

The \$250,000 included in H.R. 3293 will be used in its entirety for the procurement and installation of the dedicated Breast MRI machine. Legal Name of Requesting Entity: Gordon Hospital

Address of Requesting Entity: 1035 Red Bud Road, Calhoun, GA 30701

Description of Request: Gordon Hospital in Calhoun, Georgia is committed to meeting the needs of patients and increasing access to medical records. It is the common goal of hospitals, healthcare industry, and the private and public sector to increase the use of electronic medical records. In fact, health IT policy was passed as a part of the larger stimulus package, earlier this year although the bulk of the funding was provided for incentives for those who have already adopted, instead of funding for implementation.

Connecting medical providers to provide a more comprehensive medical history of a patient not only lowers healthcare costs but also leads to quicker diagnosis and treatment of patients. Therefore, Gordon Hospital is seeking federal aid to purchase a Community Electric Medical Record System. This system will allow for easier interface with doctors consulting patients in a variety of specialties and also allow easier access to medical records for our patients.

The \$150,000 included in H.R. 3293 will be used in its entirety for the purchase of Community EMR Software.

Legal Name of Requesting Entity: Kennesaw State University

Address of Requesting Entity: 1000 Chastain Road, MD 0101, Kennesaw, GA 30144-5591

Description of Request: Kennesaw State University is preparing to begin construction of a new Health Sciences Building. This facility will help expand the nursing program and will address the growing nursing shortage—locally and nationally.

The number of Registered Nurses in the United States continues to remain below its target and Georgia consistently ranks below the national average. The Georgia Hospital Association's 2006, "Changing Demographics—Bridging Generations," shows an RN vacancy rate in member hospitals of 10.7% in 2006. There is 1 nurse for every 753 Georgians, putting the state in the bottom fourth of the country, it says.

The nationwide shortage of nursing faculty poses another threat to the future of healthcare in America. Kennesaw State University's School of Nursing recently received Board of Regents approval to launch a Doctorate of Nurse Science that will help create a stronger pipeline of nursing faculty to teach fu-

ture generations of nurses and easier interface with doctors consulting patients in a variety of specialties and also allow easier access to medical records for our patients.

The \$100,000 included in H.R. 3293 will be used to assist in the efforts of this project. Specifically, the Fiscal Year 2010 federal funds will consist of following budget items: Construction costs for engineering data, surveys, and laboratory testing that will equal \$100,000.

Mr. QUIGLEY. Madam Speaker, I rise today in recognition of Sweet Miss Giving's. This bakery with a social conscience has helped the homeless and HIV-positive of Chicago by creating jobs, teaching skills, and giving back to the community.

Sweet Miss Giving's arose to give the homeless and disabled of Chicago an opportunity to obtain practical skills through real world working experience. The bakery gives participants a place to work after completing job training so they may gain the confidence and talent enabling them to find work in the future. Their decadent baked goods are currently being sold at dozens of local businesses and restaurants around Chicago and over fifty percent of proceeds are donated to Chicago House, the first provider of AIDS housing in the Midwest.

Sweet Miss Giving's offers hope of achieving self-sufficiency for those who had previously considered themselves unemployable. I am proud to recognize the hard work, ingenuity, and charity of this bakery that improves people's lives and their prospects for the future.

HONORING THE CITIES OF COLUMBUS AND NORFOLK

HON. ADRIAN SMITH

OF NEBRASKA

IN THE HOUSE OF REPRESENTATIVES

Friday, July 24, 2009

Mr. SMITH of Nebraska. Madam Speaker, I rise today to congratulate two cities in my district for being named to the list of 100 best small towns to live in in America by Money Magazine.

Columbus was recognized for its low jobless rate with its industry and manufacturing infrastructure providing employment for more than 5,700. Columbus is home to major agricultural equipment companies and the Nebraska Public Power District. Glur's Tavern, the oldest bar west of the Missouri River reminds residents of the days when Buffalo Bill Cody frequented the area.

Money Magazine took note of Norfolk's public school system. The 13 schools in the K12 district are relatively diverse, teacher-student ratios are often under 1:20, and the "Challenge" program offers differentiated instruction for academically talented children. It was also pointed out that Norfolk is a major retail trade center for northeast Nebraska, and the manufacturing industry in the city employs more than 4,000 people.

These designation weren't accidents. Columbus and Norfolk are strong communities of people who care for each other, who help out during hard times, and who live up to the benchmarks set by our forefathers.

So, congratulations to Columbus and Norfolk for representing Nebraska and making us proud.

OLAJU "O.J." GREEN

HON. STEVE AUSTRIA

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Friday, July 24, 2009

Mr. AUSTRIA. Madam Speaker, I rise today on behalf of the constituents of Ohio's 7th Congressional District to express our deepest sympathies to the family and friends of Olaju "O.J." Green and to recognize the numerous achievements of this outstanding young man.

O.J. was a not only an excellent student in the classroom, but was also a leader and standout athlete for Canal Winchester High School's Football Team. He was both dedicated and hardworking, leading his football team to qualify for the state playoffs.

In addition to his successes in the classroom and on the football field, he was also a great artist. I met O.J. through his participation in the 7th Congressional District Art Show. His pencil drawing submitted for the art show was thought provoking and clearly showed his talent. It was an honor for me to meet this bright, well-rounded and articulate young man.

My thoughts and prayers are with the family and friends during this time of terrible loss.
