

grandparents, and many years later, was the home of Teale's wife, Nellie, and their son, David. Eventually, Musette Lewry was built on this foundation. Trent D. Pendley, who purchased Teale's home in Furnessville, applied for the State Historical Marker, which was approved in October 2007 by the Indiana State Library after undergoing significant study. There are only about 500 of these larger markers throughout the State of Indiana. The criteria for the State Historical Marker is based on the national significance of the site or honoree.

Edwin Way Teale was born on June 2, 1899, in Joliet, Illinois. As a child, his fondest memories were the summer months he spent on the Furnessville farm owned by his grandparents. It was this time spent in Indiana, as a child, that became the backdrop for Teale to discover his love, respect, and wonder of nature. His grandparents gave him the freedom to explore the surrounding landscape, which became the most significant influence on his future career as a writer and naturalist. Teale went on to study English Literature and received a Bachelor of the Arts degree from Earlham College in Richmond, Indiana. During this time, he met his wife, Nellie Donovan, and they were married in 1923. Teale then began his writing career after graduating with a Master of the Arts degree from Columbia University in 1926. Edwin and Nellie had one son, David, who died in battle during World War II. In honor of their son, Edwin and Nellie collaborated on a four-book series detailing natural seasonal changes across the United States. In 1965, Teale won the Pulitzer Prize for *Wandering Through Winter*, a book that was part of this series, which is an account of the four winter months he and his wife spent traveling through the United States. He also won the John Burroughs Award for nature writing, and went on to publish thirty books in his lifetime. Edwin Way Teale passed away on October 18, 1980.

Madam Speaker, I ask you and my other distinguished colleagues to join me in commending the Indiana Historic Bureau's unveiling of the State Historical Marker to honor one of Northwest Indiana's finest citizens, Edwin Way Teale. For his notable, and highly respectable literary and environmental influence both nationally and in Northwest Indiana, he is worthy of the highest praise. I respectfully ask you and my other distinguished colleagues join me in honoring Edwin Way Teale and acknowledging the Indiana State Historical Marker in his name as a tremendous source of pride for Northwest Indiana.

COMMENDING GUAM ANIMALS IN
NEED (GAIN)

HON. MADELEINE Z. BORDALLO

OF GUAM

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 21, 2009

Ms. BORDALLO. Madam Speaker, I rise today to commend the Guam Animals in Need, GAIN, organization for their service to our community and for their leadership in a recent effort to rescue greyhounds. After a greyhound race track closed on Guam, GAIN led efforts to rescue the greyhounds by finding caring owners on island to adopt the abandoned dogs, and by helping to transport the

majority of the greyhounds to shelters in the mainland.

Chartered in 1989, GAIN is a non-profit organization dedicated to preventing cruelty toward animals and to providing shelter for animals in need. GAIN's efforts have also included educating our community on animal welfare. In 2001, GAIN expanded its services by assuming management and operation of our island's animal shelter.

GAIN has led numerous initiatives over the years to improve animal welfare on Guam. It has been instrumental in taking stray animals off the streets and reducing the number of stray animals through the annual Spay Neuter Assistance Program, operated by visiting and local veterinarians and volunteers. This program has resulted in the sterilization of over 3,500 dogs and cats. GAIN also successfully partnered with local businesses and community organizations to provide support through the Adopt a Kennel project. These businesses and organizations are recognized with a sign placed on their sponsored kennel. Furthermore, GAIN has facilitated the adoption of thousands of animals by caring pet owners through their Shelter Adoption Program.

GAIN recently received national attention resulting from their efforts to help over two hundred greyhounds that needed homes after the sudden closure of the greyhound race track on Guam. For several months after the track's closure, GAIN rescued abandoned greyhounds in villages and remote areas. The organization and its members cared for these greyhounds and searched for responsible pet owners in our community to adopt them. GAIN worked with the management of the former race track to address the large number of greyhounds needing adoptive homes. GAIN partnered with mainland greyhound advocacy groups to help rescue the greyhounds on Guam, including the Greyhound Protection League; Home Stretch Greys; North Coast Greyhound; and Greyhound Friends of Massachusetts. Continental Airlines contributed to this effort by providing discounted air fares to transport some greyhounds on flights to the mainland.

The greyhound rescue effort was a significant and combined effort for Guam's animal welfare community. Under GAIN's leadership, non-profit organizations and community groups worked together to provide care and medical services to the greyhounds. As a result of GAIN's efforts, to date, 136 greyhounds have been successfully relocated to shelters and homes in the mainland and 23 greyhounds have been adopted in local homes. This rescue effort continues as GAIN and its volunteers work to locate the remaining abandoned greyhounds and to find homes for all the dogs from the former race track.

I commend the Guam Animals In Need organization for their service to our community and for their commitment to caring for animals on Guam.

INTRODUCTION OF NATIONAL
TRAILS DAY RESOLUTION

HON. EARL BLUMENAUER

OF OREGON

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 21, 2009

Mr. BLUMENAUER. Madam Speaker, as co-chair of the House Trails Caucus, I am pleased to introduce a resolution highlighting National Trails Day®, which will fall this year on June 6, 2009.

National Trails Day, which was founded by the American Hiking Society, is held every year on the first Saturday of June. It is a day of public events celebrating trails coordinated by the American Hiking Society in partnership with local trail clubs, parks, government agencies, and businesses. On this day, more than 1,500 trails events will take place around the country, including hiking, paddling, biking, horseback riding, bird watching, running, trail maintenance, and other activities.

I am introducing this resolution to highlight the importance of this day and to call attention to our Nation's network of trails. Trails improve our quality of life, whether they are urban paths running through major metropolitan areas or wilderness tracks leading to remote mountaintops. Some of my favorite moments have been spent running or biking on the Leif Erickson Trail in Forest Park or hiking on the Timberline Trail around Mount Hood.

Trails provide Americans with opportunities to engage in activities that improve our physical and mental health and they promote a greater understanding of nature and a connection to communities. In addition, the hundreds

of thousands of volunteers who care for our nation's trails understand the value of volunteerism and stewardship of our public landscapes.

This resolution recognizes the contribution of trail volunteers and organizations, highlights the opportunities trails provide to improve our physical and mental health, supports the goals and ideas of National Trails Day, encourages people to observe National Trails Day, and applauds national, State, and community agencies and groups for their work in promoting awareness about trails.

I hope my colleagues will join me in celebrating National Trails Day and recognizing the value of America's 200,000-mile trail network. On June 6, I hope we can all take time to join our constituents in doing trail maintenance, hiking, or another fun outdoor activity in honor of this day.

MEMORIAL DAY

HON. PETER J. VISCLOSKY

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 21, 2009

Mr. VISCLOSKY. Madam Speaker, this Memorial Day Weekend, we remember the brave men and women who have given their lives in battle, and we also honor the veterans who served in prior engagements and the troops currently in uniform. Throughout our history, brave Americans have fought for freedom and democracy around the world, and today we remember them for their noble service. We honor our troops and veterans through our deeds and our words, reaffirming our commitment to support our troops and providing our veterans with the benefits they deserve.

Over the last few years, Congress has made historic gains for America's troops, veterans, and military families. Among these accomplishments include a New GI Bill to restore the promise of a full, four-year college education for Iraq and Afghanistan veterans, the largest increase in history for veterans' healthcare and other services, and significant strides in rebuilding the American military and strengthening other benefits for our troops and military families. This Memorial Day I pledge to continue this critical work to put America's troops and veterans first.

I know that more remains to be done. I will never stop fighting to ensure we do right by the men and women who serve our nation and defend our freedom. This Memorial Day, please join me in paying tribute to the brave men and women from Northwest Indiana, and all of America, who gave their lives in defense of freedom and democracy.
