Address of Requesting Entity: 1660 Ringling Blvd., Sarasota (FL) 34236

Description of Request: I secured \$300,000 for the Emergency Operations Center in Sarasota County.

The funding would be used to help relocate and construct a new Sarasota County Emergency Operation Center.

Requesting Member: Congressman VERN BUCHANAN

Bill Number: H.R. 2892

Account: FEMA—Pre-disaster Mitigation

Legal Name of Requesting Entity: City of Venice

Address of Requesting Entity: 401 West Venice Avenue, Venice (FL) 34285

Description of Request: I secured \$200,000 for improvements to the Emergency Shelter in the City of Venice.

The funding would be used for the installation of a modernized energy generation system that would provide power during storm events that would allow this facility to appropriately serve as a hurricane shelter, and also be designated as a special needs shelter.

HONORING SARA MESLOW AND  
 CAMP ODAYIN IN STILLWATER  
 AND CROSSLAKE MINNESOTA

### HON. MICHELE BACHMANN

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 23, 2009*

Mrs. BACHMANN. Madam Speaker, I rise today to honor Sara Meslow, founder and director of Camp Odayin, headquartered in Stillwater, Minnesota. With facilities in Crosslake, Minnesota, Camp Odayin is the only camp in the Midwest for children with heart disease. This amazing opportunity is made available for just \$25 because of generous donations from individuals, local organizations and medical groups. Sara says, "We wanted something associated with children's heart disease that doesn't have dollar signs after it." I would like to honor Sara and the team at Camp Odayin in front of this Congress that we all may be amazed at the opportunities she provides our children.

Young heart patients from 17 states, Canada and Germany have been to Camp Odayin and many leave feeling completely different about the disease that will impact them the rest of their lives. The object of Camp Odayin, which means "heart" in Ojibway, is to connect kids with heart transplants, congenital defects, artificial valves, abnormal heart rhythms and many other conditions with one another.

Sara shares a very personal connection with the Odayin campers. As a teenager, she learned that she had a heart condition that sometimes caused her heart to beat wildly and later received a Medtronic defibrillator to control the condition. After volunteering at a camp for children with heart disease in California and with some prodding from her mother, Sara began exploring options for a camp in Minnesota.

Camp Odayin held its first session in 2001 with 53 campers. Now in their eighth summer, they have expanded to three sessions and are expecting 240 campers. The camp sessions are available for ages 8 to 17 and are as normal as any summer camp with swimming, archery, horseback riding, canoeing, crafts and of course, general fun. The advantage is that medical professionals and health specialists make up many of the volunteer staff allowing children needing extra attention and care to participate in activities they would otherwise sit out on at other camps. Nurses attend every activity, regularly monitor medications and staff an infirmary that is similar to a hospital intensive care unit. This level of medical care is not available at any other camp in the Midwest.

I had the privilege of learning about Camp Odayin from one of the many children blessed with this opportunity. This young girl was just thrilled to have been to a camp where many of the kids were dealing with the same problems she had. It is obvious the joy that Sara has brought to hundreds of children and I rise today to honor and applaud her work empowering the children that are the future of America, regardless of their health, status or ability.

### HON. HOWARD P. "BUCK" McKEON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 23, 2009*

Mr. McKEON. Madam Speaker, pursuant to the Republican Leadership standards on earmarks, I am submitting the following information regarding Member priority requests I received as part of H.R. 2892, the "Department of Homeland Security Appropriations Act, 2010."

Requesting Member: Congressman HOWARD P. "BUCK" McKEON

Bill Number: H.R. 2892, the "Department of Homeland Security Appropriations Act, 2010"

Account: Predisaster Mitigation

Legal Name of Requesting Entity: City of Santa Clarita, CA

Address of Requesting Entity: 23920 Valencia Boulevard, Suite 300, Santa Clarita, CA 91355

Description of Request: I requested and received a Member priority request totaling \$500,000 for seismic retrofits to the City of Santa Clarita, CA's Emergency Operations Center. This project would assist the City of Santa Clarita with seismic upgrades to its City Hall building so that it may serve as the City's Emergency Operations Center (EOC). The funding would help purchase and install Special Concentrically Braced Frames, incorporating lessons learned from the Northridge earthquake of 1994, during which the City of Santa Clarita's City Hall building, which serves as the Santa Clarita Valley's Emergency Operations Center (EOC), sustained extensive damage. These enhancements will allow Santa Clarita's City Hall to serve as the City's primary EOC in the event of a significant seismic event.

#### HONORING THE SERVICE OF JAMES E. MITCHELL

### HON. FRANK R. WOLF

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 23, 2009*

Mr. WOLF. Madam Speaker, I rise today to honor the service to the community of Mr. James E. Mitchell, as he assumes the presidency of the Winchester, Virginia, chapter of the Lions Club.

Mr. Mitchell is a retired school teacher who has dedicated his career to public service. As the first African American president of the Winchester Lions Club, he will work with local agencies and residents to provide services to those with sight and hearing impairments as well as providing scholarships to local high school students.

In his 35 years as an educator, Mr. Mitchell also served his community as an active member of the Lions Club. He has held numerous leadership positions in his 20 years as a member of the organization. Mr. Mitchell is also a Melvin Jones Fellow, a highly honored humanitarian award in the Lions Club given only to those who demonstrate a strong record of community service. He has also participated in numerous "White Cane" events to aid the visually impaired.

Mr. Mitchell is a valued member of not only the Lions Club, but the entire Winchester community which he has served for close to four

decades. It is my pleasure to recognize him today.

#### A TRIBUTE TO KEVIN SHAFER

#### HON. GWEN MOORE

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 23, 2009*

Ms. MOORE of Wisconsin. Madam Speaker, I rise today to congratulate Mr. Kevin Shafer, Executive Director of the Milwaukee Metropolitan Sewerage District (MMSD), on being named the new President of the National Association of Clean Water Agencies, NACWA. MMSD provides sewage treatment services and maintains watercourses for 28 municipalities, including nearly all of Milwaukee County and portions of four surrounding counties, serving a population of about 1 million.

Mr. Shafer joined MMSD in 1988, as the Director of Technical Services and four years later became MMSD's Executive Director. Before joining MMSD, Mr. Shafer spent six years with the U.S. Army Corps of Engineers and nine years with a private engineering firm serving as area manager of the Milwaukee office.

Mr. Shafer has formulated numerous innovative MMSD programs including the Sweetwater Trust, a broad stakeholder group to enlist regional cooperation to protect the watersheds of the five-county Milwaukee metropolitan area through both structural and non-structural means. Further, under his direction, MMSD has invested in permanently protecting waterways from flooding and stormwater pollution runoff, by providing conservation easements to nearly 2,000 acres of undeveloped land. This program, called Greenseams, is a national model for green infrastructure in water pollution control. Mr. Shafer's innovation for both the environment and the economy is exhibited through a project to construct a landfill gas pipeline allowing MMSD to use a renewable source of methane gas in its treatment plant operations, while saving customers an estimated \$148 million over 20 years.

Mr. Shafer is an active leader on behalf of municipal wastewater agencies at the national level, helping to formulate sound federal water resource policies and legislation. He has served on the Board of Directors of NACWA since 2003, participating on numerous committees including the Clean Water Funding Workgroup and the Executive Committee of the Board. He has appeared before Congress on behalf of NACWA.

Mr. Shafer is an exceptional leader and a public steward of water resources. He has devoted his engineering career to the protection of these environmental resources for current and future water users.

Madam Speaker, I urge my colleagues of the 111th Congress to join me in congratulating Kevin Shafer on becoming the President of NACWA. Under his leadership, I have no doubt that NACWA will continue to lead the advocacy effort for national policies to protect and preserve the Nation's water resources for future generations.

#### HONORING THE LIFE AND SERVICE OF ADELLA URBAN OF COLUMBIA, CONNECTICUT

#### HON. JOE COURTNEY

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 23, 2009*

Mr. COURTNEY. Madam Speaker, I rise today with a heavy heart to announce the passing of a friend and true community leader from the town of Columbia, Connecticut, Adella Urban. Adella passed away on Wednesday, June 17, 2009.

Born in Hartford, Connecticut in 1933, Adella spent her childhood years in Newington before graduating from Newington High School. After high school, Adella continued her education receiving numerous certificates in municipal government, which became one of the two great loves in her life. After settling in Columbia, Connecticut, Adella took a job as secretary to the Selectman in town where she remained until 1971. She then spent a decade as a reporter for the Hartford Courant before returning to municipal government in the town of Mansfield.

In 1985, she assumed the role of First Selectman in her beloved Columbia, a position she would hold for 18 years. It was in that role as First Selectman, that she flourished as both a leader and public servant. Always Columbia's strongest advocate, Adella was tireless in her efforts to improve the lives of her fellow citizens and the town she loved. Perhaps the greatest testament to her public service was the fact that she passed after collapsing while speaking to second graders at the Horace Porter School in Columbia about the history of Columbia.

Although always the dedicated public servant, it was her role as mother, grandmother and eventually great-grandmother that she loved most of all. She is survived by her five children; Richard, Andrew, Marisa, Stefan and Christian, ten grandchildren, and one great-grandchild.

While we will mourn her passing, hers is a life that will be celebrated and honored by the people of Columbia and the state of Connecticut for years to come.

#### CONGRATULATING MERCY SPECIAL CARE HOSPITAL IN NANTICOKE ON THE OCCASION OF ITS 100TH ANNIVERSARY

#### HON. PAUL E. KANJORSKI

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 23, 2009*

Mr. KANJORSKI. Madam Speaker, I rise today to ask you and my esteemed colleagues in the House of Representatives to pay tribute to Mercy Special Care Hospital in Nanticoke, Pennsylvania, on the occasion of a century of service to the citizens of northeastern Pennsylvania.

In October, 1909, responding to community growth due to coal mining and subsequent mine accidents as result of that burgeoning industry, Nanticoke Hospital was born. No longer would injured miners be simply dropped on their porch or would their families go without needed medical treatment.

Throughout those 100 years the hospital endured two World Wars, the Great Depression, epidemics, merger and closure threats. It also saw new forms of insurance, the Medicare program for seniors and disabled as well as affordable healthcare for children and the poor. It also witnessed a time of more life saving drugs and procedures than ever before.

This small community hospital saw horse-drawn carriages give way to motorized ambulances and oxygen tents that led to ventilators. It would also respond to policy initiatives from eighteen United States Presidents. But, most importantly, Nanticoke Hospital cared for tens of thousands of patients, many of them poor, most of them uninsured. Human need was tended by hundreds of dedicated staff and physicians.

Renamed Mercy Special Care Hospital in 1994, it was one of the first long term care hospitals in Pennsylvania. From its success in Nanticoke, a satellite at Mercy Scranton was developed.

This year both sites will explore or undergo major renovations and changes to meet patient, physician and staff needs. That will include things such as increased beds, room upgrades, new outpatient renovation and areas of new growth such as the Area Agency on Aging Nanticoke Senior Center on campus that will be visited daily by older adults.

Mercy Special Care Hospital also holds the distinction of having the first wound care and hyperbaric unit in Luzerne County, a service that continues to grow in response to community need.

Throughout 2009 and beyond, this important facility will look toward the future but never lose sight of the challenges faced daily.

The Sisters of Mercy, Mercy Health Partners and Catholic Healthcare Partners are proud sponsors of this great institution at this historic time.

Madam Speaker, please join me in congratulating Mercy Special Care Hospital. The invaluable services they have rendered to the community for over a century have been inspirational to countless others who share the commitment to helping those in need and has made vast improvement to the quality of life for generations.

So important has their contribution been that they deserve the highest measure of our gratitude and respect.
