STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Mr. SMITH (for himself and Mr. WYDEN):

S. 3015. A bill to designate the facility of the United States Postal Service located at 18 S. G Street, Lakeview, Oregon, as the "Dr. Bernard Daly Post Office Building"; to the Committee on Homeland Security and Governmental Affairs.

Mr. SMITH. Mr. President, I rise today to introduce a bill to rename the Lakeview Post Office after Dr. Bernard Daly. I am pleased to have my colleague Senator WYDEN join me in this effort by serving as original cosponsor of this bill.

Dr. Bernard Daly was an American country doctor, businessman, banker, rancher, state representative, state senator, county judge, and regent of Oregon State Agricultural College, today's Oregon State University. As early as 1888, Dr. Bernard Daly began actively encouraging young people to apply for college. When families could not afford the tuition, Daly quietly paid the bill.

During a Christmas Eve party in 1894, an oil lamp started a fire in a crowded community hall in the small town of Silver Lake, Oregon. Forty-three people were killed in the blaze, and many more were badly injured. Dr. Daly traveled by buggy from Lakeview to Silver Lake, a distance of 95 miles, over bad, snow covered roads to help victims of the tragedy. It took 24 hours of continuous travel for him to reach Silver Lake. Despite the long journey, he began treating burn victims as soon as he arrived, and continued without rest until everyone had been seen. Dr. Daly saved all but three of the badly burned persons, and his methods of healing were later published in detail in a medical journal. The fire was widely reported and written about in *The Oregon Desert*. Dr. Daly's efforts to reach

and treat the victims earned state-wide recognition and many admirers.

When Dr. Daly died, he gave his fortune to the people of Lake County in the form of the Bernard Daly Educational Fund. Dr. Daly wrote in his will: "It is my earnest desire to help, aid and assist worthy and ambitious young men and women of my beloved county of Lake, to acquire a good education, so that they may be better fitted and qualified to appreciate and help to preserve the laws and constitution of this free country, defend its flag, and by their conduct as good citizens reflect honor on Lake county and the state of Oregon." The fact that his will specifically directed that Daly scholarships be granted to women as well as men was very progressive for that era.

Each year, approximately 40 graduates of Lake County high schools receive Daly scholarships. To date, well over two thousand students from Lakeview and other Lake County communities have used Bernard Daly's generous scholarships to attend college. Dr. Daly's educational trust fund has financed college educations for generations of Lake County, Oregon students, a legacy that continues to this day.

I have received several messages from across the country and even one from Australia supporting the renaming of the Lakeview Post Office after Dr. Bernard Daly. Each one told a story of sincere appreciation for Dr. Daly's generosity.

We urge our colleagues to support this important piece of legislation.

By Mr. LEVIN (for himself and Ms. STABENOW):

S. 3017. A bill to designate the Beaver Basin Wilderness at Pictured Rocks National Lakeshore in the State of Michigan; to the Committee on Energy and Natural Resources.

Mr. LEVIN. Mr. President, today I am introducing with Senator STABENOW the Beaver Basin Wilderness Act, which would permanently protect 11,740 acres within the Pictured Rocks National Park located in Michigan's Upper Peninsula along the south shore of Lake Superior. Also known as the Beaver Basin area, this area comprises about 16 percent of the national lakeshore. The Wilderness designation would ensure that opportunities to appreciate and enjoy nature in a relatively undisturbed state at this national lakeshore are preserved for future generations.

The bill responds to many of the concerns expressed during the 5-year development of the General Management Plan for Pictured Rocks, which included a wilderness study, and involved extensive public involvement. Boats powered by electric motors would be allowed on Little Beaver and Beaver Lakes within the Wilderness area. All motor boats would be allowed to access the miles of the Lake Superior shoreline, as the wilderness area does not include the Lake Superior surface water.
