Whereas a direct support professional provides essential support to help keep an individual with disabilities connected to the family and community of the individual;

Whereas direct support professionals enable individuals with disabilities to live meaningful, productive lives;

Whereas direct support professionals are the key to allowing an individual with disabilities to live successfully in the community of the individual, and to avoid more costly institutional care;

Whereas the majority of direct support professionals are female, and many are the sole breadwinners of their families;

Whereas direct support professionals work and pay taxes, but many remain impoverished and are eligible for the same Federal and State public assistance programs on which the individuals with disabilities served by the direct support professionals must depend;

Whereas Federal and State policies, as well as the Supreme Court, in Olmstead v. L.C., 527 U.S. 581 (1999), assert the right of an individual to live in the home and community of the individual;

Whereas, in 2008, the majority of direct support professionals are employed in home and community-based settings and this trend is projected to increase over the next decade;

Whereas there is a documented critical and growing shortage of direct support professionals in every community throughout the United States; and

Whereas many direct support professionals are forced to leave jobs due to inadequate wages and benefits, creating high turnover and vacancy rates that research demonstrates adversely affects the quality of support to individuals with disabilities: Now, therefore, be it

Resolved, That the Senate—

(1) designates the week beginning September 8, 2008, as ''National Direct Support Professionals Recognition Week'';

(2) recognizes the dedication and vital role of direct support professionals in enhancing the lives of individuals with disabilities of all ages;

(3) appreciates the contribution of direct support professionals in supporting the needs that reach beyond the capacities of millions of families in the United States;

(4) commends direct support professionals as integral in supporting the long-term support and services system of the United States; and

(5) finds that the successful implementation of the public policies of the United States depends on the dedication of direct support professionals.

PROGRAM

Mr. REID. Mr. President, we are going to be able to move through this PEPFAR legislation. It would be good for our country if we pass it. I also have spoken to the Speaker. She agrees with me and Senator MCCONNELL that we should move this housing fix quickly. The President and his people have submitted to us some language that we think, from all we can tell, is appropriate. Senator DODD is agreeing we should move forward. I think there is a sense we should do this within the next couple of days. This is something that is important.

With the housing crisis, the main reason we do this is to make sure people understand that we have faith in our financial markets. Fannie and Freddie, we believe, with the attention being focused on them over the weekend and today, have stabilized, and that is the way it should be. We are going to try to move forward on this very quickly.

ORDERS FOR TUESDAY, JULY 15, 2008

Mr. REID. Mr. President, I ask unanimous consent that when the Senate completes its business today, it stand adjourned until 10 a.m. tomorrow, Tuesday, July 15; that following the prayer and pledge, the Journal of proceedings be approved to date, the time for the two leaders be reserved for their use later in the day, and the Senate proceed to a period of morning business for up to 1 hour, with the time equally divided and controlled between the two leaders or their designees, with the Republicans controlling the first half and the majority controlling the second half; that following morning business, the Senate resume consideration of S. 2731, the Global AIDS bill, and when the Senate resumes consideration of the bill, the majority leader or his designee be recognized to move to table the DeMint amendment No. 5078. I further ask the Senate stand adjourned from 12:30 to 2:15 p.m. to allow for the weekly policy luncheons.

The PRESIDING OFFICER. Without objection, it is so ordered.

Mr. REID. I would say, Mr. President, Senators should expect the first vote of the day to occur as early as 11 a.m. tomorrow morning.

ADJOURNMENT UNTIL 10 A.M. TOMORROW

Mr. REID. Mr. President, if there is no further business to be brought before the Senate, I ask unanimous consent that it stand adjourned under the previous order.

There being no objection, the Senate, at 7:27 p.m., adjourned until Tuesday, July 15, 2008, at 10 a.m.
