When her country called during World War II, Senator Malchon became a civilian employee for the Army even though it required her to leave home for Hawaii. Prior to joining the Committee, she worked as a Legislative Assistant to Rep. George E. Brown (D-CA) in the areas of agriculture, resource management, energy, and the environment.

Since becoming Staff Director, Jean has played a pivotal role in several of the Committee's key pieces of legislation including the Energy Independence and Security Act, the America COMPETES Act, and the National Climate Service Act.

Madam Speaker, I congratulate Steve Moses for his lengthy and influential career, and thank him for his many outstanding contributions to the city of Chicago. I wish him the best of luck and continued happiness in his retirement and all his future endeavors.

MOURNING THE DEATH OF
SENATOR EDWARD KENNEDY

HON. EDDIE BERNICE JOHNSON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 8, 2009

Ms. EDDIE BERNICE JOHNSON of Texas. Madam Speaker, I rise today to express my deep sadness and regret for the passing of Senator EDWARD KENNEDY. The world has lost a tremendous leader and an exceptional spirit. Senator KENNEDY's voice was a unique source of inspiration on the Senate floor, and he will be greatly missed for his public service and work to improve the lives of the less fortunate.

Senator KENNEDY was arguably one of the most influential Senators in United States history. He was an exceptionally accomplished legislator who authored roughly 2,500 pieces of legislation over the course of his 46-year-long career in the United States Senate. More than 300 of Senator KENNEDY's bills went on to become law, and he had a rare ability to reach across party lines in the interest of passing important pieces of legislation. He was always well versed on policy issues and highly prepared for committee hearings and floor debates.

As the Chairman of the Senate Health, Education, Labor and Pensions Committee, Senator KENNEDY courageously led the push to reform our nation's failing health care system. He strongly believed that all Americans deserved to have access to affordable health care options and supported a number of initiatives, including America's Affordable Health Choices Act of 2009. Senator KENNEDY also helped enact the State Children's Health Insurance Program, the Medicare prescription drug benefit, the Ryan White Care Act and the Family Medical Leave Act.

Although health care was Senator KENNEDY's passion, he was also committed to combating discrimination. Even when it was politically unpopular, Senator KENNEDY believed in an America where ethnic minorities and women were treated equally. He supported Title IX, which outlawed discrimination on the basis of sex in institutions of higher education and the renewal of the Voting Rights Act, which banned racially discriminatory voting requirements.

My prayers go out to the Kennedy family in this time of profound grief. I ask my fellow colleagues to join me in remembering the life of a true American hero who dedicated his life to improving the lives of others.

HONORING MR. JOHN RAILLEY

HON. C.A. DUTCH RUPPERSBERGER

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 8, 2009

Mr. RUPPERSBERGER. Madam Speaker, I rise before you today to honor Mr. John Railey in recognition of his 50 years of dedicated federal service.

"The fun part of accounting is finding the things that went wrong and figuring out how to fix them." This statement by John Railey summarizes the attitude that has made him an anchor at the Coast Guard Yard in Baltimore, Maryland, where he has served both on the waterfront and in the Fiscal Department for five decades.

A lifelong resident of Baltimore, Mr. Railey began his federal career at the Coast Guard Yard in the Sheet Metal Shop as an apprentice. Upon completion of his apprenticeship program, Mr. Railey excelled as a sheet metal worker. He was selected as the first tradesman at the Yard to be trained to program and operate the first computer-controlled equipment at the Yard. Seeking to become a foreman, Mr. Railey pursued Yard-required management courses at the University of Baltimore. In 1968, Mr. Railey successfully completed his college degree in Business Management.

In 1969, Mr. Railey took a position as a Planner/Scheduler in the Industrial Engineering Division. Interested in learning the business-end of the Yard, he took a position as an Accounting Technician in the Fiscal Department in 1974. With his attention to detail and relentless problem solving skills, Mr. Railey was promoted from an Accounting Technician to an Accountant, where he has excelled as the Yard's expert on the financial administration of Yard Project Orders. Mr. Railey has mentored numerous members of the Fiscal Staff and has assisted scores of project managers in the Industrial Staff. Throughout his tenure with the Coast Guard Yard, he has continued to demonstrate remarkable conscientiousness. Mr. Railey's eagerness to troubleshoot accounting anomalies in any project is inspiring to each and every colleague.
