REPORT ON RESOLUTION PROVIDING FOR CONSIDERATION OF H.R. 3667, MISSISQUOI AND TROUT RIVERS WILD AND SCENIC RIVER STUDY ACT OF 2008

Ms. CASTOR, from the Committee on Rules, submitted a privileged report (Rept. No. 110-834) on the resolution (H. Res. 1419) providing for consideration of the bill (H.R. 3667) to amend the Wild and Scenic Rivers Act to designate a segment of the Missisquoi and Trout Rivers in the State of Vermont for study for potential addition to the National Wild and Scenic Rivers System, which was referred to the House Calendar and ordered to be printed.

PROVIDING HOUSE EMPLOYEES WITH OPTION OF RECEIVING ELECTRONIC PAY STUBS

Mr. BRADY of Pennsylvania. Mr. Speaker, I move to suspend the rules and agree to the resolution (H. Res. 1207) directing the Chief Administrative Officer of the House of Representatives to provide individuals whose pay is disbursed by the Chief Administrative Officer by electronic funds transfer with the option of receiving receipts of pay and withholdings electronically, as amended.

The Clerk read the title of the resolution.

The text of the resolution is as follows:

H. RES. 1207

Resolved,

SECTION 1. PROVIDING INDIVIDUALS PAID BY CHIEF ADMINISTRATIVE OFFICER OF THE HOUSE OF REPRESENTATIVES WITH THE OPTION OF RECEIVING RECEIPTS OF PAY ELECTRONICALLY.

(a) IN GENERAL.—The Chief Administrative Officer of the House of Representatives shall

take such steps as may be necessary to provide each individual whose pay is disbursed by the Chief Administrative Officer by electronic funds transfer with the option of receiving the receipt of the pay and the accompanying withholdings electronically, the option of viewing electronically the individual's employee statement required under section 6051 of the Internal Revenue Code of 1986, and the option of revising electronically (to the extent permitted under applicable law and regulations) the individual's number of deductions and withholdings under that statement and information relating to the deposit of the individual's funds with the financial institution to which the electronic funds transfer is made.

(b) ELECTRONIC FUNDS TRANSFER DEFINED.—In subsection (a), the term "electronic funds transfer" has the meaning given such term by section 3332 of title 31, United States Code.

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Pennsylvania (Mr. BRADY) and the gentleman from Michigan (Mr. EHLERS) each will control 20 minutes.

The Chair recognizes the gentleman from Pennsylvania.

GENERAL LEAVE

Mr. BRADY of Pennsylvania. Mr. Speaker, I ask that all Members have 5 legislative days in which to revise and extend their remarks in the RECORD on this bill.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Pennsylvania?

There was no objection.

Mr. BRADY of Pennsylvania. I yield myself as much time as I may consume.

Mr. Speaker, this resolution is a commonsense step in modernization of our pay system. It would offer Members and staff the option, not the requirement, of receiving their pay stubs electronically. It would also make W-2 forms available electronically and allow individuals to change the deductions and withholdings, and to electronically redesignate the depository institutions for their electronic deposits.

Not only will this simplify pay records for Members and staff, it will reduce paper waste to support the Speaker's Green the Capitol Initiative.

This resolution has strong bipartisan support. Once it has been adopted in the House, and the committee will work with the CAO to ensure a smooth transition.

Mr. Speaker, I reserve the balance of my time.

Mr. EHLERS. Mr. Speaker, I rise in strong support of H. Res. 1207, which would enable House staff to receive their pay stubs electronically and encourages the CAO to make further technological improvements that would enable employees to make changes in withholding, deductions or deposits electronically.

Increasingly, individuals are using technology to keep track of their financial information, and putting key data such as compensation information online will assist many in their efforts to keep track of their finances.

With the impact of junk mail, paper bills and other items delivered via

postal mail, reducing the amount of wasted paper, even by a single item each month, would be good for the environment and likely will be a welcome change for many employees.

□ 1530

In this spirit of developing online tools for House staff, I also introduced an amendment to this bill that would direct the CAO to allow employees to make changes in withholdings, deductions, or deposits electronically. Not only would this service be of great use to employees, but it would also lessen the burden on payroll counselors who currently make these types of routine adjustments manually, which would in turn free them up to handle more complex questions that are not suited to a self-service model.

I am pleased that the committee voted unanimously to accept the amendment. I thank the chairman for his leadership in bringing this bill to the floor. I urge my colleagues to vote in favor of H. Res. 1207.

I reserve the balance of my time.

Mr. BRADY of Pennsylvania. Mr. Speaker, I reserve the balance of my time.

Mr. EHLERS. Mr. Speaker, I am pleased to yield such time as she may consume to the gentlelady from North Carolina (Ms. FOXX).

Ms. FOXX. I would like to thank Chairman BRADY, Ranking Member EHLERS for bringing this bill to the floor and for their kind comments. What they have said is what we are attempting to do, which is to bring an important innovative and needed resolution to the House for consideration. I would also like to thank Alec Hoppes of the Committee on House Administration for working with my staff to bring this bill forward. A separate thank you to Mr. EHLERS for offering his amendment which makes the bill an even better bill by including additional services to be made available to House employees.

While many private companies, corporations, and State governments like Florida, Idaho, Kentucky, South Dakota, and Nebraska give the option of accessing employee pay stubs electronically, e-stubs, the U.S. House of Representatives does not. Safer than receiving pay stubs by snail mail, electronically accessing pay stubs saves money and an immeasurable amount of paper.

H. Res. 1207 would simply direct the Chief Administrative Officer of the House of Representatives to take the steps necessary to provide House Members, their staff, committee staff, legislative counsel, Sergeant at Arms employees, and all other employees whose pay is disbursed by the Chief Administrative Officer of the House the option of accessing their pay stub electronically.

Moving forward with technological advances means going paperless with pay stubs as so many employers have already done. I urge my colleagues in
