

in Congress in 1973, Congressman Regula's greatest years of serving our country were still ahead of him.

His leadership was apparent immediately. As a freshman member, alongside Congressman John Seiberling, he fought hard to have President Ford establish the Cuyahoga Valley National Recreation Area.

Congressman Regula continued his fight to help build and protect the Cuyahoga Valley over the next 34 years of his career.

In 1974, Congressman Regula said “. . . we could be the architects in preserving this heritage for future generations; it goes far beyond today in terms of the potential.”

Today, that potential has been fully recognized.

The Cuyahoga Valley National Park is one of the most heavily visited national parks in the country.

It is one of the great treasures Congressman Regula has left us. And, I am privileged to be able to carry on his efforts to continue to preserve and expand the Park.

I want to thank Senator BROWN and Congressman BOCCIERI for leading the effort on this bill.

No one is more deserving of this great honor than Congressman REGULA. He left a great legacy for all of us to live up to.

It is clear that the citizens of Canton and the 16th congressional district are eternally grateful for his endless contributions.

I thank him for his service, and I am glad to be a part of this effort to recognize his importance by helping to pass this bill.

#### IN MEMORY OF VIRGINIA APGAR OF WESTFIELD, NJ

### HON. LEONARD LANCE

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 16, 2009*

Mr. LANCE. Madam Speaker, I rise today in honor of Dr. Virginia Apgar of Westfield, New Jersey to celebrate her life and achievements with her family and friends, and with my colleagues here in the United States Congress and with the American people.

Were she still alive today Dr. Apgar would have observed her 100th birthday this month.

Born on June 7, 1909, Dr. Apgar enjoyed a long distinguished career in medicine, education, public health and devoted a significant amount of efforts to preventing birth defects of infants around the world.

Educated at Mount Holyoke College and Columbia University, she became the director of anesthesiology at Columbia University's College of Physicians and Surgeons in 1938. In 1949, Dr. Apgar became the first full-time professor of her gender at Columbia University, overcoming the challenges for exceptionally talented women in higher education.

While millions of parents around the world in the last half of this century may not have known Dr. Apgar, they do know her last name well. The Apgar Score—which she created in 1952—is a straightforward and efficient system designed to evaluate the vital signs of newborns at birth. It is still in use today around the world.

The method she developed was the first time in public health that addressed the needs of newborns in the very early minutes of their

life after birth. The Apgar Score measures a newborn's appearance, pulse, grimace, activity and respiration. It has helped predict newborn survival and reduce infant mortality. Her efforts have changed the lives of millions.

Dr. Apgar was a dedicated advocate of the March of Dimes. She initiated programs to promote rubella immunization for infants and helped convene the first Committee on Prenatal Health, which produced a milestone study on the regionalization of pre-natal care in the United States in 1976.

While Dr. Virginia Apgar is not with us today, I would like to commend her for her lifetime of achievements. Not only do parents around the world appreciate her Apgar Scores, she has made numerous contributions to infant health.

It is my pleasure to remember Virginia Apgar on the anniversary of her 100th birthday and share her wonderful life story with my colleagues in the United States Congress and with the American people.

IN HONOR OF REV. JOSEPH ROBerson FOR HIS SERVICE TO SOUTH COLUMBUS UNITED METHODIST CHURCH

### HON. SANFORD D. BISHOP, JR.

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 16, 2009*

Mr. BISHOP of Georgia. Madam Speaker, I rise today to honor the Reverend Joseph Roberson of Columbus, Georgia, who has for the past 15 years served with unwavering love and devotion as the Senior Pastor of South Columbus United Methodist. On June 17, 2009, Reverend Roberson will resign his pastoral duties to serve as the Statesboro District Superintendent, where he will minister to 82 churches and 53 pastors.

Under Reverend Joseph Roberson's leadership these past 15 years, South Columbus United Methodist has grown from 45 members to now more than 800 members. It established a Hispanic Ministry and added an Associate Pastor to the church leadership team. Reverend Roberson has touched many lives through his ministry at South Columbus United Methodist. To his parishioners, he is a pastor, an evangelist, a prophet, a teacher, a counselor, and a friend.

A native of Waynesboro, Georgia, Reverend Roberson first joined the ministry in 1978 with the Statesboro District of the South Georgia Conference of the United Methodist Church (UMC). Over the next 16 years, his career took him from there to the West Point Parish (1980-1983), Speedwell UMC in Savannah, Georgia (1983-1985), Council on Ministries (1985-1991), the National Black Methodists for Church Renewal in Dayton, Ohio (1991-1994), and finally to the South Columbus UMC in 1994.

I appreciate the impact that Reverend Joseph Roberson and the South Columbus United Methodist Church have made on the city of Columbus. The church has become a spiritual pillar of the Columbus community reaching out to those in need and comforting those who are suffering.

I am truly honored to be able to call Reverend Roberson a fellow Georgian. His faithfulness and dedication are rare traits. I thank him for his years of service at South Columbus United Methodist and I wish him Godspeed in the next phase of his life.
