

then Rev. Richardson led a renovation of the sanctuary and auditorium and property was purchased for a parking lot. Two choirs, the Young Voices of Zion and the Zionaires Gospel Chorus, were organized. Rev. Flowers led the renovation and refurbishing of the Parsonage. Rev. Tate was credited with inspiring many to restore their membership and with enhancing the administration of the Church, and Rev. Collins built on that by establishing a centralized treasury for more efficient management.

In 1991, Rev. Dr. Maven was appointed as Pastor. In the fall of that year, a new parsonage was purchased and the old one was converted into church offices and meeting space. Soon, a 15 passenger van was purchased, and the sanctuary renovated with the installation of new carpet, padding of pews and a new sound system. Slate roofs were replaced and the parking lot resurfaced.

Dr. Maven has led the establishment of many ministries, like the food pantry and clothing bank, a substance abuse support program, Holiday Baskets for the needy and meals for seniors. In 1995, the Alfreida Van Rensalier Memorial Scholarship was established, and has awarded more than \$75,000 in scholarships to college-bound Paterson students. The First Church CDC, now known as Zion CDC, also began in 1995. It cosponsored the development of housing for persons with disabilities and acquired property for future growth. It was awarded a grant in 1996 to provide First-Time Homebuyer Counseling services and continues to provide this service along with foreclosure counseling. Dr. Maven also founded the Paterson Family Success Center in 2006. Housed in the Paterson YMCA, it offers programs, information and referral services to strengthen families. To enhance the spiritual growth and development of the membership, the First Church Christian Training Academy was founded in 1996. Wednesday Worship, a non-traditional contemporary worship service, was started in 2007. Children's Church was also organized.

Dr. Maven's ministry and involvement have not gone unnoticed by the community nor by the A.M.E. Zion Church Denomination, and he is deeply involved in both. He is presently the longest serving tenured Pastor in the 175-year history of the First Church.

The job of a United States Congressman involves much that is rewarding, yet nothing compares to learning about and recognizing the efforts of a wonderful, thriving community like the First African Methodist Episcopal Zion Church in Paterson.

Madam Speaker, I ask that you join all of the members and clergy of the First African Methodist Episcopal Zion Church in Paterson, all those whose faith has been enriched throughout the years, and me in recognizing the outstanding contributions of the First African Methodist Episcopal Zion Church in Paterson to the church community and beyond.

EXPRESSING SENSE OF THE HOUSE REGARDING SEPTEMBER 11, 2001

SPEECH OF

HON. BENNIE G. THOMPSON

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 9, 2009

Mr. THOMPSON of Mississippi. Mr. Speaker, I rise today in strong support of H. Res. 722, which marks the eighth anniversary of September 11, 2001 and solemnly recognizes the lives lost and the sacrifices made on that day.

I want to commend Mr. HOYER and Mr. BOEHNER for bringing this bipartisan resolution to the floor.

None of us will ever forget where we were and what we were doing on the morning of September 11, 2001. The images of the planes hitting the World Trade Center towers, the smoke rising above the Pentagon, and the scattered remnants of flight 93 in that Shanksville, Pennsylvania field will forever be seared in our Nation's consciousness.

This resolution affirms that we continue to mourn the innocent loss of life that occurred that horrific morning and extend our deepest sympathies and prayers to family and friends of the victims. It also pays tribute to the heroism of the first responders, law enforcement personnel, and ordinary citizens who rushed to the aid of their fellow Americans on that darkest of days.

With this resolution, the House not only recognizes the extraordinary heroism of that day but acknowledges the significant strides we have made as a Nation to improve information sharing, strengthen our borders, and enhance our resilience. As a result, the United States is more secure today than it was on September 11, 2001. However, we must not lose sight of what still needs to be done or grow complacent about security. The nature of the terrorist threat demands vigilance at all levels of government and in our communities.

Mr. Speaker, this anniversary represents an opportunity to rededicate ourselves to these efforts and H. Res. 722 is a fitting remembrance of how September 11 changed the course of our Nation's history.

Let us never forget the lives that were lost and the lessons that were learned that day.

IN MEMORY OF JUDGE WILLIAM KIMBERLIN

HON. IKE SKELTON

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Monday, September 14, 2009

Mr. SKELTON. Madam Speaker, it is with sadness that I inform the House of the death of the Honorable Judge William Morian "Bill" Kimberlin, former Circuit Judge of the 17th Judicial Circuit of Missouri.

Judge Kimberlin was born in Garden City, Missouri, in 1915. After graduating from Garden City High School, he attended Central Methodist College in Fayette, Missouri where he received a music scholarship, majoring in Piano. An accomplished musician, he played a variety of instruments and was gifted with a rich baritone voice. After two years, Bill trans-

ferred to the University of Missouri School of Law. He was a loyal alumni and lifetime supporter of MU where his father, children, and grandchildren are also alumni. Judge Kimberlin was pleased to account that he was the first graduate to be awarded a diploma at the 100th anniversary commencement of the University of Missouri.

Upon graduation in 1939, he moved to Harrisonville, Missouri, where he practiced law with the firm Crouch & Crouch. His young legal career was interrupted by the onslaught of WWII where he served four years in the Army Air Corps. For his service in the Mediterranean and European Theatres, he was awarded the Bronze Star Medal for meritorious service and six campaign stars. Before going overseas, Judge Kimberlin met his future wife, Martha Bumby, on the dance floor of the Officers' Club while stationed in Orlando, Florida. The couple was married in 1946 and settled in Harrisonville.

A lifelong Democrat, Judge Kimberlin was elected Mayor of Harrisonville, served two terms as Prosecuting Attorney of Cass County, and served as the City Attorney of Harrisonville. He was elected five times to serve as Circuit Judge of the 17th Judicial Court of Missouri, and served for 29 years. In honor of his great service, a courtroom was named in his honor upon completion of the new Cass County Justice Center in 2004. He was also one of the twelve original committee members appointed by the Missouri Supreme Court to draft the Missouri Civil Approved Jury Instructions for use in all courts of the state and was appointed a Special Judge to sit for a term on the Missouri Supreme Court.

Judge Kimberlin was revered for always treating everyone with dignity and respect, both inside and outside of the courtroom. He dedicated his life to public service, donating much of his time to community organizations and serving on numerous boards and committees. Included were the First Christian Church, Ararat Shrines, American Legion, Veterans of Foreign Wars, Sons of the American Revolution, Cass Lodge #147 A.F. & A.M., Board of Directors of the Missouri Municipal League, district Chairmen of the Thunderbird District of the Kansas City Area Council of Boy Scouts of America, Phi Delta Phi Legal Fraternity, was past President of the Harrisonville Kiwanis and lieutenant-governor of the Division II Kiwanis. At the same time, he was an avid hunter and golfer. Most importantly, Judge Kimberlin was a devoted family man who enjoyed spending time with his wife Martha, his children, Marsha Peters and William Bruce Kimberlin, and two granddaughters, Lauren Kimberlin Peters and Lindsey Morlan Peters.

Madam Speaker, Judge William Kimberlin was an honorable Judge and respected leader in the community. I am certain that the members of the House will join me in extending their heartfelt condolences to his family and friends. He will be greatly missed.

Mr. McCOTTER. Madam Speaker, I rise today to acknowledge and pay tribute to the doctors, nurses, and the entire staff of St. Mary Mercy Livonia, as they celebrate 50 years of providing compassionate care to the citizens of my district.

St. Mary Mercy Livonia was built in the tradition of the Felician Sisters, who were founded by the Blessed Mary Angela in Warsaw, Poland in 1855 as a ministry of healing and service. Her selfless dedication to her fellow citizens played an influential role in the creation of the hospital.

St. Mary Mercy Livonia opened its doors in 1959 with 170 beds, 99 physicians and 300 employees and the hospital has developed extensively since its origin. Today, the hospital includes an innovative Our Lady of Hope Cancer Center, as well as a Heart & Vascular Center and an Inpatient Rehabilitation Unit. The hospital is an essential part of our community and continues to provide caring and comprehensive health care.

HONORING MEXICO ON HER
INDEPENDENCE DAY

HON. CHARLES B. RANGEL

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Monday, September 14, 2009

Mr. RANGEL. Madam Speaker, I rise today to celebrate the 199th anniversary of Mexican Independence Day, which celebrates the historic independence of Mexico from Spanish rule. This momentous day is significant because it represents a sign of justice and equality—rights valued and protected in our great country of the United States. It represents the day when Mexico was able to begin its quest for freedom for the people of that beautiful and spirited country. Our two countries will continue to make sure that the rights of the people come first.

Mexican Independence Day is celebrated on the date that Father Miguel Hidalgo y Castillo, a priest in Dolores, Guanajuato, frustrated with Spanish rule, rang the church bell to gather the people of the town. Hidalgo ignited a fire in the listeners, thus starting Mexico's War of Independence, requesting that the people of Mexico join him in rising against Spanish rule. Just as the soldiers in the American Revolutionary War fought on behalf of our country, these courageous, patriotic men fought to gain the independence of their beloved Mexico. The war lasted 10 years, finally giving Mexico its independence in 1921. Now, this event known as Grito de Dolores or "Cry of Dolores" is joyfully celebrated every year on September 16 by Mexicans all over the world. The red, white, and green flag is proudly displayed on this day during festivities. The green represents independence, the white represents religion, and the red represents union. This occasion is celebrated with food, parties, and the Mexican president delivering the speech that rallied the people to fight for Mexican freedom.

El Centro Comunitario Mexicano, or as it is popularly known, CECOMEX, is one of the oldest active, not-for-profit organizations for Mexican Americans in New York City. It has worked independently as a community organization in East Harlem, catering to the needs of the Mexican American population established in the tri-state area, specifically the area of El Barrio. It is estimated that there are around 35,000 Mexican immigrants or Mexican descendants there. CECOMEX has been organizing Mexican Independence Day festivities since 1996, with attendance growing every year. I would like to commend Consul Ruben Beltran and Ambassador Arturo Sarukhán for their hard work on behalf of the country of Mexico.

Let's pay our respects to those courageous men who fought on behalf of Mexico to help position the country where it is today. I call upon my fellow Members Of Congress to join me in celebrating Mexican Independence Day in honor of all the Mexican immigrants and descendants, not only in my district, but throughout this great nation and world.

TRIBUTE TO FAMILY FARMS LIKE
J & J FARM IN AMHERST, MASSACHUSETTS

HON. JOHN W. OLVER

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Monday, September 14, 2009

Mr. OLVER. Madam Speaker, I rise today to call attention to the continuing importance of family farming in America, well exemplified in my district by J & J Farm of Amherst, which marks its 100th anniversary this year, the same year of the 250th anniversary of the Town of Amherst. Family farming is a long and proud tradition in Massachusetts, and the positive community impact of these farms is as vital as ever. Family farms help maintain economically and socially vibrant rural communities. They serve to conserve and enhance our invaluable soil, water and wildlife habitat for future generations. Most important of all, they provide healthy, high-quality food for American families.

Because of the tremendous importance of family farms and rural communities to our nation and to western Massachusetts in particular, it is fitting that we should recognize the many years of hard work of farm proprietors, like the Waskiewicz family of J & J Farm.

Dimetro and Victoria Waskiewicz immigrated from southern Poland in 1895. Dimetro worked as a farm laborer in the North Amherst area for several years. By 1909 he had saved enough money to purchase a farm on Meadow Street in North Amherst from the Spear family. The original farm consisted of 40 acres with the Mill River running through the east side of the farm. Ten years later another 40 acres were added. Milk, tobacco and onions were the farm's main products.

Dimetro died at the early age of 43. His two eldest sons bought the farm from Victoria in 1930. Joseph and John Waskiewicz began the farm as it is now known, J & J Farm. Joe's son Joseph took over operations following John's retirement in 1970. Cucumbers, potatoes and milk became their main crops. Joseph Sr. retired in 1995 at the age of 86. The farm is now in its fourth generation: Joseph III and Michael now operate the farm with their father.

The past century has brought floods, hurricanes and droughts, but despite hardships and market changes the farm has continued to provide area residents with fresh produce and dairy products. J & J Farm is the last remaining dairy farm in Amherst. The farm operates a seasonal roadside stand that supplements the dairy products with sweet corn, another specialty.

We must sustain our rural communities so that future generations of family farmers, like the Waskiewicz family, will enjoy the dignity of a good day's work and the reward of seeing the tangible yield of their labors with the land and with livestock. It is my hope that future generations will maintain the tradition of family farming that the Waskiewicz family built at J & J Farm, and that America will sustain its family farms through the 21st century and beyond.
