#### BLACKSTONE VALLEY TOURISM COUNCIL

● Mr. REED. Madam President, last week was National Tourism Week, established by Congress in 1983 and celebrated annually since May 1984. To mark this 25th celebration, I would like to recognize the accomplishments of the Blackstone Valley, which recently won international recognition for its sustainable tourism program.

Last month, the World Travel and Tourism Council recognized only one destination in America, the Blackstone Valley of Rhode Island and Massachusetts, with the Destination Award for 2008. This honor was bestowed upon the Blackstone Valley Tourism Council to recognize the organization's trailblazing destination stewardship approach to tourism development, including its work to preserve the area's natural, cultural, and historical heritage.

At the heart of the valley is the Blackstone River, which runs from

Worcester, MA, to Providence, RI. The river's waters once powered the Slater Mill in Pawtucket, which was America's first successful textile mill and the birthplace of the Industrial Revolution in this country. While this transition from farm to factory brought many years of prosperity, by the 1970s, the valley's economy had declined as industry moved on from the area, leaving behind a tarnished facade and environmental damage.

Today, thanks to the coordinated efforts of the Blackstone Corridor Commission, the National Park Service, the Blackstone Valley Tourism Council, businesses, environmental organizations, 24 municipalities, and the States of Rhode Island and Massachusetts, the valley has made a remarkable resurgence as a living landscape of natural and historic treasures.

The Blackstone Valley Tourism Council has shown that eco-friendly tourism can revitalize a weakened economy, restore natural surroundings, and revive residents' pride in their communities. Through innovative programs like the Sustainable Tourism Development and Planning Laboratory, the tourism council has created a model for destinations around the country to follow. It is a notable achievement for any river to be at the center of a revolution; but it is a rare feat for the Blackstone River to have spawned two.

I congratulate the people of the Blackstone Valley and the Tourism Council for spearheading an economic redevelopment strategy that has made great strides in improving the quality of life in the area.●

#### REPORT ON THE CONTINUATION OF THE NATIONAL EMERGENCY THAT WAS ORIGINALLY DECLARED IN EXECUTIVE ORDER 13047 OF MAY 20, 1997, WITH RESPECT TO BURMA, AS RECEIVED DURING ADJOURNMENT OF THE SENATE ON MAY 16, 2008—PM 49

The PRESIDING OFFICER laid before the Senate the following message from the President of the United States, together with an accompanying report; which was referred to the Committee on Banking, Housing, and Urban Affairs:

#### *To the Congress of the United States:*

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. I have sent the enclosed notice to the *Federal Register* for publication, stating that the Burma emergency is to continue beyond May 20, 2008.

The crisis between the United States and Burma arising from the actions

and policies of the Government of Burma, including its engaging in large-scale repression of the democratic opposition in Burma, that led to the declaration of a national emergency on May 20, 1997, and its expansion on October 18, 2007, and April 30, 2008, has not been resolved. These actions and policies are hostile to U.S. interests and pose a continuing unusual and extraordinary threat to the national security and foreign policy of the United States. For this reason, I have determined that it is necessary to continue the national emergency with respect to Burma and maintain in force the sanctions against Burma to respond to this threat. This action does not inhibit any efforts on the part of the United States to provide humanitarian assistance to the people of Burma in the aftermath of Cyclone Nargis.

GEORGE W. BUSH.  
THE WHITE HOUSE, May 16, 2008.
