SEC. 6. ADDITION OF SHORT TITLE TO EXISTING LAW.

The Act of August 6, 1947 (chapter 504; 33 U.S.C. 883a et seq.) is amended by adding at the end the following:

“SEC. 11. SHORT TITLE.

“This Act may be cited as the ‘Coast and Geodetic Survey Act’.”.

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Hawaii (Mr. ABERCROMBIE) and the gentleman from Utah (Mr. BISHOP) each will control 20 minutes.

The Chair recognizes the gentleman from Hawaii.

GENERAL LEAVE

Mr. ABERCROMBIE. Madam Speaker, I ask unanimous consent that all Members may have 5 days to revise and extend their remarks and include extraneous material on the bill under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Hawaii?

There was no objection.

Mr. ABERCROMBIE. Madam Speaker, I yield myself such time as I may consume.

Madam Speaker, H.R. 3352 was introduced by my colleague and our good friend from Alaska (Mr. YOUNG), and it amends the Hydrographic Services Improvement Act to authorize the administrator of the National Oceanic and Atmospheric Administration to expand the use of hydrographic data and hydrographic services.

The Office of Coast Survey, which is within NOAA's National Ocean Service, conducts hydrographic surveys measuring the depth and bottom configuration of bodies of water. The Hydrographic Services Review Panel, a qual-

ity assurance program authorized in 2002, suggested several recommendations to improve NOAA's hydrographic services. Strengthening the emergency response and recovery capabilities were among the recommendations suggested. H.R. 3352 addresses these recommendations directly, and meets homeland security and maritime domain awareness needs.

I want to commend our friend Congressman DON YOUNG for introducing this bill, and urge all Members to support it.

I reserve the balance of my time.

Mr. BISHOP of Utah. Madam Speaker, I rise in support of H.R. 3352.

Hydrographic surveys and shoreline mapping activities provide data to produce accurate nautical charts. Many vessels from large container ships and oil tankers to the smaller commercial fishing vessels and recreational boaters rely on nautical charts to safely navigate U.S. waterways. There is currently a backlog in the survey work, making many nautical charts out of date. H.R. 3352 will reauthorize the program that supports hydrographic surveys and shoreline mapping activities, and continue the efforts to provide all users with accurate nautical charts. I urge an “aye” vote.

I yield back the balance of my time.

Mr. ABERCROMBIE. I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Hawaii (Mr. ABERCROMBIE) that the House suspend the rules and pass the bill, H.R. 3352, as amended.

The question was taken.

The SPEAKER pro tempore. In the opinion of the Chair, two-thirds being in the affirmative, the ayes have it.

Mr. WESTMORELAND. Madam Speaker, on that I demand the yeas and nays.

The yeas and nays were ordered.

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX and the Chair's prior announcement, further proceedings on this motion will be postponed.

NATIONAL FISH AND WILDLIFE FOUNDATION ESTABLISHMENT ACT AMENDMENT OF 2008

Mr. ABERCROMBIE. Madam Speaker, I move to suspend the rules and pass the bill (H.R. 3891) to amend the National Fish and Wildlife Foundation Establishment Act to increase the number of Directors on the Board of Directors of the National Fish and Wildlife Foundation, as amended.

The Clerk read the title of the bill.

The text of the bill is as follows:

H.R. 3891

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the “National Fish and Wildlife Foundation Establishment Act Amendment of 2008”.

SEC. 2. BOARD OF DIRECTORS OF THE FOUNDATION.

Section 3(a) of the National Fish and Wildlife Foundation Establishment Act (16 U.S.C. 3702(a)) is amended by striking paragraph (1) and inserting the following:

“(1) IN GENERAL.—The Foundation shall have a governing Board of Directors (referred to in this Act as the ‘Board’), which shall consist of 30 Directors appointed in accordance with subsection (b), each of whom shall be a United States citizen.”.

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Hawaii (Mr. ABERCROMBIE) and the gentleman from Utah (Mr. BISHOP) each will control 20 minutes.

The Chair recognizes the gentleman from Hawaii.

GENERAL LEAVE

Mr. ABERCROMBIE. Madam Speaker, I ask unanimous consent that all Members may have 5 days to revise and extend their remarks and include extraneous material on the bill under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Hawaii?

There was no objection.

Mr. ABERCROMBIE. Madam Speaker, I yield myself such time as I may consume.

Madam Speaker, H.R. 3891, introduced by my colleague from South Carolina (Mr. BROWN), expands the size of the Board of Directors of the National Fish and Wildlife Foundation from 25 to 30 members.

The National Fish and Wildlife Foundation was established by Congress in 1984 as a charitable nonprofit corporation. The foundation was formed to further the conservation and management of fish, wildlife, plants, and other natural resources by the United States Fish and Wildlife Service and the National Oceanic and Atmospheric Administration.

While the foundation and its conservation programs continue to grow and fundraising for these programs keeps pace, it is considerably more difficult to meet the increasing administrative expenses of the foundation. Expanding the size of the board of directors will improve the ability of the foundation to raise private funds, to cover its administrative expenses, and to improve the implementation of its conservation programs.

I commend Congressman HENRY BROWN, again, a good friend of many of us here in the Congress and a friend of the Natural Resources, for introducing this bill, and urge all Members to support it.

I reserve the balance of my time.

Mr. BISHOP of Utah. Madam Speaker, I rise in support of H.R. 3891. It does increase by five members the Board of Directors on the National Fish and Wildlife Foundation.

Since its inception, this foundation has financed more than 9,500 conservation projects to sustain, restore, and enhance fish wildlife population and their essential habitat. Under current law, the Secretary of the Interior may

appoint 25 individuals to serve on the Board of Directors. These members have expertise in fish, wildlife, natural resources, and conservation. They serve as conservation ambassadors, and they approve projects submitted to the foundation, and raise funds for the operation of this successful organization. The additional five members will help to enhance that job description. I urge my colleagues to vote favorably on H.R. 3891.

I yield back the balance of my time.

Mr. ABERCROMBIE. Madam Speaker, before yielding back the balance of my time, and I will do so, I have a brief closing insert that I would like to read from Congresswoman BORDALLO who, as I indicated, finds it impossible to be here today at this time. She says as follows:

Madam Speaker, as Chairwoman on the Subcommittee on Fisheries, Wildlife, Oceans, I reiterate that the Natural Resources Committee supports this bill as a means to maximize community participation in the activities of the Fish and Wildlife Foundation.

It is our expectation, that is to say Congresswoman BORDALLO's expectation, that the foundation will view this expansion of its Board of Directors as an opportunity to increase the diversity of professional backgrounds and views that board members bring to the foundation, and also that the Secretary of the Interior will appoint qualified individuals, hopefully with conservation experience in the offshore territories.

Mr. BROWN of South Carolina. Madam Speaker, I rise today to speak on H.R. 3891, a bill I introduced with Fisheries, Oceans and Wildlife Subcommittee Chairwoman MADELEINE BORDALLO. The fundamental purpose of this legislation is to increase from 25 to 30 the number of members who may serve on the Board of Directors of the National Fish and Wildlife Foundation.

The National Fish and Wildlife Foundation was created by Congress in 1984. Since that time, it has financed more than 9,500 conservation projects throughout the United States and in other countries. By using a partnership and challenge grant approach, the Foundation has provided \$1.3 billion in critical funding to accomplish its strategic goals of sustaining, restoring and enhancing fish, wildlife and plant populations and their essential habitat.

Under current law, the Secretary of the Interior may appoint up to 25 individuals to serve on the Foundation's Board of Directors. The members of this Board have expertise in fish, wildlife and natural resource conservation; they serve as conservation Ambassadors throughout the world; they review and approve projects submitted to the Foundation and they raise funds for the operation of this highly successful organization.

By increasing the size of the Board, we will greatly enhance the Foundation's ability to finance additional meritorious projects in the future.

I urge my colleagues to vote "yea" on H.R. 3891.

Mr. ABERCROMBIE. Madam Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Hawaii (Mr. ABERCROMBIE) that the House suspend the rules and pass the bill, H.R. 3891, as amended.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the bill, as amended, was passed.

A motion to reconsider was laid on the table.

HALE SCOUTS ACT

Mr. ABERCROMBIE. Madam Speaker, I move to suspend the rules and pass the bill (H.R. 2675) to provide for the conveyance of approximately 140 acres of land in the Ouachita National Forest in Oklahoma to the Indian Nations Council, Inc., of the Boy Scouts of America, and for other purposes, as amended.

The Clerk read the title of the bill.

The text of the bill is as follows:

H.R. 2675

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

(c) *COVERED LANDS.*—The National Forest System land to be conveyed under subsection (b) is depicted on the map entitled "Boy Scout Land Request—Ouachita NF". The map shall be on file and available for public inspection in the Forest Service Regional Office in Atlanta, Georgia.

(d) *CONSIDERATION.*—As consideration for the land conveyed under subsection (b), the Council shall pay to the Secretary an amount equal to the fair market value of the land, as determined by an appraisal approved by the Secretary and done in conformity with the Uniform Appraisal Standards for Federal Land Acquisitions and section 206 of the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1716).

(e) *USE OF PROCEEDS.*—The consideration received under subsection (d) shall be deposited in the fund established by Public Law 90–171 (commonly known as the "Sisk Act"; 16 U.S.C. 484a). The amount so deposited shall be available to the Secretary, without further appropriation,

for expenditure for the acquisition of land and interests in land in the Ouachita National Forest.

(f) *SURVEY AND ADMINISTRATIVE COSTS.*—The exact acreage and legal description of the land to be conveyed under subsection (b) shall be determined by a survey satisfactory to the Secretary. The Council shall pay the reasonable costs of survey, appraisal, and any administrative analyses required by law.

(g) *ACCESS.*—Access to the land conveyed under subsection (b) shall be from the adjacent land of the Council or its successor. Notwithstanding section 1323(a) of the Alaska National Interest Lands Conservation Act (16 U.S.C. 3210(a)), the Secretary shall not be required to provide additional access to the conveyed land.

(h) *ADDITIONAL TERMS AND CONDITIONS.*—The Secretary may prescribe such terms and conditions on the conveyance under subsection (b) as the Secretary considers in the public interest, including the reservation of access rights to the conveyed land for administrative purposes.

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Hawaii (Mr. ABERCROMBIE) and the gentleman from Utah (Mr. BISHOP) each will control 20 minutes.

The Chair recognizes the gentleman from Hawaii.

GENERAL LEAVE

Mr. ABERCROMBIE. Madam Speaker, I ask unanimous consent that all Members may have 5 legislative days in which to revise and extend their remarks and include extraneous material on the bill under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Hawaii?

There was no objection.

Mr. ABERCROMBIE. Madam Speaker, I yield myself such time as I may consume.

Madam Speaker, H.R. 2675 was introduced by my colleague and our friend on the Natural Resources Committee, Representative DAN BOREN.

The legislation directs the Secretary of Agriculture to convey 140 acres of public land in Oklahoma, administered by the United States Forest Service, to the Indian Nations Council of the Boy Scouts of America. The Boy Scouts will use this land to expand their existing camping. The Boy Scouts will pay a fair market value for the land.

Madam Speaker, I want to commend our colleague and friend, Representative BOREN, for his work on this bill. I support the passage of H.R. 2675, as amended.

I reserve the balance of my time.

Mr. BISHOP of Utah. Madam Speaker, I yield myself such time as I may consume.

I rise in support of H.R. 2675, and we are pleased to support this legislation that will help the young men of Oklahoma by allowing the Boy Scouts of America to expand their summer camp within the forest to accommodate the fast-growing number of campers. This speaks volumes about the excellent organization that is the Boy Scouts of America, and we compliment Representative BOREN on his efforts. Hopefully this land conveyance will ease some of the pain the scouting community suffered when Congressman BOREN
