

EXTENSIONS OF REMARKS

CONGRATULATIONS TO CHUCK
MCCALL UPON HIS RETIREMENT
FROM THE OFFICE OF OFFICIAL
REPORTERS

HON. STENY H. HOYER

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 23, 2009

Mr. HOYER. Madam Speaker, today I rise to congratulate Chuck McCall as he retires from the Official Reporters, a division of the Office of the Clerk, after 33 years of service to the House of Representatives.

During his long career with the House, Chuck has been responsible for providing a broad range of technical support for the electronic systems that make the operations of this body possible. His responsibilities have included the Electronic Voting System, the House Publication System, and the daily production of the CONGRESSIONAL RECORD. He has contributed to the design, configuration, software development, installation, system testing, vendor contracting, operations, maintenance, user assistance, training, and system documentation of these valuable House systems.

Chuck came to the House in 1976 as a Courier and Production Control Specialist in the HIS Computer Center.

In 1977, he became a Computer Operator tasked with supporting the Electronic Voting System, the Member Correspondence System, and the House Publication System.

In 1980, Chuck was named a Computer Programmer and his projects included the House Legislative Information System, the House Committee Meeting Scheduling System, and the Legislative Database System.

In 1984, he was named Senior Systems Specialist for the Electronic Voting System and the House Publication and Communications System.

Chuck joined the Office of the Clerk in 1989 as an Operations Supervisor and, in addition to his EVS responsibilities, became involved in the House Document Management System and the House Floor Audio System. He was named Technical Manager in 1996.

It was in 1999 that Chuck assumed his present position with the Office of Official Reporters as System Analyst. In that role, he has been responsible for the daily transmission of the CONGRESSIONAL RECORD to the Government Printing Office each evening, often working into the wee hours of the morning to ensure timely publication of the RECORD. It only seems appropriate that we honor his service in that RECORD today.

After dedicated service to this House for 33 years, we wish Chuck the very best as he now has the opportunity to spend more time with his wife, Mary, and his beautiful daughter, Kathleen. He will retire to his home near the Chesapeake Bay and will enjoy fishing, boating, camping and, we hope, strumming his guitar.

HONORING AMARJIT BUTTAR FOR HIS MANY YEARS OF SERVICE TO THE STATE OF CONNECTICUT

HON. JOE COURTNEY

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 23, 2009

Mr. COURTNEY. Madam Speaker, I rise today to offer my congratulations and best wishes to Amarjit Buttar who is retiring after two decades of dedicated service to the state of Connecticut's Worker's Compensation Commission.

Amarjit and his family first came to America in 1965 to attend law school at the University of Michigan. After getting his degree, he moved to Vernon, Connecticut more than three decades ago and has since been an active member of the community. Amarjit serves as a justice of the peace and is active in various local organizations. He has also served as president of the New England Sikh Study Circle and as Chairman of the World Sikh Council, America region.

In 1995, he was appointed to serve on the Vernon Board of Education. Later that year, he was elected to serve a full four year term and was chosen as Chairman of Board of

Education following his re-election in 1999. At that time, he was one of the first Sikh-Americans elected to public office. He is a passionate advocate for strong public schools, since it made a huge difference in his own life and that of his children. He remains an active contributing member of the Board of Education, being reelected most recently in 2005. Amarjit has also been an active participant in local, state and national Democratic politics. Always present at local and state political conventions, Buttar was chosen to be a delegate at the Democratic National Convention in Boston, Massachusetts in July 2004.

At the Workers' Compensation office, Amarjit provided technical and legal assistance to all who interact with that very complex system. Claimants, claimant family members, staff, attorneys, even the chairmen themselves all relied on Amarjit's accurate, compassionate and cheerful help to make the system work and achieve real justice for injured workers and the companies they worked for.

Amarjit is also an avid fan of the University of Connecticut Basketball program. The father of two UConn graduates, Amarjit worked with State Representative Claire Janowski and other legislators to rename the stretch of Route 195 that leads to the UConn campus the "UConn Husky Way."

For those of us who know Amarjit and consider him a friend, we know that his retirement will not mean an end to his public service. I ask my colleagues to join with me and in congratulating him and wishing him well in his future endeavors.

EARMARK DECLARATION

HON. ELTON GALLEGLY

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 23, 2009

Mr. GALLEGLY. Madam Speaker, pursuant to the House Republican standards on earmarks, I am submitting the following information regarding earmarks I received as part of H.R. 2847, the Commerce, Justice, Science and Related Agencies Appropriations Act, 2010:

Requesting Member: Rep. ELTON GALLEGLY
Bill: H.R. 2847—the Commerce, Justice, Science and Related Agencies Appropriations Act, 2010

Account: Department of Justice, OJP—Byrne Discretionary Grants

Legal Name of Requesting Entity: County of Ventura

Address of Requesting Entity: 800 So. Victoria Avenue, Ventura, CA 93009

Description of Request: This \$570,000 request is for a pilot program in Ventura County, California to establish a DNA Cold Case Prosecution Unit to investigate and prosecute violent crimes through the use of DNA technology. The federal government has devoted considerable resources to DNA testing and establishing DNA databases. However, even with a DNA match, the passage of time makes these cases extremely difficult to investigate and prosecute as prosecutors must reconstruct the case based upon the new DNA evidence. This program will fund the hiring of a prosecutor and two investigators for the sole purpose for solving and prosecuting DNA cold cases.
