(Ms. HARMAN asked and was given permission to address the House for 1 minute.)

Ms. HARMAN. Mr. Speaker, I know that everyone is rushing to catch a plane, but I thought we could all welcome a little bit of good news; and that is, that one of our colleagues, KRISTEN GILLIBRAND, gave birth in the middle of the night to her second son. Mama is doing fine. The son is 7 pounds, 14

ounces; 20 inches long. I think she is the first Member of this House to leave an Armed Services markup to go into labor and deliver a child.

I send her good wishes from all of us.

LEGISLATIVE PROGRAM

(Mr. HOYER asked and was given permission to address the House for 1 minute.)

Mr. HOYER. Ladies and gentlemen of the House, it's my understanding we voice-voted the last vote while we were all talking, and therefore, there are no more votes for the day, and we are finished for the week. Have a good weekend.

There will be no votes on Monday, but there is business on Monday. If you have a suspension bill in which you are interested, you need to be here to participate. We have agreed that there would be no votes on Monday, but there will be probably 30 suspension bills considered on Monday. Whatever votes are asked for, we will roll until Tuesday. We will be meeting Tuesday at 10 o'clock.

ISRAEL'S 60th ANNIVERSARY

(Mr. PERLMUTTER asked and was given permission to address the House for 1 minute.)

Mr. PERLMUTTER. Mr. Speaker, I rise today to celebrate Israel on its 60th anniversary. While Israel is frequently cited as a model of democracy in the Middle East, I would like to focus on Israel's advances in embryonic stem cell research.

The United States is still trying to fully harness the potential of this valuable research. We aim to cure debilitating diseases like Parkinson's, diabetes, epilepsy, spinal injuries, and others. But for years at facilities like Hebrew University, Tel Aviv University, the Weizmann Institute, and many others, Israeli scientists have blazed a path for the rest of the world to follow.

For 60 years, Americans and Israelis have built a friendship embracing all that we share, and as the United States works to unlock the promise of embry-

onic stem cell research, we find yet another reason our friend Israel is so special.

HONORING DALE JARRETT

(Mr. MCHENRY asked and was given permission to address the House for 1 minute.)

Mr. MCHENRY. Mr. Speaker, I rise today to honor NASCAR legend Dale Jarrett. This weekend marks the last race of NASCAR legend Dale Jarrett's long career. May 17 at the All-Star race at Lowe's Motor Speedway will be his last time driving the UPS car.

Dale was born in Newton, North Carolina, my district, and got his start at the Hickory Motor Speedway, a track owned and operated by his father, another NASCAR legend, Ned Jarrett. Dale went on to compete in 668 races, winning 32 times with 260 top-tens and 16 poles. What a career. And in 1999, he was a Winston Cup champ.

One of NASCAR's greatest drivers is Dale Jarrett, and I'm proud to call him a constituent. My community is grateful for his service, honored by his presence, and again, grateful for his contribution in the charitable sector as well.

NASCAR will miss him, but we're still grateful to have him on TV. Here's to Dale Jarrett.

PERSONAL EXPLANATION

Ms. JACKSON-LEE of Texas. Mr. Speaker, I missed the vote on the Altmire amendment to the Waters housing bill last week. Had I been present, I would have voted "no."

AMERICAN VOICES HAVE BEEN HEARD

(Ms. JACKSON-LEE of Texas asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. JACKSON-LEE of Texas. Mr. Speaker, I rise today to announce to the American people that their voices have been heard.

Today, this House voted down the \$180 billion war funding bill that the President requested. It is time now for Americans to be heard and for this Congress to move forward on the safe redeployment of our troops.

In addition, Mr. Speaker, I offered amendments to declare the authorization of 2002 expired. I hope we will address that question and to announce or to establish a national day of honor in celebration to bring our troops home.

With the utilization of the \$180 billion, we can begin an economic stimulus package that would include the work that the Congressional Black Caucus and Majority Whip CLYBURN and myself have been supporting, and that is to provide for \$1 billion or \$500 million for summer job programs.

This is an emergency. Our young people are finding the doors of opportunity
