBERSON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 6, 2008

Mr. CULBERSON. Madam Speaker, I rise today to honor Mrs. Deborah Ann Harris, a teacher at St. Francis Episcopal Day School in Houston, Texas, for receiving a 2008 Presidential Award for Excellence in Mathematics and Science Teaching.

Under a bill Congress passed in 1983, the President selects up to 108 teachers every year to recognize for their exemplary contributions. This Presidential Award is the highest honor a kindergarten through 12th grade math or science teacher can receive for outstanding teaching in the United States.

Anne Chisholm, middle school principal at St. Francis Episcopal Day School, says of Mrs. Harris, "Debbie has a true passion for life and teaching science, the world is her classroom. Debbie sees the goodness in people, and she believes that all children can be great and she exhibits this through her teaching."

Madam Speaker, I ask my colleagues to join me in tribute to Mrs. Deborah Ann Harris for inspiring the students at St. Francis Episcopal Day School, and to congratulate her for earning this prestigious award.

INTRODUCTION OF HOME OWNER-SHIP TAX CREDIT LEGISLATION

HON. LEE TERRY

OF NEBRASKA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 6, 2008

Mr. TERRY. Madam Speaker, today I, along with several of my colleagues, am introducing legislation to provide homebuyers with incentives to purchase as a way of eliminating the excess inventory of homes, relieving some of the pressure on falling housing prices, and increasing housing demand at a time when mortgage lenders are tightening up their loan requirements.

According to the Nebraska Business Forecast Council, December 2007, inventories of completed and unsold housing units in Nebraska remain high. Although housing construction in Nebraska did not experience the surge seen on the east and west coasts, it could take the balance of 2008 before new house inventories in Nebraska are drawn down. Reducing these housing stocks in Nebraska is critical to the continued growth of

Nebraska home builders and the many other sectors of the economy dependent on the housing construction industry.

According to the National Association of Realtors, total housing inventory rose 5.5 percent at the end of this January to 4.19 million existing homes available for sale, which represents a 10.3-month supply at the current sales pace, up from a 9.7-month supply in December. Former Federal Reserve Chairman Alan Greenspan noted in November 2007 that reducing home inventories is critical for the health of the economy.

Madam Speaker, under the legislation I am introducing today, home buyers who purchase a qualified principal residence within a year of the Act's enactment will be eligible for a one-time tax credit of 10 percent of the home's purchase price, up to \$10,000. Mortgages which exceed the maximum original principal obligation of a mortgage the Federal Home Loan Mortgage Corporation will purchase, will not qualify.

American taxpayers should not bear the burden of bailing out scam artists and speculators. This bill provides a market incentive which works to actively reduce local inventory of homes, stimulate the economy and empower homebuyers. I encourage my colleagues in the House to examine this bill and join me in helping provide Americans with a viable pathway to home ownership.

SALUTING MINNESOTA'S TEACHER OF THE YEAR, CARLEEN GULSTAD OF HOPKINS NORTH JR. HIGH SCHOOL

HON. KEITH ELLISON

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 6, 2008

Mr. ELLISON. Madam Speaker, today is National Teachers Day, and Mr. RAMSTAD and I want to pay tribute to all of America's dedicated, talented and energetic teachers who have so much influence on our Nation's children and our country's future. We thank them for their sacrifice, selfless devotion to young people and their public service.

We want to call special attention today to one such teacher, Minnesota's "Teacher of the Year," Carleen Gulstad. Carleen, who lives in Maple Grove, teaches language arts at Hopkins North Jr. High School in Minnetonka, which serves the families of both the 3rd and 5th Congressional Districts. She has been teaching 8th and 9th grade students in English classes at Hopkins North since 1999.

Carleen is truly most deserving of this distinguished honor from Education Minnesota. The award was announced Sunday, May 4, at its 44th annual awards program in Brooklyn Park, Minnesota.

Madam Speaker, Carleen says that one of her guiding principles as a teacher is to treat each student as an individual. "Every kid counts. Every kid has a story. And every kid has value," Carleen says. "I teach them critical thinking. They need to decide for themselves."

That kind of approach is what makes Carleen a great teacher, and our Nation's outstanding teachers carry those very same traits, teachers who are brilliant in their ability to offer encouragement, who can spark the
