□ 1707

Mr. BOUCHER changed his vote from “aye” to “no.”

So the amendment was rejected.

The result of the vote was announced as above recorded.

PERSONAL EXPLANATION

Ms. LEE. Mr. Chairman, because I was questioning General Petraeus and Ambassador Crocker in a hearing of the House Foreign Affairs Committee today, I missed rollcall votes numbered 167 through 169 regarding amendments to H.R. 2016, the National Landscape Conservation System Act. Had I been present, I would have voted “aye” on the Grijalva amendment (rollcall 167); “nay” on the Bishop (UT) amendment No. 3 (rollcall 168); and “nay” on the Bishop (UT) amendment No. 4 (rollcall 169).

AMENDMENT NO. 5 OFFERED BY MR. BISHOP OF UTAH

The Acting CHAIRMAN. The unfinished business is the demand for a recorded vote on the amendment offered by the gentleman from Utah (Mr. BISHOP) on which further proceedings were postponed and on which the ayes prevailed by voice vote.

The Clerk will redesignate the amendment.

ANNOUNCEMENT BY THE ACTING CHAIRMAN

The Acting CHAIRMAN (during the vote). There are 2 minutes remaining in this vote.

□ 1734

Mr. MCINTYRE changed his vote from “aye” to “no.”

Mr. PERLMUTTER changed his vote from “no” to “aye.”

So the amendment was agreed to.

The result of the vote was announced as above recorded.

The Acting CHAIRMAN. The question is on the committee amendment in the nature of a substitute, as amended.

The committee amendment in the nature of a substitute, as amended, was agreed to.

The Acting CHAIRMAN. Under the rule, the Committee rises.

Accordingly, the Committee rose; and the Speaker pro tempore (Mr. WEINER) having assumed the chair, Mr. SALAZAR, Acting Chairman of the Committee of the Whole House on the state of the Union, reported that that Com-

mittee, having had under consideration the bill (H.R. 2016) to establish the National Landscape Conservation System, and for other purposes, pursuant to House Resolution 1084, he reported the bill back to the House with an amendment adopted by the Committee of the Whole.

The SPEAKER pro tempore. Under the rule, the previous question is ordered.

Is a separate vote demanded on any amendment to the amendment reported from the Committee of the Whole? If not, the question is on the amendment.

The amendment was agreed to.

The SPEAKER pro tempore. The question is on the engrossment and third reading of the bill.

The bill was ordered to be engrossed and read a third time, and was read the third time.

MOTION TO RECOMMIT OFFERED BY MR. CANNON

Mr. CANNON. Mr. Speaker, I have a motion to recommit at the desk.

The SPEAKER pro tempore. Is the gentleman opposed to the bill?

Mr. CANNON. Yes, Mr. Speaker, in its current form.

The SPEAKER pro tempore. The Clerk will report the motion to recommit.

The Clerk read as follows:

Mr. Cannon moves to recommit the bill, H.R. 2016, to the Committee on Natural Resources with instructions to report back to the House promptly with the following amendment:

At the end of section 4 of the bill, add the following:

In addition, nothing in this Act shall affect the right to bear arms under the Second Amendment within the National Landscape Conservation System.

The SPEAKER pro tempore. The gentleman from Utah is recognized for 5 minutes.

Mr. CANNON. Mr. Speaker, it is essential that we keep the second amendment protections on BLM lands. This motion to recommit will prevent the NLCS from imposing a complete ban on the right to bear arms like the National Park Service.

In 2006 the National Park Service prevented visitors from protecting themselves, and 11 individuals were murdered, 35 were raped, and 16 were kidnapped. We cannot let the NLCS become an area where the public won't go because they can't protect themselves.

There's a crisis on our Federal lands, especially along the southern border, and a National Park Service second amendment restriction will ensure only the drug traffickers, rapists, and murderers will have guns. The ability to carry firearms on these lands for personal protection is a mere lawsuit and a sympathetic judge away from being denied.

The Altmire amendment already agreed to preserve certain rights, but the vague language of this legislation leaves second amendment rights woefully unprotected. The second amendment was never meant to provide cafeteria-style rights for legislators, for us

to pick and choose. The second amendment is a constitutional right which you either support or oppose. This motion to recommit will unequivocally make sure that is the case.

I urge a “yes” vote on this motion to recommit.

Mr. Speaker, I yield back the balance of my time.

Mr. GRIJALVA. Mr. Speaker, I rise in opposition to the motion to recommit.

The SPEAKER pro tempore. The gentleman from Arizona is recognized for 5 minutes.

Mr. GRIJALVA. Mr. Speaker, as was indicated by the gentleman from Utah, the Altmire amendment, which was endorsed by the NRA and the NRA supported the bill with the inclusion of that amendment in its present form, dealt with this issue and dealt with it effectively by reaffirming the right of gun owners and hunters in those public lands. Also in the legislation is a savings clause which guarantees that management prerogatives that are on the land now will remain on the land.

This to me is clearly a bait and switch. It's a gotcha move. These issues have been dealt with in the legislation. It is not a second amendment threat that we are talking about here. We're talking about, more importantly, the issue of public lands and their management. And it might be added that the use of the word “promptly” in the motion to recommit would effectively kill this legislation, a decent, well-crafted, bipartisan legislation supported by many Members in this House.

Let me just read from the letter sent out by the NRA:

“Because of our longstanding support for our hunting heritage and sportsmen's rights, the National Rifle Association will consider the vote on this amendment,” the Altmire amendment, “in our future candidate ratings and endorsement. If the Altmire amendment is adopted, the NRA will withdraw our current opposition to H.R. 2016.”

I repeat again, this motion to recommit is not about protecting the second amendment. This motion to recommit is a ploy to effectively kill the bill. If you cannot win arguments, it appears, through facts and through rational discussion and debate, then you try to win votes by using scare tactics and ploys. This is a ploy to kill the bill.

I urge a “no” vote on the motion to recommit.

Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. Without objection, the previous question is ordered on the motion to recommit.

There was no objection.

The SPEAKER pro tempore. The question is on the motion to recommit. The question was taken; and the Speaker pro tempore announced that the noes appeared to have it.

RECORDED VOTE

Mr. CANNON. Mr. Speaker, I demand a recorded vote.

A recorded vote was ordered.

The SPEAKER pro tempore. Pursuant to clause 9 of rule XX, the Chair will reduce to 5 minutes the minimum time for any electronic vote on the question of passage.

The vote was taken by electronic device, and there were—ayes 208, noes 212, not voting 10, as follows:

ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore (during the vote). Members are advised there are 2 minutes remaining in this vote.

□ 1810

So the bill was passed.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

PERMISSION FOR MEMBER TO BE
CONSIDERED AS FIRST SPONSOR
OF H.R. 3368

Mr. BRADY of Texas. Mr. Speaker, I ask unanimous consent that I may hereafter be considered to be the first sponsor of H.R. 3368, a bill originally introduced by Representative Lantos of California, for the purposes of adding cosponsors and requesting reprintings pursuant to clause 7 of rule XII.

The SPEAKER pro tempore. Is there objection to request of the gentleman from Texas?

There was no objection.

MOTION TO GO TO CONFERENCE
ON H.R. 2419, FOOD AND ENERGY
SECURITY ACT OF 2007

Mr. HOLDEN. Mr. Speaker, by direction of the Committee on Agriculture, I move to take from the Speaker's table the bill (H.R. 2419) to provide for the continuation of agricultural programs through fiscal year 2012, and for other purposes, with a Senate amendment thereto, disagree to the Senate amendment, and agree to the conference asked by the Senate.

The Clerk read the title of the bill.

The motion was agreed to.

A motion to reconsider was laid on the table.

MOTION TO INSTRUCT OFFERED BY MR.

GOODLATTE

Mr. GOODLATTE. Mr. Speaker, I offer a motion to instruct conferees.

The Clerk read as follows:

Mr. Goodlatte moves that the managers on the part of the House at the conference on the disagreeing votes on the two Houses on the Senate amendment to the bill H.R. 2419 be instructed, within the scope of the conference, to—

Disagree to any provision which will result in an increase in taxes.

The SPEAKER pro tempore (Mr. HASTINGS of Florida). Pursuant to clause 7 of rule XXII, the gentleman from Virginia (Mr. GOODLATTE) and the gentleman from Pennsylvania (Mr. HOLDEN) each will control 30 minutes.

The Chair recognizes the gentleman from Virginia.

Mr. GOODLATTE. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I offer this motion to instruct conferees to make clear that tax increases do not belong in a farm bill. While there are still some funding issues that need to be worked out and many policy decisions to be negotiated, these instructions are very clear in stating that tax increases cannot be used to fund the remaining elements of the farm bill.

Again I will read the actual language of the motion, which is that the managers on the part of the House at the conference on the disagreeing votes on the two Houses on the Senate amendment to the bill H.R. 2419 be instructed within the scope of the conference to disagree to any provision which will result in an increase in taxes.

These instructions are very clear in stating that tax increases cannot be used to fund the remaining elements of the farm bill. Farm bills have long enjoyed bipartisan support in this body, and it would be devastating to American agriculture to add a divisive element such as tax increases to this bill.

This conference has been a long time coming, and we are ready to put together a reform-minded farm bill that addresses a variety of issues, including conservation, nutrition, energy, rural development, fruits and vegetables, and forestry, while maintaining a strong safety net for America's farmers and ranchers so that they can continue to meet the growing demand for their products in the global market.

□ 1815

This motion is very important. I expect that there will be strong bipartisan support for this motion, and it's important because we have been down this road of attempting to pass a farm bill for quite some time.

When the bill came out of the House Agriculture Committee last summer, many of the Members on this side of the aisle expected that the amount of money that was added outside of the committee's jurisdiction would not constitute tax increases. We are very disappointed to find that it did include tax increases, and that has definitely bogged down this process for the many, many, many months since.

We have now had some very good discussions with members of other committees that are involved in making sure that we have the ability to move forward and to pay for measures that exceed the amount of money within the jurisdiction of the Agriculture Committee, and those do not include tax increases.

This is, I think, an important statement to be made here and in the other body that we can complete this work without tax increases. We do not need to repeat the mistakes that were made earlier in that regard.

I also think it's very clear that the President of the United States has been very strong in his statement that this bill would be vetoed if it included tax increases. While we continue to work with the administration on a number of other issues, we are making progress there as well.

Again, this would reaffirm, I think, the kind of bipartisan support that it takes to pass a farm bill and get it signed into law.

I urge my colleagues to support this motion to instruct.

Mr. Speaker, I reserve the balance of my time.

Mr. HOLDEN. I want to commend the ranking member of the committee for the hard work that he has done with the chairman of the committee, who is now in a meeting with leadership, as we are trying to iron out the final details of a long process where a lot of people, particularly Chairman PETERSON and Ranking Member GOODLATTE, have put a lot of time and effort to get to this spot in the process where we are. We are hoping that we can meet our deadline of next Friday to see that we can have this conference report completed.

The ranking member has correctly evaluated the process that we have gone through as we try to get to this process, and we are in agreement. We believe that we can pass this farm bill without any tax increases.

Before I yield back the balance of my time, Mr. Speaker, I yield 2 minutes to the gentleman from Wisconsin (Mr. KIND).

Mr. KIND. I thank my friend from Pennsylvania for yielding me this time.

Mr. Speaker, we need a farm bill, and we need it soon. Planting season is
