EARMARK DECLARATION

HON. PETER J. ROSKAM

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 23, 2009

Mr. ROSKAM. Madam Speaker, pursuant to Republican standards on disclosure for Member project requests, I am submitting the following information regarding projects I support for inclusion in H.R. 3288, the Transportation, Housing and Urban Development, and Related Agencies Appropriations Act of 2010.

Congressman PETER J. ROSKAM: H.R. 3288, Department of Housing and Urban Development, Economic Development Initiative account for the Revitalization of the South Villa Corridor in Villa Park, Illinois. The entity to receive the \$250,000 in funding for this project is the Village of Villa Park, 20 S. Ardmore Avenue, Villa Park, IL 60181. It is my understanding that the funding would be used to provide aesthetic enhancements and redevelopment opportunities to promote and attract increased economic development activity. This funding will help the village move toward economic growth and recovery even in this climate, fulfilling a great need for the village and the region.

Congressman PETER J. ROSKAM: H.R. 3288, Department of Transportation, Federal Transit Administration, Alternatives Analysis Program account for the Pace J-Route Bus Rapid Transit Project. The entity to receive funding for this project is Pace Suburban Bus, 550 W. Algonquin Road, Arlington Heights, IL 60005.

It is my understanding that the funding would be used to complete the federally-required alternatives analysis for the Bus Rapid Transit project. The alternatives analysis study will determine the preferred mode (bus/rail), specific alignment, design and capital and operating costs. Once constructed, this project will create a high-speed transit option for commuters between Schaumburg, O'Hare Airport, Oakbrook and Naperville. Bus Rapid Transit (BRT), if selected as the preferred mode, is based on signal priority for buses at traffic signals along arterial routes, roadway improvements like exclusive bus lanes and "queue jump" lanes, real-time travel information signs at significant stops along the route using the Intelligent Bus System already installed on all Pace buses, and dissemination of real-time travel information to passengers, dispatchers, planners, and customer relations staff using a variety of electronic media. The project will provide a much-needed new transit option for residents, commuters and workers in DuPage and northern Cook Counties. The service would allow faster, more reliable service on congested suburban streets.

EARMARK DECLARATION

HON. ROBERT J. WITTMAN-

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 23, 2009

Mr. WITTMAN. Madam Speaker, pursuant to the Republican Leadership standards on earmarks, I am submitting the following information regarding the earmark I received as part of H.R. 3288, the Departments of Transportation, Housing and Urban Development and Related Agencies Appropriations Act, 2010.

Project Name/Amount: Hampton Roads Transit Bus Acquisition, \$1,450,000

Intended Recipient of Funds: Transportation District Commission of Hampton Roads, 3400 Victoria Boulevard, Hampton, VA 23661

Project description and explanation of the request: This funding would be used for the purchase of four hybrid electric buses which will reduce harmful emissions and increase energy savings, while providing vital public transportation for the Hampton Roads area. These buses are needed to replace vehicles that have exceeded their useful lifespan as defined by the FTA.

Project Name/Amount: Potomac and Rappahannock Transportation Commission Western Maintenance Facility, \$1,000,000

Intended Recipient of Funds: Prince William County, 1 County Complex, Prince William, VA 22192

Project description and explanation of the request: This funding would be used for a PRTC Western Bus Maintenance and Storage Facility on the western side of Prince William County. Buses maintained and stored in this facility will provide commuter bus service in the I-66 corridor to the West Falls Church Metro Station or Downtown DC and local neighborhood service in Western Prince William County.

EARMARK DECLARATION

HON. TIM MURPHY

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 23, 2009

Mr. TIM MURPHY of Pennsylvania. Madam Speaker, pursuant to the Republican Leadership standards on earmarks, I am submitting the following information regarding earmarks I received as part of H.R. 3293—Departments of Labor, Health and Human Services, and Education, and Related Agencies Appropriations Act, 2010:

REQUEST NUMBER 1

Requesting Member: Congressman TIM MURPHY

Bill Number: H.R. 3293—Departments of Labor, Health and Human Services, and Education, and Related Agencies Appropriations Act, 2010

Account: Higher Education (includes FIPSE)
Legal Name of Requesting Entity: St. Vincent College

Address of Requesting Entity: 300 Fraser Purchase Road, Latrobe, PA 15650

Amount: \$150,000

Description of Request: Saint Vincent College is currently engaged in a capital project to expand and renovate facilities for mathematics and science education as part of a \$42.5 million campaign to strengthen the Boyer School. The expansion of academic programs, combined with an increasing student enrollment and active faculty and student research agenda, have created a critical need for new science center facilities, particularly interdisciplinary research laboratories. Federal grant funds, if awarded, would be applied to these costs and may include, for example, specialized instrumentation for a biochemistry laboratory, including the acquisition and installation of a NMR and GC mass spectrometer, equipment for a materials science laboratory, and a planetarium projector.

I certify that this project does not have a direct and foreseeable effect on the pecuniary interests of me or my spouse.

I took extreme care to ensure that these projects are well vetted and strongly supported within the community. The state-of-the-art laboratory and teaching facilities for the Herbert W. Boyer School of Natural Sciences, Mathematics, and Computing appropriation is of particular interest to my district and importance to my constituents.

REQUEST NUMBER 2

Requesting Member: Congressman TIM MURPHY

Bill Number: H.R. 3293—Departments of Labor, Health and Human Services, and Education, and Related Agencies Appropriations Act, 2010

Account: Centers for Disease Control and Prevention (CDC)

Legal Name of Requesting Entity: Family Hospice and Palliative Care

Address of Requesting Entity: 50 Moffett St., Pittsburgh, PA 15243

Amount: \$100,000

Description of Request: Funds will be used to staff and purchase materials for on-going educational programs on end-of-life care for patient families, general public, volunteers and healthcare professionals within Family Hospice and Palliative Care's Center for Compas-

sionate Care, in Mt. Lebanon, PA. Through hands-on training in medical equipment used for homecare, confidence-building seminars, workshops with clinical staff and colloquiums to increase certification in hospice and palliative care among healthcare professionals, the goal of Education Outreach is to enhance the quality of life for persons entering their final months.

I certify that this project does not have a direct and foreseeable effect on the pecuniary interests of me or my spouse.

I took extreme care to ensure that these projects are well vetted and strongly supported within the community. The Center for Compassionate Care Education Outreach appropriation is of particular interest to my district and importance to my constituents.

REQUEST NUMBER 3

Requesting Member: Congressman TIM MURPHY

Bill Number: H.R. 3293—Departments of Labor, Health and Human Services, and Education, and Related Agencies Appropriations Act, 2010

Account: Centers for Disease Control and Prevention (CDC)

Legal Name of Requesting Entity: Mario Lemieux Foundation

Address of Requesting Entity: 50 Abele Road, Suite 100, Bridgeville, PA 15017

Amount: \$100,000

Description of Request: The Mario Lemieux Foundation, in conjunction with UPCI, recognizes the need for additional community awareness and education. With increased funding for patient and community education, outreach and awareness activities, MLF's Hodgkin's Disease Patient and Public Education Outreach Initiative could do the following: Create a Self-Teaching Continuing Medical Education module, expand the "Reason to Hope" lecture series to an additional twenty sites, develop educational materials, provide consumer education in local libraries, community centers, hospitals, churches and other venues, purchase new books on Hodgkin's disease and related issues (fertility, age appropriate information for patients' children and teens, nutrition, coping and inspirational stories), develop educational community events at UPMC Cancer Centers sites on various aspects of Hodgkin's disease including a speaker series to appeal to all age groups, genders and interests.

I certify that this project does not have a direct and foreseeable effect on the pecuniary interests of me or my spouse.

I took extreme care to ensure that these projects are well vetted and strongly supported within the community. The Hodgkin's Disease Patient and Public Education Outreach Initiative appropriation is of particular interest to my district and importance to my constituents.

REQUEST NUMBER 4

Requesting Member: Congressman TIM MURPHY and Congressman JOHN MURTHA

Bill Number: H.R. 3293—Departments of Labor, Health and Human Services, and Education, and Related Agencies Appropriations Act, 2010

Account: Health Resources and Services Administration (HRSA)—Health Facilities and Services

Legal Name of Requesting Entity: Monongahela Valley Hospital

Address of Requesting Entity: 1163 Country Club Road; Monongahela, PA 15063

Amount: \$400,000

Description of Request: In the coming year, Monongahela Valley plans critical new acquisitions to continue its ongoing effort to serve its patients more effectively. Specifically, the hospital must replace three key pieces of diagnostic equipment that are vital to hospital operations but that have all come to the end of their useful lives. Such equipment is absolutely essential to the hospital's continued ability to serve its community. This advanced digital diagnostic technology will allow health care providers to detect diseases earlier and to share those findings more quickly and across greater distances, which is important in an area like the Monongahela Valley. Earlier detection of diseases improves the quality of life for patients, even saving lives, and saves money because when diseases are discovered in earlier stages, they are easier and less expensive to treat and are treated more successfully.

I certify that this project does not have a direct and foreseeable effect on the pecuniary interests of me or my spouse.

I took extreme care to ensure that these projects are well vetted and strongly supported within the community. The Diagnostic Radiologic Equipment appropriation is of particular interest to my district and importance to my constituents.

REQUEST NUMBER 5

Requesting Member: Congressman TIM MURPHY

Bill Number: H.R. 3293—Departments of Labor, Health and Human Services, and Education, and Related Agencies Appropriations Act, 2010

Account: Health Resources and Services Administration (HRSA)—Health Facilities and Services

Legal Name of Requesting Entity: Seton Hill University

Address of Requesting Entity: 1 Seton Hill Drive, Greensburg, PA 15601

Amount: \$500,000

Description of Request: Orthodontics improve oral health, function, esthetics and most importantly quality of life. However, significant disparities exist regarding access to orthodontic services for low-income families. Orthodontists have particularly low participation rates in Medicaid programs. Reasons for this include low fee reimbursement, negative perceptions of Medicaid patients and high rates of noncompliance. Access to orthodontics care continues to worsen as the weak economy has left many more families without health and dental insurance. This problem has been exacerbated in Southwestern Pennsylvania as the only area orthodontics clinic (at Westmoreland Hospital) that treated the indigent population closed its doors two years ago. FY10 would be used to develop the Advanced Certificate in Orthodontics at Seton Hill University and help outfit the required clinic facilities, which will also serve indigent families' clinical care.

I certify that this project does not have a direct and foreseeable effect on the pecuniary interests of me or my spouse.

I took extreme care to ensure that these projects are well vetted and strongly supported within the community. The Orthodontics Program at Seton Hill University appropriation is of particular interest to my district and importance to my constituents.
