Mr. RYAN of Wisconsin. Madam Speaker, pursuant to clause 7(c) of rule XXII, I hereby give notice of my intention to offer a motion to instruct conferees on H.R. 2419, the Food and Energy Security Act.

The form of the motion is as follows: Mr. Ryan of Wisconsin moves that the managers on the part of the House on the disagreeing votes of the two Houses on the Senate amendment to the bill H.R. 2419 be instructed, within the scope of the conference, to use the most recent baseline estimates supplied by the Congressional Budget Office when evaluating the costs of the provisions of the report.

TRIBUTE TO DON MYERS

(Mr. SPACE asked and was given permission to address the House for 1 minute.)

Mr. SPACE. Madam Speaker, I rise today to pay tribute to a great man that worked tirelessly to improve the way of life of many Ohioans.

Don Myers was an extraordinary Executive Director of the Ohio Mid-Eastern Governments Association Development District, a position that is at the heart of economic development for one of the most underserved regions of Ohio. During his tenure, the organization helped secure over \$600 million in development and infrastructure improvement for the region. He was the embodiment of the meaning of “community.”

I knew Don Myers well. He was a kind gentleman who carried himself with a great degree of grace, and he will be missed very much by the people in Ohio, his family, his friends and his neighbors.

HONORING THE CITY OF CORAL SPRINGS, FLORIDA

(Mr. KLEIN of Florida asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. KLEIN of Florida. Madam Speaker, I rise today to honor the City of Coral Springs, Florida, on receiving the 2007 Malcolm Baldrige National Quality Award, the Nation’s highest presidential honor for excellence and organizational performance.

In 1993, city management implemented a Total Quality Management Program designed to overhaul operations and service delivery by becoming more customer-focused and quality-oriented. Today, Coral Springs was the first city to receive the award.

The National Institute of Standards and Technology said of the City of
