

Cyber Security Alliance and the Multi-State Information Sharing and Analysis Center, has designated October 2008 as the fifth annual National Cyber Security Awareness Month which serves to educate the people of the United States about the importance of computer security: Now, therefore, be it

*Resolved*, That the Senate—

(1) supports the goals and ideals of National Cyber Security Awareness Month;

(2) congratulates the National Cyber Security Division of the Department of Homeland Security, the National Cyber Security Alliance, the Multi-State Information Sharing and Analysis Center, and other organizations working to improve cyber security in the United States on the fifth anniversary of the National Cyber Security Month during October 2008; and

(3) continues to work with Federal agencies, national organizations, businesses, and educational institutions to encourage the development and implementation of voluntary standards, practices, and technologies in order to enhance the state of computer security in the United States.

#### NATIONAL MAMMOGRAPHY DAY

The resolution (S. Res. 698) designating October 17, 2008, as “National Mammography Day,” was agreed to.

The preamble was agreed to.

The resolution, with its preamble, reads as follows:

S. RES. 698

Whereas, according to the American Cancer Society, in 2008, 182,460 women will be diagnosed with invasive breast cancer and 40,480 women will die from that disease;

Whereas it is estimated that about 2,000,000 women were diagnosed with breast cancer in the 1990s, and that in nearly 500,000 of those cases the cancer resulted in death;

Whereas approximately 3,000,000 women in the United States are living with breast cancer, about 2,300,000 have been diagnosed with the disease, and an estimated 1,000,000 do not yet know they have the disease;

Whereas African-American women suffer a 36 percent greater mortality rate from breast cancer than White women and more than a 100 percent greater mortality rate from breast cancer than women from Hispanic, Asian, and American Indian populations;

Whereas the risk of breast cancer increases with age, with a woman at age 70 having twice as much of a chance of developing the disease as a woman at age 50;

Whereas at least 90 percent of the women who get breast cancer have no family history of the disease;

Whereas mammograms, when operated professionally at a certified facility, can provide safe screening and early detection of breast cancer in many women;

Whereas mammography is an excellent method for early detection of localized breast cancer, which has a 5-year survival rate of 98 percent;

Whereas the National Cancer Institute and the American Cancer Society continue to recommend periodic mammograms; and

Whereas the National Breast Cancer Coalition recommends that each woman and her health care provider make an individual decision about mammography: Now, therefore, be it

*Resolved*, That the Senate—

(1) designates October 17, 2008, as “National Mammography Day”; and

(2) encourages the people of the United States to observe the day with appropriate programs and activities.

#### FIRE PREVENTION WEEK

The resolution (S. Res. 699) supporting the goals and ideals of Fire Prevention Week, was agreed to.

The preamble was agreed to.

The resolution, with its preamble, reads as follows:

S. RES. 699

Whereas firefighters have maintained their dedication to the health and safety of the American public since the first American fire departments were organized in the colonial era;

Whereas more than 1,140,000 firefighters protect the United States through their heroic service;

Whereas approximately 1,600,000 fires are reported annually;

Whereas 102 firefighters lost their lives in the line of duty in 2007;

Whereas fire departments responded to nearly 400,000 home fires in 2006;

Whereas, in 2006, there were an estimated 396,000 reported home structure fires resulting in 2,580 civilian deaths and 12,500 civilian injuries, and \$6,800,000,000 in direct damage in the United States;

Whereas home fires cause 80 percent of civilian fire deaths and 76 percent of injuries;

Whereas heating equipment and smoking are the leading causes of civilian home fire deaths;

Whereas children under 5 and older adults face the highest risk of home fire death, but young adults face a higher risk of home fire injury;

Whereas electrical distribution and lighting equipment were involved in an estimated 20,900 reported home fires in 2005;

Whereas home fires in 2005 resulted in 500 civilian deaths and 1,100 injuries, with an estimated \$862,000,000 in direct property damage per year;

Whereas working smoke alarms cut the risk of dying in reported home structure fires in half;

Whereas 65 percent of reported home fire deaths in 2000 through 2004 resulted from fires in homes with no smoke alarms or no working smoke alarms;

Whereas Fire Prevention Week is the longest running public health and safety observance on record;

Whereas we have honored firefighters for educating the American public since President Harding declared the first Fire Prevention Week in 1922;

Whereas the National Fire Protection Association has designated the week of October 5-11, 2008, as Fire Prevention Week; and

Whereas educating Americans on methods to prevent home fires continues to be a priority for all firefighters: Now, therefore, be it

*Resolved*, That the Senate—

(1) supports the work of firefighters to educate and protect the Nation's communities; and

(2) supports the goals and ideals of Fire Prevention Week, October 5-11, 2008, as designated by the National Fire Protection Association.
