

her graduation, served as a briefing attorney for the Texas Attorney General and in private practice in Dallas.

Lillian came to Washington 15 years ago to work on the Hill, and has served in the offices of many of our dear friends and colleagues. Lillian first worked as press secretary and then Chief of Staff to Congresswoman Eddie Bernice Johnson. With Congresswoman Johnson, Congressman Jesse Jackson, Jr., and the National Association for the Advancement of Colored People Legal Defense Fund, Lillian helped organize a historic bus tour throughout the south to highlight the impact of the Supreme Court's decision in *Shaw v. Reno* (1993) on voting rights and minority districts. Lillian went on to serve as the Legislative Director for Congresswoman Barbara Rose Collins, with whom she worked to draft several amendments to the 1996 Telecommunications Act to increase minority ownership of commercial broadcasting companies. Lillian continued on as Press Secretary and Chief of Staff for Congressman Alcee Hastings. She organized Vice President Al Gore's first environmental justice site tours of southern Florida's minority communities and brownfield lands, and during the 2000 Presidential election, Lillian served as an area political director for the Gore recount committee. Following the September 11 terrorist attacks, Lillian helped usher through a \$125 million grant to assist the Nation's tourism industry, and she successfully managed the effort to secure the Health Care Financing Administration's approval of the Dean Ornish Program for reversing coronary heart disease. Lillian then served as the Chief of Staff to Congresswoman Sheila Jackson-Lee, where she worked with the Houston community in the wake of Enron's collapse. During the 2002 Florida Governor's race, Lillian worked as the Get-Out-the-Vote director for Miami-Dade County Democrats.

Lillian joined the Judiciary Committee in 2003 and has made numerous contributions to the committee's civil rights, criminal justice, and government oversight work. She helped secure funding for the expansion of the U.S. Marshal Service's Safe Surrender Initiative to seven additional States, including the District of Columbia and my home State of Michigan. She visited the Texas-Mexico border several times to investigate government's response to the high-death tolls and helped with the committee's immigration field hearings in Texas, Michigan, California, and Iowa. She led the House's investigation into the wrongful firing of rail workers under the Transportation Security Administration's Transportation Worker Identification Card program, which ultimately resulted in the reinstatement of 36 workers. She successfully led the Committee's effort to release three inmates wrongfully incarcerated in solitary confinement for 36 years in the Angola Penitentiary in Louisiana, and she and I recently met with Governor Bobby Jindal to discuss the prisoners' final release. She organized committee hearings on FBI whistleblower protections; the Justice Department's role in the Jena Six cases; and voter intimidation during the 2006 elections, which featured then-Senator Barack Obama as a witness.

On behalf of the Judiciary Committee, its staff, and this distinguished body, I would like to thank Lillian for her service. Throughout her time on the Hill, she has been a stalwart voice for social justice and the under-represented. Lillian is a tour-de-force that will be sorely

missed. Her spirit, loyalty, wit, generosity, and professionalism have made all of the offices in which she has worked places to belong and places to thrive. We are losing a dear advisor, mentor, and friend.

We wish her the best of luck and extend to her our deepest gratitude.

IN RECOGNITION OF THE FRED
BABER FAMILY AS THE 2009
OKALOOSA FARM FAMILY OF
THE YEAR

HON. JEFF MILLER

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Monday, September 14, 2009

Mr. MILLER of Florida. Madam Speaker, it is a great honor for me to rise today to extend congratulations to the Fred Baber family for being selected the 2009 Okaloosa County Farm Family of the Year.

Mr. Fred Baber, the family's patriarch, celebrated his 90th birthday this year, but he still loves to rise before dawn and head out to farm in Laurel Hill, Florida. He is the herd manager for Roger's Ranch and manages 60 head of cattle. In their early days as Ohio farmers, Fred and his brother were pioneers in the fields of artificial insemination (AI) and dairy herd improvement association milk testing (DHIA). Fred brought his advanced knowledge of these techniques to Florida. He also built one of the first Harvester silos in the local area, and was instrumental in bringing the Tampa Independent Dairy Farmers Milk Co-op to the Florida panhandle.

Fred's family is a huge part of his successful farming career. His son Andy helps him run the family farm, producing peanuts, soybeans, and hay. Andy, the oldest of eight Baber children, and his wife Barbara both work at Ruckel Properties. Andy also serves on the Okaloosa County Farm Services Agency Board.

Madam Speaker, on behalf of the United States Congress, I would like to offer my congratulations to Baber family's tireless work and dedication to family, faith and trade. They are a role model for all of us. My wife Vicki and I wish their entire family best wishes for continued success.

TRIBUTE TO SAN DIEGO POWER
SURGE 96

HON. DUNCAN HUNTER

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, September 14, 2009

Mr. HUNTER. Madam Speaker, I rise today in recognition of San Diego Power Surge 96 for its championship victory in the Amateur Softball Association's 2009 Girls National Fastpitch Tournament. The girls of Power Surge 96 competed against some of the most talented and formidable teams in the country—and they did not disappoint their fans. Their national championship victory represents a great accomplishment for not only each team member, but also for the San Diego community.

Over the course of the tournament, Power Surge 96 won a total of nine games to com-

pliment the team's overall and quite impressive record of 92 wins, 7 losses and 1 tie. The team's final matchup turned into a heroic test of endurance and skill after falling behind to their opponent, the SoCal Jynx, early in the game. In the seventh inning, Power Surge 96 tied the score at three, forcing the game into extra innings where they eventually took the lead and never looked back.

On their way to the top, the girls of Power Surge 96 prevailed through a qualifying tournament that included several tough opponents. That tournament, the ASA Southern California State Championship, was the first qualifying victory for any Power Surge team since forming in 1992 and competing at the national level.

In 2009, Power Surge 96 competed in a total of nine tournaments. The team won six of those tournaments outright, sharing a seventh as co-champion. Altogether, 2009 was a great year for the girls of Power Surge 96, highlighted by their national championship victory. Surely, their victory will help motivate them to reach the same level of achievement next year, when they resume competitive play and prepare to defend their national championship.

The girls of Power Surge 96 deserve great credit and recognition for their success and remarkable accomplishment. Their national championship victory, as well as the time they have shared together and hours invested in practice and preparation, is an experience they will always remember. It is an experience that will stay with them well into their adult lives and, hopefully one day, be shared with their children to encourage and inspire them to reach new heights.

Madam Speaker, it is an honor to rise in recognition of Power Surge 96 and I ask that my colleagues join me in paying tribute to this team of talented girls. Next year's national championship tournament will not be easy but if there is any group up to the challenge, it is the girls of Power Surge 96.

WIND ENERGY RESEARCH AND DEVELOPMENT ACT AND HEAVY
DUTY HYBRID VEHICLE RESEARCH, DEVELOPMENT AND
DEMONSTRATION ACT

HON. BETTY MCCOLLUM

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

Monday, September 14, 2009

Ms. MCCOLLUM. Madam Speaker, I rise today to express my support for the Wind Energy Research and Development Act (H.R. 3165) and the Heavy Duty Hybrid Vehicle Research, Development and Demonstration Act (H.R. 445). I thank my colleagues on the Science and Technology Committee for their work on these important bills, which will help secure America's role as a global leader in innovation.

An aggressive transition to a clean renewable energy economy is necessary to modernize America's economy for the 21st century. In this historic moment, we have the responsibility and the opportunity to secure America's place as a global hub of technological innovation, an economic leader, and a steward of our planet. Passage of H.R. 3165 and H.R. 445 will focus American ingenuity to achieve these important goals.

Wind energy is a critical component of America's clean energy future. The growth potential for the industry is enormous: in 2008 alone the industry installed enough new wind energy production capacity to power over 2 million homes. My state of Minnesota is currently fourth in the nation for installed wind energy production capacity and is in the top ten states for wind energy production potential. However, like many new industries, the wind energy industry requires federal incentives to fuel its growth. The Wind Energy Research and Development Act authorizes an important new demonstration program at the Department of Energy to reduce the costs of construction, generation, and maintenance of wind energy systems. Developing these technologies will help reduce existing barriers to expansion of wind power around the country.

America's shift to a clean energy economy requires the development of advanced vehicle technologies to save consumers money and reduce harmful emissions. In addition to clean passenger vehicles, we must modernize our commercial transport fleet. The Heavy Duty Hybrid Vehicle Research, Development and Demonstration Act will create a competitive grant program to support research, development and demonstration of advanced heavy duty hybrid vehicle technologies. This program will help make America's commercial transport fleet the cleanest and most efficient in the world.

Transitioning to a clean energy economy and curtailing global climate change are two of the great challenges of our time—American innovation is the key to addressing them both. I urge my colleagues to support these two important pieces of legislation.

RECOGNIZING DAVID DAVIS FOR WINNING THE VOLUNTEER OF THE YEAR AWARD

HON. SAM JOHNSON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Monday, September 14, 2009

Mr. SAM JOHNSON of Texas. Madam Speaker, I rise to congratulate David Davis for winning the Volunteer of the Year Award. According to his peers, since 2003, David Davis has volunteered for the City of Dallas and has logged approximately 1,947 hours. This year David has logged 394 hours and in the month of June alone has logged 62 hours.

David Davis had made a significant contribution by taking charge of several Volunteer Programs which include being a Crime Watch Captain for the Oaklawn Crime Watch, a VIP Captain for Oaklawn Neighborhood and participates in every Central Patrol VIP training class. David Davis also sits on the CWEB Board as a NE and NW alternate. David is CERT trained and heads up CERT Teams for Northeast and Northwest.

David Davis also volunteers for COPS, White Rock Lake VIP, VIP Traffic Safety Fairs, assists in traffic and crowd management for various parades throughout the city, CHIPS training assistance, CHIPS on the job training, VIP training and participated in the Citizens Police Academy.

In May 2009 Dallas Police Crisis Intervention Training Program (CIT) held the National Association on Mental Illness (NAMI) walk at

Fair Park and David Davis assisted by organizing a group of volunteers for additional crowd management in order to facilitate this successful fundraiser.

On numerous occasions David Davis has contacted the local police personally to offer his assistance with crime watch events, parades and volunteer training and has always shown a great dedication and reliability in his support of these Dallas Police events.

David Davis has also proven himself to be an accomplished crime fighter and has made a tremendous impact during his Volunteering in Patrol. David Davis leads by example in this area by explaining to new volunteers that crime may be brought down by the volunteers who patrol certain areas.

David Davis has also taken on patrol of the Katy Trail and Reverchon Park areas. He has organized newly trained volunteers for these areas and keeps track of current crime trends and passes along information to police officers who also work these parks.

Congratulations David Davis. I salute you.

HONORING THE LIFE OF RICHARD HOLST

HON. STEVE ISRAEL

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Monday, September 14, 2009

Mr. ISRAEL. Madam Speaker, today I rise to honor the life and accomplishments of Mr. Richard Holst, who died in the line of duty on September 9, 2009, while defending the community from a fire.

Mr. Holst served in the United States Navy during the Vietnam War in the Atlantic Fleet on the U.S.S. Saratoga. In addition to his military service, after retirement, he joined the Huntington Manor Fire Department as a firefighter, eventually becoming the head of New York State Association of Fire Chaplains.

Mr. Holst was a true leader, who carried the torch of service throughout his life. He will be remembered by his family, friends, and community for his generosity and sincere commitment to helping those in need.

IN RECOGNITION OF RONNIE E. BELL UPON HIS RETIREMENT

HON. JEFF MILLER

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Monday, September 14, 2009

Mr. MILLER of Florida. Madam Speaker, I rise today to recognize Mr. Ronnie E. Bell, a community leader who is retiring after over thirty years of public service with Walton County, Florida. Mr. Bell spent his career serving Northwest Florida, and I am proud to honor his dedication and service.

Ronnie is life-long resident of Walton County. He graduated from Walton Senior High School in 1977 and from Okaloosa-Walton Junior College in 1980. He began his career with Walton County in 1977 as an Emergency Medical Services Secretary. From 1978 through 1986, Ronnie served as an EMT and Paramedic for Walton County EMS, and was the Walton EMS Supervisor between 1986 and 1987. In 1988, Ronnie became the Wal-

ton County Administrative Supervisor, and served in that capacity for eleven years. In 1999, he became Public Works Director, and was selected as Walton County Administrator in 2004.

In over thirty years of service to the public as a Walton County employee, Ronnie has shown a true dedication to helping his fellow citizens. He has always strove to make Walton a better place to live.

Madam Speaker, on behalf of the United States Congress, I am honored to recognize Ronnie Bell for his lifetime of service to Northwest Florida. Walton County will miss his leadership. My wife Vicki and I wish all the best for him and his family as they embark on this next journey in their lives.

HONORING THE LIFE AND SERVICE OF FORMER SENATOR JOSE "PING" ANDRES RAMIREZ DUEÑAS

HON. MADELEINE Z. BORDALLO

OF GUAM

IN THE HOUSE OF REPRESENTATIVES

Monday, September 14, 2009

Ms. BORDALLO. Madam Speaker, I rise today to honor the life and service of former Guam Senator Jose "Ping" Andres Ramirez Dueñas, a lifetime resident of the village of Dededo, Guam. Senator Dueñas passed away on August 31, 2009 after a long illness. He was 78.

Born on October 17, 1930, in Hagåtña, Guam, Ping was the oldest of four sons of Juliana Ramirez Dueñas and Jesus Camacho Dueñas. Ping and I were classmates at George Washington High School, where we both graduated from in June of 1951. On April 19, 1954, in Grand Rapids, Michigan, he married his high school sweetheart, Rosario Cruz Perez, fondly known as "Ling". Ping enrolled in Marquette University and later received his bachelor's degree in accounting from St. Thomas Aquinas College in Grand Rapids, Michigan.

After graduation from college, Ping returned home and began his twenty-eight year career of public service with the Government of Guam. Ping started as an auditor with the Department of Administration before being promoted to chief accountant. In 1962, Ping and nineteen others joined together to form the Government of Guam Employees Federal Credit Union (GGEFCU). From an initial membership of twenty founding members, the GGEFCU has grown to over 40,000 members, three branches, and is an important resource for financial services to the Government of Guam employees.

Ping sought political office in 1970 and was elected to four consecutive terms as a Senator in the 11th, 12th, 13th, and 14th Guam Legislature from 1970 to 1978. He served on the Rules Committee; the Committees on Finance and Taxation; Federal and Foreign Affairs; and Natural Resources, Land and Community Development. He also served on the 1975 Legislative Task Force for the review of the federal-territorial political relationship with its findings to be reported to the White House. After serving as Chairman of the Democratic Party of Guam, Ping and I joined together as running mates in the 1990 gubernatorial election. While unsuccessful in our bid for Governor
