

Whereas there is strong evidence to believe that Administrator Johnson, at a minimum, provided misleading and intentionally incomplete statements to congressional committees regarding the California waiver issue and, at worst, has given false testimony before those committees;

Whereas, for example, Administrator Johnson on numerous occasions testified before the Committee on Environment and Public Works of the Senate that he based his denial of the California waiver request on California's failure to meet the "compelling and extraordinary" circumstances criterion under section 209(b) of the Clean Air Act (42 U.S.C. 7543(b)), and that he reached this decision independently;

Whereas, testimony by a former senior Environmental Protection Agency official, Jason Burnett, reveals that in fact Administrator Johnson had determined that California met the requirements for a waiver under that Act and had communicated his plan to partially grant the waiver to the Administration in a meeting at the White House, only to reverse course and deny the waiver after White House officials "clearly articulated" President Bush's "policy preference" for a single regulatory system, even though the Clean Air Act clearly contemplates a dual system in cases in which the statutory criteria for the waiver are met;

Whereas Mr. Burnett's testimony was that Administrator Johnson was prepared to grant the California waiver until it was "clearly articulated" to him that the President preferred a different approach;

Whereas Administrator Johnson's sworn testimony before the Committee on Environment and Public Works of the Senate appears to have been designed to mislead Congress and the people of the United States regarding the extent to which the White House intervened in the decision to deny the California waiver, despite the conclusion of career staff at the Environmental Protection Agency, and evidently of the Administrator himself, that the statutory criteria for granting the waiver under the Clean Air Act had been met; and

Whereas the Environmental Protection Agency is an agency in crisis and is in need of leadership dedicated to tackling the enormous public health and environmental issues faced by our country and our planet, in an independent manner that comports with science and the law and is immune from political interference: Now, therefore, be it

Resolved, That it is the sense of the Senate that—

(1) the Senate has lost confidence in the Administrator of the Environmental Protection Agency, Stephen L. Johnson;

(2) Administrator Johnson should resign his position immediately; and

(3) the Department of Justice should open an investigation into the veracity of his congressional testimony regarding the California waiver decision and to pursue any prosecutorial action the Department determines to be warranted.

**SENATE CONCURRENT RESOLUTION
96—COMMEMORATING
IRENA SENDLER, A WOMAN
WHOSE BRAVERY SAVED THE
LIVES OF THOUSANDS DURING
THE HOLOCAUST AND REMEM-
BERING HER LEGACY OF COUR-
AGE, SELFLESSNESS, AND HOPE.**

Mr. REID (for Mr. OBAMA (for himself and Mr. SPECTER)) submitted the following concurrent resolution; which was referred to the Committee on the Judiciary:

S. CON. RES. 96

Whereas on May 12, 2008, Irena Sendler, a living example of social justice, died at the age of 98;

Whereas Irena Sendler repeatedly risked her life during the Holocaust to rescue over 2,500 Jewish children who lived in the Warsaw ghetto in Poland from Nazi extermination;

Whereas Irena Sendler was inspired by her father, a physician who treated poor Jewish patients, to dedicate her life to others;

Whereas Irena Sendler became an activist at the start of World War II, heading the clandestine group Zegota and driving an underground movement that provided safe passage for Jews from the Warsaw ghetto who faced disease, execution, or deportation to concentration camps;

Whereas Irena Sendler became 1 of the most successful workers within Zegota, taking charge of the children's division and using her senior position with the welfare department in Warsaw to gain access to and from the ghetto to build a network of allies to help ferry Jewish children from the Warsaw ghetto;

Whereas Irena Sendler was arrested by the Gestapo on October 20, 1943, tortured, and sentenced to death by firing squad;

Whereas Irena Sendler never revealed details of her contacts, escaped from Pawiak prison, and continued her invaluable work with Zegota;

Whereas in 1965, Irena Sendler was recognized as "Righteous Among the Nations" by the Yad Vashem Holocaust Memorial in Israel;

Whereas in 2006, Irena Sendler was nominated for the Nobel Peace Prize;

Whereas Irena Sendler was awarded the Order of the White Eagle, the highest civilian decoration in Poland;

Whereas "Tzedek: The Righteous", a documentary film, and "Life in a Jar", a play about the rescue efforts made by Irena Sendler, chronicle the life of Irena Sendler;

Whereas Irena Sendler, a woman who risked everything for the lives of others and whose bravery is unimaginable to many, expressed guilt for not being able to do more for the Jewish people; and

Whereas the story of Irena Sendler reminds citizens of the United States and the world community not only of the horrible cruelty at the time of the Holocaust, but also the incredible difference one person can make: Now, therefore, be it

Resolved by the Senate (the House of Representatives concurring), That Congress—

(1) mourns the loss of Irena Sendler, a woman whose bravery and heroic efforts saved over 2,500 Jewish children during the Holocaust;

(2) pays respect and extends condolences to the Sendler family;

(3) honors the legacy of courage, selflessness, and hope that Irena Sendler exhibited; and

(4) remembers the life and unwavering dedication to justice and human rights of Irena Sendler.

“(A) COMMON FORMS.—The Secretary, in cooperation with representatives of agencies and organizations involved in student financial assistance, shall produce, distribute, and process free of charge common financial reporting forms as described in this subsection to be used to determine the need and eligibility of a student for financial assistance under parts A through E of this title (other than under subpart 4 of part A). The forms shall be made available to applicants in both paper and electronic formats.

“(B) FAFSA.—The common financial reporting forms described in this subsection (excluding the form described in paragraph (2)(B)), shall be referred to collectively as the ‘Free Application for Federal Student Aid’, or ‘FAFSA’.

“(2) PAPER FORMAT.—

“(B) EZ FAFSA.—

“(i) IN GENERAL.—The Secretary shall develop and use, after appropriate field testing, a simplified paper application form for applicants meeting the requirements of section 479(c), which form shall be referred to as the ‘EZ FAFSA’.

“(ii) REQUIRED FEDERAL DATA ELEMENTS.—The Secretary shall include on the EZ

“(C) PHASE-OUT OF FULL PAPER FAFSA.—

“(II) maintain on the Internet easily accessible, downloadable formats of the full paper version of FAFSA; and

“(III) provide a printed copy of the full paper version of FAFSA upon request.

“(3) ELECTRONIC VERSIONS.—

“(A) IN GENERAL.—The Secretary shall produce, make available through a broadly available website, and process electronic versions of the FAFSA and the EZ FAFSA.

“(C) REDUCED REQUIREMENTS.—The Secretary shall enable applicants who meet the requirements of subsection (b) or (c) of section 479 to provide information on the electronic version of the FAFSA only for the data elements required to determine student eligibility and whether the applicant meets the requirements of subsection (b) or (c) of section 479.

“(D) STATE DATA.—The Secretary shall include on the electronic version of the FAFSA the questions needed to determine whether the applicant is eligible for State financial assistance, as provided under paragraph (5), except that the Secretary shall not—

Data collected by the electronic versions of such forms shall be used only for the application, award, and administration of aid awarded under this title, State aid, or aid awarded by eligible institutions or such entities as the Secretary may designate. No data collected by such electronic versions of the

forms shall be used for making final aid awards under this title until such data have been processed by the Secretary or a contractor or designee of the Secretary, except as may be permitted under this title.

“(G) PRIVACY.—The Secretary shall ensure that data collection under this paragraph complies with section 552a of title 5, United States Code, and that any entity using an electronic version of a form developed by the Secretary under this paragraph shall maintain reasonable and appropriate administrative, technical, and physical safeguards to ensure the integrity and confidentiality of the information, and to protect against security threats, or unauthorized uses or disclosures of the information provided on the electronic version of the form.

“(H) SIGNATURE.—Notwithstanding any other provision of this Act, the Secretary may permit an electronic version of a form developed under this paragraph to be submitted without a signature, if a signature is subsequently submitted by the applicant or if the applicant uses a personal identification number provided by the Secretary under subparagraph (I).

“(I) PERSONAL IDENTIFICATION NUMBERS AUTHORIZED.—The Secretary is authorized to assign to an applicant a personal identification number—

“(i) to enable the applicant to use such number as a signature for purposes of completing an electronic version of a form developed under this paragraph; and

“(ii) for any purpose determined by the Secretary to enable the Secretary to carry out this title.

“(J) PERSONAL IDENTIFICATION NUMBER IMPROVEMENT.—Not later than 180 days after the date of enactment of the Higher Education Amendments of 2007, the Secretary shall implement a real-time data match between the Social Security Administration and the Department to minimize the time required for an applicant to obtain a personal identification number when applying for aid under this title through an electronic version of a form developed under this paragraph.

“(4) STREAMLINED REAPPLICATION PROCESSES.—

“(A) IN GENERAL.—The Secretary shall develop streamlined paper and electronic reapplication forms and processes for an applicant who applies for financial assistance under this title in the next succeeding academic year subsequent to an academic year for which such applicant applied for financial assistance under this title.

Such items shall be se-

lected in consultation with State agencies in order to assist in the awarding of State financial assistance in accordance with the terms of this subsection. The number of such data items shall not be less than the number included on the common financial reporting form for the 2005-2006 award year unless a State notifies the Secretary that the State no longer requires those data items for the distribution of State need-based aid.

“(B) ANNUAL REVIEW.—The Secretary shall conduct an annual review to determine—

“(i) which data items each State requires to award need-based State aid; and

“(ii) if the State will permit an applicant to file a form described in paragraph (2)(B) or (3)(C).

“(C) USE OF SIMPLIFIED APPLICATION FORMS ENCOURAGED.—The Secretary shall encourage States to take such steps as are necessary to encourage the use of simplified forms under this subsection, including those forms described in paragraphs (2)(B) and (3)(C), for applicants who meet the requirements of subsection (b) or (c) of section 479.

“(D) CONSEQUENCES IF STATE DOES NOT ACCEPT SIMPLIFIED FORMS.—If a State does not permit an applicant to file a form described in paragraph (2)(B) or (3)(C) for purposes of determining eligibility for State need-based financial aid, the Secretary may determine that State-specific questions for such State will not be included on a form described in paragraph (2)(B) or (3)(B). If the Secretary makes such determination, the Secretary shall advise the State of the Secretary’s determination.

“(E) LACK OF STATE RESPONSE TO REQUEST FOR INFORMATION.—If a State does not respond to the Secretary’s request for information under subparagraph (B), the Secretary shall—

“(i) permit residents of that State to complete simplified forms under paragraphs (2)(B) and (3)(B); and

“(ii) not require any resident of such State to complete any data items previously required by that State under this section.

“(ii) by the Secretary.

“(6) CHARGES TO STUDENTS AND PARENTS FOR USE OF FORMS PROHIBITED.—The need and eligibility of a student for financial assistance under parts A through E (other than under subpart 4 of part A) may be determined only by using a form developed by the Secretary under this subsection. Such forms shall be produced, distributed, and processed by the Secretary, and no parent or student shall be charged a fee by the Secretary, a contractor, a third-party servicer or private software provider, or any other public or private entity for the collection, processing, or delivery of financial aid through the use of such forms. No data collected on a paper or electronic version of a form developed under this subsection, or other document that was created to replace, or used to complete, such a form, and for which a fee was paid, shall be used.

“(7) RESTRICTIONS ON USE OF PIN.—No person, commercial entity, or other entity shall request, obtain, or utilize an applicant’s personal identification number assigned under paragraph (3)(I) for purposes of submitting a form developed under this subsection on an applicant’s behalf.

“(8) APPLICATION PROCESSING CYCLE.—The Secretary shall enable students to submit forms developed under this subsection and initiate the processing of such forms under this subsection, as early as practicable prior to January 1 of the student’s planned year of enrollment.

“(9) EARLY ESTIMATES OF EXPECTED FAMILY CONTRIBUTIONS.—The Secretary shall permit an applicant to complete a form described in this subsection in the years prior to enrollment in order to obtain from the Secretary a nonbinding estimate of the applicant’s expected family contribution, computed in accordance with part F. Such applicant shall be permitted to update information submitted on a form described in this subsection using the process required under paragraph (4).

“(10) DISTRIBUTION OF DATA.—Institutions of higher education, guaranty agencies, and States shall receive, without charge, the data collected by the Secretary using a form developed under this subsection for the purposes of processing loan applications and determining need and eligibility for institutional and State financial aid awards. Entities designated by institutions of higher education, guaranty agencies, or States to receive such data shall be subject to all the requirements of this section, unless such requirements are waived by the Secretary.

“(11) THIRD PARTY SERVICERS AND PRIVATE SOFTWARE PROVIDERS.—To the extent practicable and in a timely manner, the Secretary shall provide, to private organizations and consortia that develop software used by institutions of higher education for the administration of funds under this title, all the necessary specifications that the organizations and consortia must meet for the software the organizations and consortia develop, produce, and distribute (including any diskette, modem, or network communications) which are so used. The specifications shall contain record layouts for required data. The Secretary shall develop in advance of each processing cycle an annual schedule for providing such specifications. The Secretary, to the extent practicable, shall use multiple means of providing such specifications, including conferences and other meetings, outreach, and technical support mechanisms (such as training and printed reference materials). The Secretary shall, from time to time, solicit from such organizations and consortia means of improving the support provided by the Secretary.

“(12) PARENT’S SOCIAL SECURITY NUMBER AND BIRTH DATE.—The Secretary is authorized to include space on the forms developed under this subsection for the social security number and birth date of parents of dependent students seeking financial assistance under this title.”;

Not later than 2 years after the date of enactment of the Higher Education Amendments of 2007, the Secretary shall test and implement, to the extent practicable, a toll-free telephone based system to permit applicants who meet the requirements of 479(c) to submit an application over such system.”;

(5) by adding at the end the following:

“(e) EARLY APPLICATION AND AWARD DEMONSTRATION PROGRAM.—

“(1) PURPOSE.—The purpose of the demonstration program implemented under this subsection is to determine the feasibility of implementing a comprehensive early application and notification system for all dependent students and to measure the benefits and costs of such a system.

“(2) PROGRAM AUTHORIZED.—Not later than 2 years after the date of enactment of the Higher Education Amendments of 2007, the Secretary shall implement an early application demonstration program enabling dependent students who wish to participate in the program—

“(A) to complete an application under this subsection during the academic year that is 2 years prior to the year such students plan to enroll in an institution of higher education; and

“(B) based on the application described in subparagraph (A), to obtain, not later than 1 year prior to the year of the students’ planned enrollment, information on eligibility for Federal Pell Grants, Federal student loans under this title, and State and institutional financial aid for the student’s first year of enrollment in an institution of higher education.

“(3) EARLY APPLICATION AND AWARD.—For all dependent students selected for participation in the demonstration program who submit a completed FAFSA, or, as appropriate, an EZ FAFSA, 2 years prior to the year such students plan to enroll in an institution of higher education, the Secretary shall, not

“(6) SPECIAL PROVISIONS.—

“(A) DISCRETION OF STUDENT FINANCIAL AID ADMINISTRATORS.—A financial aid administrator at an institution of higher education participating in a demonstration program under this subsection may use the discretion provided under section 479A as necessary in awarding financial aid to students participating in the demonstration program.

“(B) WAIVERS.—The Secretary is authorized to waive, for an institution participating in the demonstration program, any requirements under the title, or regulations prescribed under this title, that would make the demonstration program unworkable, except that the Secretary shall not waive any provisions with respect to the maximum award amounts for grants and loans under this title.

“(7) OUTREACH.—The Secretary shall make appropriate efforts in order to notify States, institutions of higher education, and secondary schools of the demonstration program.

“(8) EVALUATION.—The Secretary shall conduct a rigorous evaluation of the demonstration program to measure the program’s benefits and adverse effects, as the benefits and effects relate to the purpose of the program described in paragraph (1). In conducting the evaluation, the Secretary shall—

“(A) identify whether receiving financial aid awards or estimates, as applicable, 1 year prior to the year in which the student plans to enroll in an institution of higher education, has a positive impact on the higher education aspirations and plans of such student;

“(B) measure the extent to which using a student’s income information from the year that is 2 years prior to the student’s planned enrollment date had an impact on the ability of States and institutions to make financial aid awards and commitments;

“(C) determine what operational changes would be required to implement the program on a larger scale;

“(D) identify any changes to Federal law that would be necessary to implement the program on a permanent basis; and

“(E) identify the benefits and adverse effects of providing early awards or estimates on program costs, program operations, program integrity, award amounts, distribution, and delivery of aid.

“(9) CONSULTATION.—The Secretary shall consult, as appropriate, with the Advisory Committee on Student Financial Assistance established under section 491 on the design, implementation, and evaluation of the demonstration program.

“(f) USE OF IRS DATA AND REDUCED INCOME AND ASSET INFORMATION TO DETERMINE ELIGIBILITY FOR STUDENT FINANCIAL AID.—

“(1) FORMATION OF STUDY GROUP.—Not later than 90 days after the date of enactment of the Higher Education Amendments of 2007, the Comptroller General of the United States and the Secretary of Education shall convene a study group whose membership shall include the Secretary of the Treasury, the Director of the Office of Management and Budget, the Director of the Congressional Budget Office, representatives of institutions of higher education with expertise in Federal and State financial aid assistance, State chief executive officers of higher education with a demonstrated commitment to simplifying the FAFSA, and such other individuals as the Comptroller General and the Secretary of Education may designate.

“(2) STUDY REQUIRED.—The Comptroller General and the Secretary, in consultation with the study group convened under paragraph (1), shall design and conduct a study to identify and evaluate the means of simplifying the process of applying for Federal financial aid available under this title. The study shall focus on developing alternative approaches for calculating the expected family contribution that use substantially less income and asset data than the methodology currently used, as of the time of the study, for determining the expected family contribution.

“(3) OBJECTIVES OF STUDY.—The objectives of the study required under paragraph (2) are—

“(A) to shorten the FAFSA and make it easier and less time-consuming to complete, thereby increasing higher education access for low-income students;

“(B) to examine the feasibility, and evaluate the costs and benefits, of using income data from the Internal Revenue Service to pre-populate the electronic version of the FAFSA;

“(C) to determine ways in which to provide reliable information on the amount of Federal grant aid and financial assistance a student can expect to receive, assuming constant income, 2 to 3 years before the student’s enrollment; and

“(D) to simplify the process for determining eligibility for student financial aid without causing significant redistribution of Federal grants and subsidized loans under this title.

“(4) REQUIRED SUBJECTS OF STUDY.—The study required under paragraph (2) shall consider—

“(A) how the expected family contribution of a student could be calculated using substantially less income and asset information than the approach currently used, as of the time of the study, to calculate the expected family contribution without causing significant redistribution of Federal grants and subsidized loans under this title, State aid, or institutional aid, or change in the composition of the group of recipients of such aid, which alternative approaches for calculating the expected family contribution shall, to the extent practicable—

“(i) rely mainly, in the case of students and parents who file income tax returns, on information available on the 1040, 1040EZ, and 1040A; and

“(ii) include formulas for adjusting income or asset information to produce similar results to the existing approach with less data;

“(B) how the Internal Revenue Service can provide income and other data needed to compute an expected family contribution for taxpayers and dependents of taxpayers to the Secretary of Education, and when in the application cycle the data can be made available;

“(C) whether data provided by the Internal Revenue could be used to—

“(i) prepopulate the electronic version of the FAFSA with student and parent taxpayer data; or

“(ii) generate an expected family contribution without additional action on the part of the student and taxpayer;

“(D) the extent to which the use of income data from 2 years prior to a student’s planned enrollment date would change the expected family contribution computed in accordance with part F, and potential adjustments to the need analysis formula that would minimize the change;

“(E) the extent to which States and institutions would accept the data provided by the Internal Revenue Service to prepopulate the electronic version of the FAFSA and in determining the distribution of State and institutional student financial aid funds;

“(F) the changes to the electronic version of the FAFSA and verification processes that would be needed or could be made if Internal Revenue Service data were used to prepopulate such electronic version;

“(G) the data elements currently collected, as of the time of the study, on the FAFSA that are needed to determine eligibility for student aid, or to administer Federal student financial aid programs, but are not needed to compute an expected family contribution, such as whether information regarding the student’s citizenship or permanent residency status, registration for selective service, or driver’s license number could be reduced without adverse effects;

“(H) additional steps that can be taken to simplify the financial aid application process for students who (or, in the case of dependent students, whose parents) are not required to file an income tax return for the prior taxable year;

“(I) information on the State need for and usage of the full array of income, asset, and other information currently collected, as of the time of the study, on the FAFSA, including analyses of—

“(i) what data are currently used by States to determine eligibility for State student financial aid, and whether the data are used for merit or need-based aid;

“(ii) the extent to which the full array of income and asset information currently collected on the FAFSA play an important role in the awarding of need-based State financial aid, and whether the State could use income and asset information that was more limited to support determinations of eligibility for such State aid programs;

“(iii) whether data are required by State law, State regulations, or policy directives;

“(iv) what State official has the authority to advise the Department on what the State requires to calculate need-based State student financial aid;

“(v) the extent to which any State-specific information requirements could be met by completion of a State application linked to the electronic version of the FAFSA; and

“(vi) whether the State can use, as of the time of the study, or could use, a student’s expected family contribution based on data from 2 years prior to the student’s planned enrollment date and a calculation with reduced data elements and, if not, what additional information would be needed or what changes would be required; and

“(J) information on institutional needs, including the extent to which institutions of higher education are already using supplemental forms to collect additional data from students and their families to determine eligibility for institutional funds.

“(5) USE OF DATA FROM THE INTERNAL REVENUE SERVICE TO PREPOPULATE FAFSA FORMS.—After the study required under this subsection has been completed, the Secretary may use Internal Revenue Service data to prepopulate the electronic version of

the FAFSA if the Secretary, in a joint decision with the Secretary of Treasury, determines that such use will not significantly negatively impact students, institutions of higher education, States, or the Federal Government based on each of the following criteria:

- “(A) Program costs.
- “(B) Redistributive effects on students.
- “(C) Accuracy of aid determinations.
- “(D) Reduction of burden to the FAFSA filers.

“(E) Whether all States and institutions that currently accept the Federal aid formula accept the use of data from 2 years prior to the date of a student's planned enrollment in an institution of higher education to award Federal, State, and institutional aid, and as a result will not require students to complete any additional forms to receive this aid.

“(6) CONSULTATION.—The Secretary shall consult with the Advisory Committee on Student Financial Assistance established under section 491 as appropriate in carrying out this subsection.

“(7) REPORT.—Not later than 1 year after the date of enactment of the Higher Education Amendments of 2007, the Comptroller General and the Secretary shall prepare and submit a report on the results of the study required under this subsection to the authorizing committees.”
