

RECOGNIZING AMERICAN RED CROSS EVERYDAY HEROES

HON. DALE E. KILDEE

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 21, 2009

Mr. KILDEE. Madam Speaker, I stand before you today on behalf of one of our country's most honored and respected organizations, the American Red Cross. Each year, the Genesee-Lapeer Chapter of the Red Cross acknowledges individuals who have shown tremendous courage, kindness, and selflessness through acts of goodwill and heroism. 14 individuals will be honored at the annual "Salute to Everyday Heroes" on Friday, May 29th in Grand Blanc, Michigan.

Everyday Heroes are selected for acts of bravery related to fire, rescue, and lifesaving, and are awarded to those who live in Genesee or Lapeer Counties, or if the rescue occurred in one of the two counties.

This year Trooper Bradley Ross and Trooper David Stokes will receive the Law Enforcement Award. Robert Elliott and Timothy Knott will be recognized with the Emergency Medical Response Award. Firefighters Jason Abbey, Dustin Lucius, Al Morea, Nick Schulz, Josh Sturgis, and Pat Whalen will be honored for their work. The Youth Good Samaritan Award will be given to Brandon Howe and the Adult Good Samaritan Award will be given to Jack and Jean Seibert. Myla Swanson will be recognized with the Workplace Good Samaritan Award. Judge Robert E. Weiss will be posthumously honored with the Community Good Samaritan Award.

Madam Speaker, I ask the House of Representatives to rise with me and applaud the courageous, altruistic accomplishments of these 14 persons. They have generously acted without thought to their own safety to assist others in danger. They have earned the title of "hero" and I am grateful for their service to our community.

HONORING TYNGSBOROUGH, MASSACHUSETTS

HON. NIKI TSONGAS

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 21, 2009

Ms. TSONGAS. Madam Speaker, I rise today to celebrate the bicentennial anniversary of the town of Tyngsborough, Massachusetts. Known as the "gateway to the White Mountains," Tyngsborough is a unique and diverse community, defined by innovative businesses, rich history, and hardworking families. I am proud to honor the people of Tyngsborough for their spirit of innovation and success as they celebrate this milestone.

With its distinct location along the Route 3 corridor between Boston and New Hampshire's mountains, Tyngsborough continues to draw new residents and businesses as it grows in both size and prosperity. Leading companies in the fields of software, energy, materials, and technology have chosen Tyngsborough for their headquarters.

Tyngsborough's location also makes it a popular leisure destination thanks to the 1,000-acre Lowell-Dracut-Tyngsboro State

Forest, which features miles of trails for hiking, cycling, horseback riding, cross-country skiing, and snowmobiling as well as ponds and streams for fishing and water sports. This land has long held special significance to the Native Americans who first settled along the banks of the Merrimack River above the Pawtucket Falls. The preservation of the natural beauty afforded by the river and woods is an important goal of the community and one that I particularly applaud.

I am proud to honor Tyngsborough's bicentennial, and I urge my colleagues to join me in wishing the people of Tyngsborough another 200 years of innovation and success.

HONORING THE KNIGHTS OF COLUMBUS LIGHT OF CHRIST COUNCIL 8726

HON. JIM GERLACH

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 21, 2009

Mr. GERLACH. Madam Speaker, I rise today to congratulate the Knights of Columbus, Light of Christ Council 8726, for its 25 years of outstanding charitable work and dedicated service to three parishes in western Berks County, Pennsylvania.

Since its founding in June 1984 at the St. Ignatius Loyola Parish, Council 8726 has grown to more than 200 members committed to nurturing spiritual growth and a tremendous desire to help anyone in need.

The members' selfless service has included financial backing and volunteer work in support of St. Mary's Shelter for single mothers, a Veterans Memorial monument in Whitfield, a Special Olympics basketball tournament, and weekend soup kitchens that feed hundreds who would otherwise go hungry in the Reading area.

Madam Speaker, I ask that my colleagues join me today in congratulating the Knights of Columbus, Light of Christ Council 8726, upon its 25th Anniversary and recognizing the exemplary efforts of the Council's members in serving and supporting Berks County churches, communities and charities.

NEW CHARGES BROUGHT UP AGAINST BAHAI LEADERS IN IRAN

HON. FRANK R. WOLF

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 21, 2009

Mr. WOLF. Madam Speaker, May 14 marked the one-year anniversary of the imprisonment of the seven member national committee of the Iranian Baha'is. According to CNN reports, the seven Baha'i leaders may now face charges of "spreading of corruption on Earth" which carries the threat of the death penalty under Iran's penal code. The United States Commission on International Religious Freedom recently released their 2009 report which recommends that the State Department designate Iran a country of particular concern due to its gross violations of religious freedom. Such violations include the execution of over 200 Baha'i leaders since 1979, the desecra-

tion of Baha'i cemeteries and places of worship, and the violent arrest and harassment of members of the Baha'i faith. As the Administration seeks diplomatic engagement with Iran, I urge them to make human rights and religious freedom an integral part of the dialogue. Human dignity and freedom must not be made a sidebar as the Administration seeks to engage the Iranians.

HONORING STEPHEN REISTER

HON. MIKE COFFMAN

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 21, 2009

Mr. COFFMAN of Colorado. Madam Speaker, I rise today to honor America's entrepreneurs, those distinguished individuals who support our communities, drive innovation, and keep our nation strong. Small businesses bring fresh ideas to the table, develop the resources to meet the demands of an ever-changing world, and make a meaningful impact on our neighborhoods. Entrepreneurs are responsible for providing 60 to 80 percent of all new jobs, giving them the potential to propel rapid economic growth and expand ever-developing fields. Some of the country's largest companies began as start-ups in small offices, homes and garages exploring these new fields. Limited only by their imagination, these firms performed cutting-edge work in emerging industries that have become the very foundation of our society.

As our nation and the world face the most difficult economic conditions in decades, entrepreneurs have the potential to lead us back to prosperity. The resiliency and adaptability shown by small businesses in past recessions demonstrate their capability to meet the challenges standing in their way and emerge stronger than ever. America's small businesses will drive the economic recovery from this downturn and our economy will rebound. Times may be tough, but America's entrepreneurial spirit is tougher.

To recognize the monumental achievements of our nation's small firms, the Small Business Administration (SBA) has declared May 17-23 as the 46th Annual National Small Business Week. The House Small Business Committee is celebrating all our country's hard-working entrepreneurs by saluting the Heroes of Small Business, those men and women who have shown the strength, leadership, and resourcefulness that keeps our economy moving forward.

I ask that you, Madam Speaker, and the entire U.S. House of Representatives join me in recognizing and thanking Mr. Stephen Reister for his tremendous accomplishments on behalf of small businesses. Mr. Reister has been with Steel-T Heating and Air Conditioning for nearly 20 years, joining the company after it was purchased by his family in 1989. The company is one of the leading heating and air conditioning contractors in the Denver and northern Colorado area. Mr. Reister's contributions to the industry have earned him a place on the national furnace PID team for Carrier Corporation, the world's leader in heating and cooling solutions, and several awards for raising awareness and sales of more environmentally friendly products.

Mr. Reister is an active member of his community, serving as a board member of the Col umbine Valley Water and Sanitation District.

He is also involved in community organizations including the Colorado Fellowship of Christian Athletes CMT Board and The Gift of Warmth Program.

Madam Speaker, Mr. Reister has exemplified the remarkable accomplishments of which America's entrepreneurs are capable. This week, he will testify before the House Small Business Committee to share his story. I ask that you and the entire U.S. House of Representatives join with me in honoring him for the extraordinary work he has done for the small business economy. His efforts demonstrate that if given the right resources, America's small businesses can be the catalysts that lift our economy from the current downturn and put us on the road to recovery.

CONGRATULATING THE SOUTH
BEND ADAMS HIGH SCHOOL
MOCK TRIAL TEAM

HON. JOE DONNELLY

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 21, 2009

Mr. DONNELLY of Indiana. Madam Speaker, I rise today to honor the victory of the South Bend Adams High School team in the National Mock Trial Competition. The championship culminates a year of successes for the "Usual Suspects," a team which won its second straight state championship. It was the perfect finish to a season full of intense training and practice. The victory caps a record of twelve state titles in the thirteen years of the mock trial program at Adams.

The exceptional members of the Adams Mock Trial team include: Josh Courtney, Jenn Deeter, Ellis Smith, Chris Silvestri, Adam Kern, Gabe Young, timekeeper David Kern, and student coaches Kieran Neal and Allie Soisson. The team was led to victory by coaches Lucas Burkett and Professor Jay Tidmarsh and faculty advisor Judith Overmyer.

Mock Trial competition involves not only knowledge of the law, but also the ability to plan both defensive and prosecutorial strategies and act the parts of lawyers and witnesses. The Adams team prepared a cunning defense and excelled at portraying believable witnesses and convincing lawyers while developing their communication, research, and organizational skills. Chris Silvestri distinguished himself among the participants by earning the "Best Witness" award.

The Adams Mock Trial team has achieved a memorable ending to an extraordinary year of competition. I offer my congratulations to the members of the team, the coaches, John Adams High School students, faculty and staff. I also offer my thanks and congratulations to members of the community, including local attorneys and judges, who supported the team on the road to this impressive accomplishment. The Adams Mock Trial team has represented Indiana, the City of South Bend, their school and themselves with excellence and distinction.

RECOGNIZING MAY AS HUNTING-
TON'S DISEASE AWARENESS
MONTH

HON. DARRELL E. ISSA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 21, 2009

Mr. ISSA. Madam Speaker, today I rise to recognize May as Huntington's Disease Awareness Month. In support of those with Huntington's Disease and of finding a cure, I have cosponsored H.R. 678, "Huntington's Disease Parity Act of 2009." This bipartisan legislation sponsored by Rep. BOB FILNER (D-CA-41) would eliminate the 24-month waiting period for Medicare eligibility for those suffering from Huntington's Disease.

Huntington's Disease is a progressive degenerative neurological disease that causes total mental and physical deterioration in as few as 12 years and currently no cure exists. Already 20,000 Americans have been diagnosed with Huntington's and 6.5% of the population, or 200,000 individuals, are at risk for this disease.

The physical, emotional, and mental alterations a victim of Huntington's Disease undergoes are extreme to say the least. Even in the initial stages, patients are unable to continue employment and they must rely on family care and Social Security Disability Income. A similar neurological disease, Amyotrophic Lateral Sclerosis, received a waiver for the 24-month waiting period in 2000.

H.R. 678 would help to alleviate suffering that those diagnosed with Huntington's Disease must face every day. Implementing this legislation would not only help those diagnosed with Huntington's but also the families that have been financially devastated by this degenerative disease.

Madam Speaker, I urge my colleagues in Congress and the public at large to recognize this important month.

IN HONOR OF FRANKLYN KELLOGG

HON. DENNIS J. KUCINICH

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 21, 2009

Mr. KUCINICH. Madam Speaker, I rise today in honor of my friend, Franklyn Kellogg, on the occasion of his 90th Birthday and in recognition of his dedication to his community and a life lived with a great sense of humor, energetic spirit, joy for living and positive outlook.

Mr. Kellogg grew up in the Tremont neighborhood of Cleveland, Ohio. After high school, he joined the army and served as a military police officer during WWII. Following the war, he came back to Cleveland and began his lifelong vocation of protecting others, first as a firefighter and then as Fire Chief of City Cleveland. Mr. Kellogg was a leader in evolving

safety training and techniques, many of which are still used today in Ohio and across the country.

Mr. Kellogg was one of the first firefighters in Cleveland to be trained as a certified paramedic. He became a top-notch instructor, training firefighters and paramedics, even travelling as far as California with requests for his training expertise. Mr. Kellogg has earned a nationally-known reputation as being one of the best arson investigators in the country, and has been consulted numerous times by fire departments in Ohio and across the country. Several of Mr. Kellogg's arson cases are still used today as models in firefighter training courses, including courses taught at Cuyahoga Community College. He continues to be an active member of his community and of the Zion United Church of Christ of Tremont, the church he has attended since childhood.

Madam Speaker and colleagues, please join me in honor and celebration of Mr. Kellogg's 90th Birthday. His kindness and commitment to community leadership and service continues to be evident in all he does. I stand in honor and gratitude of Mr. Kellogg's lifelong service to our community and I wish him the best as he and his family celebrate his 90th birthday.

COMMEMORATING THE 75TH ANNI-
VERSARY OF THE NORTH SEA
FIRE DEPARTMENT

HON. TIMOTHY H. BISHOP

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 21, 2009

Mr. BISHOP of New York. Madam Speaker, residents of Long Island, New York are truly fortunate that our local firefighters are also our neighbors. Since 1934, residents of the Peconic Bay hamlet of North Sea have relied on the professionalism of the all-volunteer North Sea Fire Department, and today I proudly rise to mark the 75th anniversary of its founding.

To date, 2009 has been one of the busiest years on record for the North Sea Fire Department, as they have responded to more fire calls than any other department in Suffolk County. Each has been answered with the speed, skill and courtesy that has been the department's calling card for 75 years.

Madam Speaker, while the children of North Sea may be upset that the firefighters have not been able to lavish their customary level of attention on the department's annual Fourth of July carnival and fireworks, their parents can rest assured that their neighbors at the firehouse are devoted to keeping the community safe any hour of the day or night. I offer my thanks and best wishes as they continue their tradition of community service for many years to come.
