

GRIJALVA and Ranking Member BISHOP, as well as Natural Resources full committee Chairman RAHALL and Ranking Member YOUNG, for their support in bringing this bill to the floor today.

H.R. 4191, the Wright Brothers-Dunbar National Historical Park Designation Act, is identical to H.R. 4612 from the 109th Congress which passed the House Committee on Resources by unanimous consent on June 21, 2006. It renames the Dayton Aviation National Historic Park as the Wright Brothers-Dunbar National Historical Park.

In 2002, Chairman and Federal Judge Walter Rice of the Dayton Aviation Heritage Commission appointed a committee made up of commission members to make recommendations regarding the name of the Dayton Aviation National Historic Park.

The committee held several hearings and solicited comments from businesses, government, stakeholders, neighborhood and citizens groups on the name change. Based on the public comments, the committee recommended to the commission that the name of the park, Dayton Aviation Heritage National Historical Park, be changed to the Wright Brothers-Dunbar National Historical Park.

Following input from the community, that committee recommended to the commission that the name of the park be changed to the Wright Brothers-Dunbar National Historical Park, which was approved by the full commission and the National Park Service in 2003.

The commission recognized a number of reasons for the name change. The new name establishes a clear connection to the universally recognized Wright brothers, the inventors of the airplane, and the new name also creates a better link between the park and the primary park assets. All four of the park sites, a majority of interpretive exhibits and media at the park sites describe the accomplishments of the Wright brothers and the first recognized African American Poet Laureate, Paul Laurence Dunbar.

Finally, the new name also establishes a better distinction between the park and the new National Aviation Heritage Area.

The new name of this park will truly be a reflection of Dayton's heritage, that of innovation and creativity. The Wright brothers' airplane and Dunbar's famous poems are two historic assets which make Dayton a great place to call home. It is fitting that the new park name pays homage to Dayton's hometown heroes, Paul Laurence Dunbar and Orville and Wilbur Wright.

It is also important to note that the National Heritage Park in Dayton is unique in that it is a scattered site national park and it works with regional partners to advance the park's mission. The Park Service partners with "Dayton History" at Carillon Park and Wright-Patterson Air Force Base to provide maintenance and program assistance for park assets.

Both entities contain different parts of the national park. The Wright Flyer III, the world's first practical airplane, is located at Carillon Park, and the Huffman Prairie Flying Field, where the Wright brothers perfected flight, is located on the grounds of Wright-Patterson Air Force Base. This bill authorizes grant funding to these partner organizations to ensure their continued cooperation with the Park Service in fulfilling the mission of the park.

Mr. Speaker, today's bill is the result of a community process which has resulted in an improved and more appropriate name to a regional asset, a name which reflects Dayton's true heritage. While Ohio is the birthplace of aviation, Dayton is the birthplace of the first airplane and the birthplace of Wright-Patterson Air Force Base, where 1 million people every year visit the National Museum of the United States Air Force.

Dayton's future is bright, with over 1,000 jobs headed to Wright-Patterson Air Force Base as a result of 2005 BRAC process, and it will continue to be a leader in American innovation.

Mr. Speaker, the Wright brothers and Paul Laurence Dunbar would be proud of the accomplishments in their hometown, and I am proud today to speak for this bill, which will honor their legacies.

Mr. BISHOP of Utah. Mr. Speaker, once again I encourage adoption of this excellent bill, and I yield back the balance of my time.

Mr. RAHALL. Mr. Speaker, I yield back the balance of my time.
