

EXTENSIONS OF REMARKS

HONORING PHYLLIS ELLMAN

HON. LYNN C. WOOLSEY

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 9, 2009

Ms. WOOLSEY. Madam Speaker, I rise today to honor Phyllis Ellman, who died on June 2 at the age of 86. An activist in Marin and Sonoma Counties for more than 40 years, Phyllis was a leader who cared deeply about her community, its people and the environment.

The oldest of four children born in 1923 in Des Moines, Iowa, Phyllis had deep roots in America as one of her ancestors was the military secretary to Gen. George Washington. Phyllis joined the U.S. Army during World War II, and after her honorable discharge, she earned a BS in biology at Kansas State University. She earned a master's degree in biochemistry at Washington State College, where she also met her future husband, George. Six months later they married and moved to Pasadena, California, where Phyllis taught at Cal Tech while George completed his PhD.

In 1958 the Ellmans moved to Tiburon, Marin County, where Phyllis became an avid hiker. She developed a passion for wildflowers and was expert in identifying the unique flowers of the Tiburon hills earning the moniker, "Mother Botany." A member of the California Native Plant Society, she wrote two booklets on the local flora of Ring Mountain.

Always an activist, she pushed for the creation of the Tiburon Bike Path, was appointed to the Tiburon Parks and Recreation Commission in 1973, helped launch the first South of the Knoll playground in Richardson Bay Lineal Park, and with Marilyn Knight, Phyllis established the Belvedere Tiburon Child Care Center, the first such center on the peninsula.

It is Ring Mountain for which she is fondly remembered as being the catalyst saving it from development. Walkers can now hike to the top of Ring Mountain on the Phyllis Ellman Trail which honors her years of public service and devotion to her community.

In 1980 the Ellmans moved to Glen Ellen, Sonoma County, where Phyllis was a dedicated docent at the Bouverie Preserve. She also sang with the Quercus Quire, a group she helped start who performs for elementary school audiences, singing about environmental issues to about 2,000 children each year.

Phyllis leaves her husband of 60 years, George Eliman of Glen Ellen, who is a former Tiburon mayor and town councilmember. Devoted to her family, she also leaves a daughter, brother, two sisters, and seven nieces and nephews.

Madam Speaker, Phyllis Eliman will be missed by so many who shared in her work and passions. An activist in the best sense, she was a valued member of the Marin and Sonoma communities. Her friendship and bright spirit will be missed by all who had the opportunity to know her.

EARMARK DECLARATION

HON. JOHN LINDER

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 9, 2009

Mr. LINDER. Madam Speaker, pursuant to the Republican Leadership standards on earmarks, I am submitting the following information regarding funding that I requested as part of H.R. 3183, the Energy and Water Development and Related Agencies Appropriations Act, 2010.

Requesting Member: Representative JOHN LINDER

Bill Number: H.R. 3183, Energy and Water Development and Related Agencies Appropriations Act, 2010

Account: U.S. Army Corps of Engineers Construction General

Legal Name of Requesting Entity: U.S. Army Corps of Engineers, Savannah District
Address of Requesting Entity: 100 W. Oglethorpe Avenue, Savannah, GA 31401

Description of Request: This project proposes to deepen the Savannah River Federal navigation channel an additional 6 feet, allowing the Georgia Ports Authority to more efficiently serve the demands of U.S. commerce; remain a valuable asset to the marine transportation system; and handle the currently constrained vessels calling the port, and allow for larger vessels expected to call the port following the Panama Canal expansion. \$1.3 million of the funds are critical for the completion of ongoing environmental studies in order to move to the construction phase. General construction funding of \$33.7 million is necessary to continue the initial construction phase of the Savannah Harbor Expansion Project. The expansion will allow the Port of Savannah to accommodate larger ships and provide the economic stimulus that new, larger ships currently bring rival East Coast ports in New York and Norfolk, Virginia.

CONGRATULATING THE AMERICAN COUNCIL OF ENGINEERING COMPANIES

HON. EDDIE BERNICE JOHNSON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 9, 2009

Ms. EDDIE BERNICE JOHNSON of Texas. Madam Speaker, I rise today in support of H. Res. 447 to congratulate the American Council of Engineering Companies for its dedicated service to America's engineering industry and to celebrate its 100th anniversary this year.

As a strong supporter of the engineering industry and someone who recognizes the vital work that engineers and related professionals perform, I believe it is of the utmost importance to honor the American Council of Engineering Companies for its role in supporting the engineering industry. With more than

5,500 firms throughout the country, this Council has grown from a small group of engineers to an incredibly influential federation of 51 state and regional councils that represent a large cross-section of America's engineering industry. Through its help, America has some of the best engineering structures in the world that allow us to drink fresh water, travel efficiently, and lead an all-around healthier and happier lifestyle.

I ask my fellow colleagues to join me today and support H. Res. 447 to honor the American Council of Engineering Companies for their 100 years of service. Truly, we have all benefitted immensely from the council's efforts and dedication to improving the lives of every American citizen, and I extend my deepest thanks and appreciation for their hard work.

EARMARK DECLARATION

HON. HENRY E. BROWN, JR.

OF SOUTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 9, 2009

Mr. BROWN of South Carolina. Madam Speaker, I submit the following:

Requesting Member: HENRY E. BROWN, JR.
Bill Number: H.R. 3326, Department of Defense Appropriations Act, 2010

Account: RDTE, Army
Legal Name of Requesting Entity: ALS TDI
Address of Requesting Entity: 215 First Street, Cambridge, MA 02142

Description of Project: Continued support of its cutting edge fast track drug discovery & translational research program and to support clinical trials of effective drugs. (1) Identify physiological pathways and molecules in animal models of disease progression. Compare animal gene expression (transcriptome) to that of humans by employing the largest database ever compiled of animal and ALS patient samples. (2) Operate large scale validation program, using profiling technologies, to modulate gene expression in those genes determined to be candidates for disease effect. (3) Create a comprehensive translational medicine initiative to identify biomarkers for disease staging and prognosis, and drug efficacy and patient response.

Requesting Member: HENRY E. BROWN, JR.
Bill Number: H.R. 3326, Department of Defense Appropriations Act, 2010

Account: RDTE, Army
Legal Name of Requesting Entity: South Carolina Research Authority
Address of Requesting Entity: 5300 International Boulevard, Charleston, SC 29418

Description of Project: Once fully configured, the Army expects a 5x-10x reduction in delivery times for poured metal part base shapes using TacFab versus conventional procurement processes. Given the Army's considerable interest in and support for the TacFab program to date, it is essential that the program be expeditiously completed to deliver the critical support the warfighters are seeking.

• This "bullet" symbol identifies statements or insertions which are not spoken by a Member of the Senate on the floor.

Matter set in this typeface indicates words inserted or appended, rather than spoken, by a Member of the House on the floor.

This final increment being requested in FY 2010 will result in a mobile, rapidly deployable asset, both in theater and within the U.S. in support of RESET operations. This program will cut costs and improve efficiency, cutting waiting time for parts from weeks or months to only 24 hours.

Requesting Member: HENRY E. BROWN, Jr.

Bill Number: H.R. 3326, Department of Defense Appropriations Act, 2010

Account: RDTE, Army

Legal Name of Requesting Entity: South Carolina Research Authority

Address of Requesting Entity: 5300 International Boulevard, Charleston, SC 29418

Description of Project: This project will have an important impact on the Army as it will contribute greatly to the military efforts our troops are currently engaged in around the world and here at home. HIPER will implement a program which ensures the provision of the best and safest weaponry to the warfighter and in the quickest and most efficient way, by replacing parts and resetting weapons more quickly and at reduced cost. This will help keep our troops safe and fully equipped with the optimum defense mechanisms they need to effectively complete their missions, while using cutting-edge technology to reduce costs and lower wait times. To achieve this goal we will be relying on industrial and government partners in numerous states, resulting in employment sustained and created via manufacturing and research requirements.

IN RECOGNITION OF THE DEDICATION OF A NEW SERVICE AND WORSHIP CENTER AT PINE TERRACE BAPTIST CHURCH

HON. JEFF MILLER

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 9, 2009

Mr. MILLER of Florida. Madam Speaker, I rise today to recognize the dedication of a new worship center at Pine Terrace Baptist Church in Milton, Florida. Pine Terrace Baptist has long been a positive force in Northwest Florida, and I am proud of their tremendous contributions to the community.

Pine Terrace Baptist Church began as a mission of another Milton church, Ferris Hill Baptist. In March of 1970, church members of Ferris Hill Baptist set out to create a mission northwest of Milton, and on July 5, 1972, several church families met at a congregant's home. 42 people were present at the first meeting, and continued to meet at members' homes until the church's first building was completed. The first worship service was held in the new building on May 13, 1973, and the mission was officially constituted as Pine Terrace Baptist Church on August 19, 1973 with 48 members.

Since 1973, Pine Terrace has grown to over 1,600 members. A fellowship hall was added in 1976, a children's wing was built in 1978, and a new sanctuary was constructed in 1984. Today the church owns close to 19 acres of land. Seven pastors have served at Pine Terrace since its foundation, and current Pastor Dr. Michael Wiggins has served since 1987. This year the church celebrates the opening of a new worship and service center which will also house administrative facilities and the

music suite. The construction of this new building can be traced directly back to the passion of the congregation and its leaders. The church's motto encompasses what all Americans should strive to achieve: "Loving God. Loving People. Serving the World."

Madam Speaker, on behalf of the United States Congress, I am privileged to honor Pine Terrace Baptist Church upon the dedication of their new worship center. My wife Vicki and I wish the best for continued growth and service to Pastor Wiggins and the entire church family.

EARMARK DECLARATION

HON. DENNY REHBERG

OF MONTANA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 9, 2009

Mr. REHBERG. Madam Speaker, pursuant to the Republican Leadership standards on earmarks, I am submitting the following information regarding earmarks I received as part of H.R. 3326—Department of Defense Appropriations Act, 2010:

Requesting Member: Representative DENNY REHBERG

Bill Number: H.R. 3326

Account: 10 0602303A Missile Technology

Name and Address: MSE Technology Applications, Inc. of 200 Technology Way, Butte, MT 59701

Description: \$4,000,000 in funding will be used to develop the wind tunnel technology required to test and evaluate a new generation of missiles, space access vehicles, and high-speed aircraft utilizing ramjet and scramjet propulsion technology.

Requesting Member: Representative DENNY REHBERG

Bill Number: H.R. 3326

Account: 11 0602204F Aerospace Sensors

Name and Address: MSE Technology Applications, Inc. of 200 Technology Way, Butte, MT 59701

Description: \$2,000,000 in funding will be used to develop a ground sensor system, Watchkeeper, which offers unattended use for months at a time, high resolution night/day imaging and global wireless data transfer to command authority.

Requesting Member: Representative DENNY REHBERG

Bill Number: H.R. 3326

Account: 171 0204571N Consolidated Training Systems Development

Name and Address: Advanced Acoustic Concepts of 920 Technology Blvd., Suite C, Bozeman, MT 59718.

Description: \$3,000,000 in funding will be used to increase operator proficiencies by integrating the current Oceanographic and Atmospheric Master Library (OAML) Navy-standard coremodels, algorithms and data bases into a processing efficient Ocean Model for effective high fidelity simulated sonar training.

Requesting Member: Representative DENNY REHBERG

Bill Number: H.R. 3326

Account: 04 Administration and Servicewide Activities DoD Human Resources Activity

Name and Address: University of Montana of University Hall 116, Missoula, MT 59812.

Description: \$2,000,000 in funding will be used to expand training capacity in critical lan-

guages and cultures to supplement DoD and related federal programs that are now operating at or beyond capacity.

RECOGNIZING THE ACCOMPLISHMENTS OF JUNIOR ACHIEVEMENT OF THE MISSISSIPPI RIVER VALLEY

HON. W. TODD AKIN

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 9, 2009

Mr. AKIN. Madam Speaker, I rise today to recognize the accomplishments of Junior Achievement of Mississippi River Valley. In particular, I would like to congratulate the organization's President, Lori Jacob, for winning JA Worldwide's 2009 Karl Flemke Pioneer Achievement Award. This award recognizes significant achievements and contributions of new Junior Achievement USA Member Presidents.

Junior Achievement is the world's largest organization dedicated to teaching students in Kindergarten through 12th grade about the importance of economics, entrepreneurship, and financial literacy. The organization reaches over 9 million students around the world each year, with over 130 local offices in the United States and operations in over 110 countries worldwide. One of the things that makes JA so unique is its use of adult volunteers to bring business to life for students. In the U.S. alone, young people in more than 188,000 classrooms benefit annually from these positive role models.

Ms. Jacob is clearly deserving of receiving this year's Flemke Award.

She began her career with Junior Achievement in 1987, serving in many roles within the Marketing, Education, Development, and Operation departments until she assumed her current position in 2007. Under her leadership, the area reached 127,000 students in over 700 schools this year, on a \$2.7 million budget, making Junior Achievement of Mississippi Valley one of the organization's largest operations in the United States. Ms. Jacobs led the area to become a national two-time winner of JA's most prestigious funding award—the MetLife Entrepreneurial Award. She has been a champion in creating more awareness of JA, and has a volunteer board of directors composed of over 60 leaders of the St. Louis community.

In this current economic climate, teaching students the importance of economics and financial literacy is of the utmost importance, and I congratulate Ms. Jacobs and Junior Achievement of the Mississippi River Valley for their efforts throughout the St. Louis metropolitan area.

HONORING THE SERVICE AND SACRIFICE OF U.S. ARMY 1ST SERGEANT JOSE SAN NICOLAS CRISOSTOMO

HON. MADELEINE Z. BORDALLO

OF GUAM

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 9, 2009

Ms. BORDALLO. Madam Speaker, I rise today to honor the service and sacrifice of
