

Unemployment among construction workers is up to nearly 10 percent, and nearly a million are unemployed. If we just spent \$15 billion on ready-to-go and needed infrastructure projects in this country; roads, bridges, highways, water and sewer systems, we could put 712,000 people to work. That's 712,000 people. We could basically wipe out unemployment in the construction trades. But the President says no. He won't borrow money to invest in America, he will borrow some money to provide some short-term consumption.

Of course, part of the problem with that is those who won't just use it to pay bills, or essentials, which many will, will be buying things that aren't made in America any more. So that money is going to leak overseas to China when they buy that flat screen television with the \$600 or \$800 rebate the President is proposing.

So we need both. We need a stimulus, and that will help some if it's targeted to those most in need, but we also need a long-term reinvestment in our country. It will make us more economically efficient, it will save fuel, and it will put people to work. It's worth borrowing money to do that.

RECESS

The SPEAKER pro tempore. Pursuant to clause 12(a) of rule I, the Chair declares the House in recess until 2 p.m. today.

Accordingly (at 12 o'clock and 42 minutes p.m.), the House stood in recess until 2 p.m.

AFTER RECESS

The recess having expired, the House was called to order by the Speaker pro tempore (Mrs. TAUSCHER) at 2 p.m.

PRAYER

The Chaplain, the Reverend Daniel P. Coughlin, offered the following prayer:

Lord God, You not only design but create. You sustain and shape what we know as reality. In Your hands as the craftsman and artist, we are instruments for a time. Fitting into the palm of Your hands we can accomplish Your will and produce what You have in mind for us. Or we can prove unfit to achieve Your purpose for the task at hand.

Almighty God, help us to see ourselves as instruments in Your hands shaping the times we live in. In addition, enable us to see every other living person as Your creative instrument as well.

Only by relating to each one as Yours can we find our true identity, work together, and truly give You glory, now and forever. Amen.

THE JOURNAL

The SPEAKER pro tempore. The Chair has examined the Journal of the

last day's proceedings and announces to the House her approval thereof.

Pursuant to clause 1, rule I, the Journal stands approved.

PLEDGE OF ALLEGIANCE

The SPEAKER pro tempore. Will the gentleman from Texas (Mr. POE) come forward and lead the House in the Pledge of Allegiance.

Mr. POE led the Pledge of Allegiance as follows:

I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one nation under God, indivisible, with liberty and justice for all.

MEXICAN BORDER RAIDERS HAVE STRUCK AGAIN

(Mr. POE asked and was given permission to address the House for 1 minute.)

Mr. POE. Madam Speaker, in the desert sand dunes near the western town of Yuma, Arizona, Mexican border raiders have struck again. These outlaws snuck into America driving high dollar SUVs. They were smuggling dope into America. But American lawmen were waiting for these bandits. Upon seeing the good guys, however, the drug dealers sped back toward the safe haven of complacent Mexico.

Border Agent Louis Aguilar of El Paso, Texas, cut them off and threw tire spikes into their path. But the illegal driving a fancy Humvee at a speed of 55 miles an hour ran over and killed Agent Aguilar. One witness said "the driver swerved and hit the agent on purpose." The Humvee, bandits and drugs disappeared in the dust across the border to a protected hideout in the badlands of Mexico.

Aguilar was 32, married and had two little kids. The Mexican government said it will find the killers. Yeah, right.

There is a border war going on, Madam Speaker. Agents should have the authority to prevent the infiltration of criminal bandits into our homeland by any legal means necessary. Otherwise, our Nation will continue to be at risk by these invaders.

And that's just the way it is.

Madam Speaker, today we honor the life of Marine Corps Master Sergeant Kenneth Mack, a soldier who strongly believed in the fight for freedom and was a true American hero.

In 1982, shortly after graduating from Southwest High School, Master Sergeant Mack joined the Marines, where he served honorably for 23 years. Master Sergeant Mack was a Postal Service mechanic and Master Sergeant in the Marine Reserve assigned to the
