

I am advised that Mr. Williams has cultivated a culture of community involvement at Sanofi Pasteur and demonstrated a commitment to philanthropy through the company's contributions to United Way and donations of vaccines through UNICEF, the Global Alliance for Vaccines Immunization, GAVI, the World Health Organization's Global Polio Eradication Initiative and various humanitarian relief efforts.

Mr. Williams has also been committed to the economic growth and development of the Commonwealth of Pennsylvania. This includes expanding the impressive campus in Swiftwater to maintain a domestic manufacturing base for many vaccines, including influenza. Under his guidance, Sanofi Pasteur has grown to be the largest private employer in Monroe County and a purchaser of over \$145 million in goods and services from Pennsylvania-based vendors. I have been pleased to assist in this important expansion through appropriation of Federal funding which not only benefits the county but the entire Commonwealth and Nation.

On January 16, 2008, after 30 years of service, David J. Williams will retire as the chairman, president, and chief executive officer of Sanofi Pasteur. I commend Dr. Williams for his distinguished career and leadership in the advancement of immunizations and the eradication of vaccine-preventable diseases.●

MESSAGES FROM THE PRESIDENT

Messages from the President of the United States were communicated to the Senate by Mrs. Neiman, one of his secretaries.

EXECUTIVE MESSAGES REFERRED

As in executive session the Presiding Officer laid before the Senate messages from the President of the United States submitting sundry nominations and treaties which were referred to the appropriate committees.

(The nominations received today are printed at the end of the Senate proceedings.)

REPORT ON THE PROPOSED AGREEMENT FOR COOPERATION BETWEEN THE UNITED STATES AND THE REPUBLIC OF TURKEY RELATIVE TO PEACEFUL USES OF NUCLEAR ENERGY—PM 34

The PRESIDING OFFICER laid before the Senate the following message from the President of the United States, together with an accompanying report; which was referred to the Committee on Foreign Relations:

To the Congress of the United States:

I transmit to the Congress, pursuant to sections 123 b. and 123 d. of the Atomic Energy Act of 1954, as amended (42 U.S.C. 2153(b), (d)) (the "Act"), the

text of the proposed Agreement for Cooperation between the United States of America and the Republic of Turkey Concerning Peaceful Uses of Nuclear Energy (the "Agreement") together with a copy of the unclassified Nuclear Proliferation Assessment Statement (NPAS) and of my approval of the proposed Agreement and determination that the proposed Agreement will promote, and will not constitute an unreasonable risk to, the common defense and security. The Secretary of State will submit the classified NPAS and accompanying annexes separately in appropriate secure channels.

The Agreement was signed on July 26, 2000, and President Clinton approved and authorized execution and made the determinations required by section 123 b. of the Act (Presidential Determination 2000-26, 65 FR 44403 (July 18, 2000)). However, immediately after signature, U.S. agencies received information that called into question the conclusions that had been drawn in the required NPAS and the original classified annex, specifically, information implicating Turkish private entities in certain activities directly relating to nuclear proliferation. Consequently, the Agreement was not submitted to the Congress and the executive branch undertook a review of the NPAS evaluation.

My Administration has completed the NPAS review as well as an evaluation of actions taken by the Turkish government to address the proliferation activities of certain Turkish entities (once officials of the U.S. Government brought them to the Turkish government's attention). The Secretary of State, the Secretary of Energy, and the members of the Nuclear Regulatory Commission are confident that the pertinent issues have been sufficiently resolved and that there is a sufficient basis (as set forth in the classified annexes, which will be transmitted separately by the Secretary of State) to proceed with congressional review of the Agreement and, if legislation is not enacted to disapprove it, to bring the Agreement into force.

In my judgment, entry into force of the Agreement will serve as a strong incentive for Turkey to continue its support for nonproliferation objectives and enact future sound nonproliferation policies and practices. It will also promote closer political and economic ties with a NATO ally, and provide the necessary legal framework for U.S. industry to make nuclear exports to Turkey's planned civil nuclear sector.

This transmittal shall constitute a submittal for purposes of both section 123 b. and 123 d. of the Act. My Administration is prepared to begin immediate consultations with the Senate Foreign Relations Committee and the House Foreign Affairs Committee as provided in section 123 b. Upon completion of the period of 30 days of continuous session provided for in section 123 b., the period of 60 days of continuous

session provided for in section 123 d. shall commence.

GEORGE W. BUSH.
THE WHITE HOUSE, January 22, 2008.
