Whereas on May 14, 1948, the people of Israel proclaimed the establishment of the sovereign and independent State of Israel, and the United States Government established full diplomatic relations with Israel;

Whereas the desire of the Jewish people to establish an independent modern State of Israel is an outgrowth of the existence of the historic kingdom of Israel established in the Land of Israel 3,000 years ago, with the city of Jerusalem as its capital;

Whereas for over 2,000 years, there has been continuous Jewish presence and residence in the land comprising the modern State of Israel;

Whereas the establishment of the modern State of Israel as a homeland for the Jewish people followed the slaughter of more than

6,000,000 European Jews during the Holocaust;

Whereas since its establishment 60 years ago, the modern State of Israel has rebuilt a nation, forged a new and dynamic democratic society, and created a thriving economic, political, cultural, and intellectual life despite the heavy costs of war, terrorism, and unjustified diplomatic and economic boycotts against the people of Israel;

Whereas the people of Israel have established a vibrant, pluralistic, democratic political system, including freedom of speech, association, and religion; a vigorously free press; free, fair and open elections; the rule of law; a fully independent judiciary; and other democratic principles and practices;

Whereas Israel has developed some of the leading universities in the world, and 8 Israeli citizens have been awarded the Nobel Prize;

Whereas Israel has developed an advanced, entrepreneurial economy, is among the world's leaders in the high-tech industry, and is at the forefront of research and development in the field of renewable energy sources;

Whereas Israel regularly sends humanitarian aid, search-and-rescue teams, mobile hospitals, and other emergency supplies, to help victims of disasters around the world, including the 1994 Rwandan civil war, the 1998 bombing of the United States Embassy in Kenya, the 1999 earthquakes in Turkey, the 2004 Indian Ocean tsunami, the 2005 hurricanes along the southern coast of the United States, and the 2007 fires in Greece;

Whereas Israel has absorbed millions of Jews from countries throughout the world and fully integrated them into Israeli society;

Whereas Israel has bravely defended itself from repeated terrorist and military attacks since its independence;

Whereas successive leaders of Israel have sought to achieve peace with Israel's Arab neighbors;

Whereas Israel has established peaceful bilateral relations with neighboring Egypt and Jordan and has made its desire to establish peaceful relations with all Arab states abundantly clear;

Whereas for 6 decades, the United States and Israel have maintained a special relationship based on mutually shared democratic values, common strategic interests, and moral bonds of friendship and mutual respect;

Whereas the American people feel a strong affinity for the Israeli people based on common values and shared cultural heritage; and

Whereas the United States continues to regard Israel as a strong and trusted ally and an important strategic partner: Now, therefore, be it

(5) reaffirms its enduring support for Israel as Israel pursues peace with its neighbors; and

(6) extends the warmest congratulations and best wishes to the State of Israel and the Israeli people for a peaceful, prosperous, and successful future.

GLOBAL YOUTH SERVICE DAY

Mr. REID. Mr. President, I ask unanimous consent that the Senate now proceed to S. Res. 528.

The PRESIDING OFFICER. The clerk will report.

The assistant legislative clerk read as follows:

A resolution (S. Res. 528) designating April 25, 2008, as “Global Youth Service Day.”

There being no objection, the Senate proceeded to consider the resolution.

Ms. MURKOWSKI. Mr. President, I rise in support of a resolution designating April 25, 2008, as “Global Youth Service Day.” This resolution recognizes and commends the significant community service efforts that youth are making in communities across the country and around the world on April 25 and every day. This resolution also encourages the citizens of the United States to acknowledge and support these volunteer efforts.

Over the weekend beginning this Friday, April 25, youth from across the United States and around the world will carry out community service projects in areas ranging from hunger to literacy to the environment. Through this service, many will embark on a lifelong path of service and civic engagement in more than 100 countries around the world.

This event is not isolated to one weekend a year. Global Youth Service Day is an annual public awareness and education campaign that highlights the valuable contributions that young people make to their communities throughout the year.

Mr. President, the participation of youth in community service is not just a “nice idea” for a way to spend a Saturday afternoon. Youth who are engaged in volunteer service and service-learning activities do better in school than their classmates who do not volunteer. Youth who engage in volunteering and other positive activities are also more likely to avoid risky behaviors, such as drug and alcohol use, crime, and promiscuity. Service within the community also contributes positively to young people’s character development, civic participation, and better understanding of the needs of their neighbors.

A recent survey by Civic Enterprises found that 47 percent of high school dropouts reported that boredom in school was a primary reason why they dropped out. High quality service-learning activities can, however, help young people make important connections between the curriculum and the challenges they see in their communities.

It is important, therefore, that the United States Senate encourage youth to engage in community service and to congratulate them for the service they provide.

In an effort to recognize and support youth volunteers in my State, I am proud to acknowledge some of the activities that will occur this year in

Alaska in observance of National and Global Youth Service Day:

1. Anchorage’s Promise, which works to mobilize all sectors of the community to build the character and competence of Anchorage’s children and youth, is again sponsoring the annual Kids’ Day three-day events in Anchorage this year. Youth will provide significant service to their peers and to adults who attend Kids’ Day activities: Students from King Career Center will serve as volunteer safety patrols. Students from the University of Alaska Anchorage will serve as greeters. Members of the West High School Junior ROTC will provide security. The youth members of the American Co-Ed Pageants will serve as entertainment directors. Students at Chugiak High School will help their younger peers with bicycle and seatbelt safety demonstrations. Youth volunteers at the Imaginarium will help with displays and lead groups of visitors through the hands-on experiments. Youth docents at the Anchorage Museum will help youth visitors explore the museum. Youth will also organize a Book Give-Away and provide entertainment through song, dance, gymnastics, and karate.

In addition to the Kids’ Day events, young people from every region of Alaska will serve their communities in the following ways:

2. Young members of the Kiwanis Key Club will, through the RYLA Youth Leadership program, perform various service projects from March through May.

3. Alaska Youth for Environmental Action will sponsor A Week Without Plastics activities in Anchorage, Palmer, Fairbanks, Juneau, Homer, Yakutat, and Sitka. Youth organizers will help educate their communities, through various outreach activities, on the effects of plastics on our environment.

4. Youth in the Anchorage School District will host a dance to raise funds for economically disadvantaged students who do not qualify for a free or reduced price school lunch; make daily checks for recyclable items, and hold a fundraiser for lymphoma and leukemia research.

5. In partnership with the Anchorage Municipal Libraries, youth will help organize the city’s summer reading program and materials.

6. In partnership with Covenant House and Congregation Beth Shalom, young people in Anchorage will involve their peers in transforming old T-shirts into reusable grocery bags.

7. 4-H and other youth volunteers, in partnership with the Alaska Zoo in Anchorage, will provide plastics education information and participate in the planting of trees for Earth Day.

8. In Ketchikan, the Boys and Girls Club will sponsor a city-wide clean-up involving many elementary, middle schools and high school students.

9. From January through May, young people whose parents are stationed at
