CONGRESSIONAL BASEBALL GAME

(Mr. BARTON of Texas asked and was given permission to address the House for 1 minute.)

Mr. BARTON of Texas. Mr. Speaker, last Thursday evening, at Nationals Stadium, we had the 47th Annual Congressional Baseball Game. The true winners of the game were the Washington Literacy Council and the Boys & Girls Clubs of the Washington, D.C. area.

In terms of the score on the field, in the most thrilling game that I have been associated with in the last 21 years that I have played, coached or managed, in the bottom of the seventh with the bases loaded and one out and the Democrats leading 10-9, CONNIE MACK hit a dart back to the pitcher, Mr. BACA, who threw home for a force out making two outs. And then unfortunately for my friends on the Democratic side, the catcher overthrew the first baseman allowing two runs to score, the winning run by the speedy ADAM PUTNAM of Florida for a thrilling 11-10 victory. Our MVP on the Republican side was KEVIN BRADY of The Woodlands, Texas.

The class of 1996, which includes KEVIN BRADY, MVP; KENNY HULSHOF, who was our first baseman, CHIP PICKERING; the third baseman; JEFF FLAKE, center fielder; VIRGIL GOODE, right fielder; TOM DAVIS, one of our tricapitans; PETE SESSIONS, our third-base coach; and SAM GRAVES who was a pinch runner and hitter, those players in the 12 years that they have played in the game have an 11-1 record, which I think is amazing.

I want to thank Speaker NANCY PELOSI for attending the game, Majority Leader STENY HOYER for attending the game, and I want to thank my good friend, MIKE DOYLE, for his excellent job of managing. It can truly be said that this year, the Democrats had victory in their grasp and took pity on us and allowed us to win one more time.

Mr. DOYLE. Will the gentleman yield?

Mr. BARTON of Texas. I will be happy to yield.

Mr. DOYLE. Mr. Speaker, as manager of the Democratic team, we want to congratulate our friends over on the Republican side in what had to be one of the most exciting games, certainly for the fans to watch, a little less exciting from our perspective. I just want to say our guys, the top of the seventh inning, we were down 8-4, and it was our last at-bat. And it would have been easy to fold. But our guys came back, scored six runs to put this game into the bottom of the seventh inning in one of the most exciting games we've seen. I think parity has finally arrived in the House baseball game.

We look forward to playing our friends across the aisle next year.

The big winner, of course, is our charities, the Washington Boys & Girls

Clubs and the Washington Literacy Council. We have co-MVPs this year. JOE BACA pitched another outstanding performance for the Democrats. And one of our new Members, who caught an outstanding game and who had a hot bat for us, CHRIS MURPHY, was our co-MVP.

Once again, if you have to lose to somebody, JOE BARTON is the kind of guy you don't mind losing to. He is a great gentleman, a big fan of the game and one of my dear friends.

Congratulations, JOE. Congratulations to the Republicans.

Mr. BARTON of Texas. Thank you.

I will say, Mr. Speaker, that with our retirements, I am now open, assuming I am the manager, I would love to have some new blood. If there are some Democrats who didn't get playing time, if you want to switch parties, we are open for business. And to TOM COLE at the NRCC, please, please recruit us some new flat bellies.

Mr. DOYLE. Will the gentleman yield?

If we're going to have so many new players next year, we might have some extras for you.

Mr. BARTON of Texas. Thank you.

CERTIFICATION THAT EXPORT TO CHINA OF CERTAIN LISTED ITEMS IS NOT DETRIMENTAL TO U.S. SPACE LAUNCH INDUSTRY—MESSAGE FROM THE PRESIDENT OF THE UNITED STATES (H. DOC. NO. 110-135)

The SPEAKER pro tempore laid before the House the following message from the President of the United States; which was read and, without objection, referred to the Committee on Foreign Affairs and ordered to be printed:

To the Congress of the United States:

In accordance with the provisions of section 1512 of the Strom Thurmond National Defense Authorization Act for Fiscal Year 1999 (Public Law 105-261), I hereby certify that the export of 22 accelerometers for incorporation into railway geometry measurement systems and one 20-inch fluid energy mill for production of nutritional supplements is not detrimental to the United States space launch industry, and that the material and equipment, including any indirect technical benefit that could be derived from such exports,
