

friend and former colleague, Wesley "Wes" Watkins. H.R. 1713 would name the United States Department of Agriculture's South Central Research Laboratory in Lane, Oklahoma, and the facility of the U.S. Postal Service in Bennington, Oklahoma, in honor of the former Congressman Wes Watkins, who represented Oklahoma for 20 years.

Throughout Congressman Watkins's career, he devoted his life to the people of Oklahoma. He began his career of public service in 1974 when he was elected to serve in the Oklahoma State Senate. After U.S. House Speaker Carl Albert announced his retirement after 30 years in office, Congressman Watkins was elected to Congress in 1976. During his time in office, Wes would become the only Oklahoma Congressman to serve on all three major House financial committees, including Appropriations, Budget, and Ways and Means, where he used his influence to increase funding for rural economic development and education programs in the Third District of Oklahoma.

Wes is a man of principal. I am honored to know him and to have worked with him in Congress. He served the great state of Oklahoma and America proudly. I ask that you all join me in supporting H.R. 1713 which recognizes and honors a great public servant to Oklahoma and our Nation.

CELEBRATING THE 100TH ANNIVERSARY OF CRAGIN AND PIKE INSURANCE

HON. SHELLEY BERKLEY

OF NEVADA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 22, 2009

Ms. BERKLEY. Madam Speaker, today I urge my colleagues to join me in recognizing the centennial anniversary of Cragin and Pike Insurance in Las Vegas.

In 1909, the first insurance company in Las Vegas opened its doors in newly incorporated Clark County, Nevada. Peter Buol, the original owner, provided real estate and insurance services to the citizens of the newly established City of Las Vegas. The business philosophy established by Peter Buol was carried on by partners Ernie Cragin and William Pike. Their combined dedication to and vision for our community contributed immensely to the political, economical, and environmental development and history of Southern Nevada.

Ernie Cragin served as Las Vegas Mayor for 25 years and was instrumental in establishing the Helldorado Days celebration and parade downtown. He also worked to bring the U.S. Army's Aerial Gunnery School, which is now known as the world famous Nellis Air Force Base to Southern Nevada.

William Pike, who began as an assistant to Peter Buol and would later own the company, witnessed the construction of the Hoover Dam and helped many of the workers meet their financial and insurance needs.

After the passing of Ernie Cragin and William Pike, Paul McDermott and Frank Kerestesi continued the name of Cragin & Pike Insurance. The current partners—Tom Kerestesi, Mark McKinley, Greg McKinley and Tom Burns continue the Cragin & Pike tradition of personal service by providing insurance, risk management and surety products to Southern Nevadans.

On September 24, 2009, Cragin & Pike Insurance celebrates 100 years of continuously doing business in Southern Nevada. I urge my colleagues to join me in celebrating Cragin and Pike Insurance on their 100th Anniversary.

TRIBUTE TO MR. JOHN LINDSAY

HON. MICHAEL K. SIMPSON

OF IDAHO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 22, 2009

Mr. SIMPSON. Madam Speaker, I rise today to acknowledge the outstanding contributions of John Lindsay and to wish him well in his next endeavors.

For the past four years, John Lindsay has directed the communications activities of Idaho National Laboratory, INL. During that time, INL has achieved great success as the lead laboratory for the Department of Energy's Office of Nuclear Energy. INL has increased the size of its research portfolio, achieved success in its pursuit and receipt of R&D 100 awards, and played a leading role communicating the technical facts behind the growing nuclear renaissance we see developing in the U.S. and especially around the world. John Lindsay has had a steady hand communicating the lab's success, and he has assembled a strong team that will continue on after he departs.

John's most important contribution to Idaho may have been his leading role in the formation of a public organization known as the Partnership for Science and Technology, which seeks to bring balance and facts into the discussion of science and energy matters. The Partnership has become an effective and trusted resource that can respond quickly to misrepresentations and misstatements regarding nuclear power and any other clean energy source. Indeed, the Partnership mobilized the citizens of Idaho to express their views of nuclear issues to such an extent that this visible public support became a major factor in the decision by AREVA to site its next uranium enrichment plant in Idaho.

John Lindsay is a true professional and a valued member of the communities of eastern Idaho. John is recognized and respected as a true gentleman—he always treats everyone he meets with respect and dignity, and he has brought great respect to Idaho National Lab as one of its most visible leaders.

While we will miss them, on behalf of eastern Idaho, I want to wish John and Terri all the best in their future endeavors.

IN HONOR OF MIKE FUOSS

HON. MIKE ROGERS

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 22, 2009

Mr. ROGERS of Michigan. Madam Speaker, I rise today in memoriam of Mike Fuoss, who was shot and killed on Friday, September 11, 2009. Mike was a small business owner, father, brother and friend to many in the greater Owosso community.

Mike was born February 7, 1948, in Owosso. He graduated from Corunna High School in 1966. He went on to study Diesel

Mechanics and Business at Ferris State University. In 1999, he married his wife, Barbara.

Mike co-owned a number of small businesses throughout Owosso, including Fuoss Gravel Co. and Eddie O'Flynn's.

He was a member of the Owosso Home Builders Association, and the Shiawassee County Chamber of Commerce.

Mike loved restoring old cars and hot rods, enjoyed riding his Harley, and was a fan of NASCAR.

Fuoss was a good American who died tragically. The people whose lives he touched through his contributions to the community will miss him dearly.

STUDENT AID AND FISCAL RESPONSIBILITY ACT OF 2009

SPEECH OF

HON. JAMES R. LANGEVIN

OF RHODE ISLAND

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 16, 2009

The House in Committee of the Whole House on the State of the Union had under consideration of the bill (H.R. 3221) to amend the Higher Education Act of 1965, and for other purposes:

Mr. LANGEVIN. Madam Chair, I rise in support of H.R. 3221, the Student Aid and Fiscal Responsibility Act. This legislation makes urgently-needed investments in our education system by helping students and their families pay for college, modernizing schools and curricula, and training our future workforce for the 21st Century.

H.R. 3221 will provide reliable, affordable, high-quality federal student loans for all families. Beginning July 1, 2010, all new federal student loans will be originated through the Direct Loan Program, which is insulated from market swings and can guarantee students access to low-cost federal loans in any economy.

I am also pleased that \$40 billion of the money saved from switching all loans to the Direct Loan Program will go to boosting Pell Grants. Over the next ten years, this measure will invest more than \$154.6 million in Rhode Island to increase the maximum annual Pell Grant scholarships to \$5,550 in 2010 and to \$6,900 by 2019. In the 2010–2011 academic school year, this will help nearly 12,000 eligible students in my congressional district.

Far too many students face unnecessary barriers when it comes to pursuing a college degree. This measure will make it easier to apply for financial aid by simplifying the FAFSA form, which many families find confusing and overly burdensome, and allowing applicants to use the information on their tax returns. Meanwhile, under this bill, Rhode Island will receive \$3.8 million over the next five years for the College Access Challenge Grant program, which will bolster college access and completion support programs, increase financial literacy education, and help retain and graduate students.

H.R. 3221 also strengthens our state's seven community colleges that teach more than 15,000 students each year. Community colleges excel at meeting the needs of students from all backgrounds and work with businesses to ensure students have the skills they need to fulfill local workforce needs. This

measure will establish a competitive grant program for community colleges to raise graduation rates, modernize facilities, and create new online learning opportunities.

This legislation not only invests in our college students, but also focuses on the next generation of students by ensuring that all children have the preparation and skills they need on their very first day of school. By creating the Early Learning Challenge Fund, competitive grants will be awarded to states that implement comprehensive reform of birth-to-five early learning programs. H.R. 3221 also provides more than \$13.7 million over the next two years to Rhode Island school districts for school modernization, renovation and repair projects that will create healthier, safer and more energy-efficient teaching and learning climates.

Madam Chair, this measure will have long-term benefits for our economy. Going forward, we must continue to build upon these advances so the next generation is encouraged to pursue their dreams.

IN HONOR OF THE 100TH ANNIVERSARY OF THE CAMBRIA COUNTY ASSOCIATION OF TOWNSHIP OFFICIALS

HON. JOHN P. MURTHA

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 22, 2009

Mr. MURTHA. Madam Speaker, I rise today in honor of the 100th Anniversary of the Cambria County Association of Township Officials. This organization and the townships that comprise it have seen many changes over the last century since its inception.

When Cambria County's townships first formed, they were primarily agrarian. Farms dotted the landscape and were valuable contributors to the local, state, and national economies. However, as America was quickly industrializing, the townships changed as many of their citizens began working in the coal mines that were opening throughout the county. Even today, the economies are again changing as Cambria County's townships are becoming the center of new, high-tech industries.

Madam Speaker, while the county's industries have changed over the years, Cambria County's townships have adapted by adding and diversifying its businesses. Instead of changing entirely, the townships are now home to agriculture, mining, and high-tech industries.

The townships are also quality places to live, with many who work elsewhere choosing to live and raise families there. They are among the county's assets.

Finally, like the County itself, the townships have endured much hardship, surviving severe flooding in 1889, 1936, and 1977. They also survived the collapse of the steel industry and the ripple effects throughout the entire county. Their resilience is a reflection of the strong people who live and work there.

Over the years, as the townships experienced the economic ups and downs, they have had a constant advocate. The Cambria County Association of Township Officials has been there to lobby on behalf of its members. They meet on a monthly basis, gathering to

discuss common issues. The group is also a member of the Pennsylvania State Association of Township Officials.

Madam Speaker, I conclude my remarks by commending the Cambria County Association of Township Officials, as well as the townships themselves, for their hard work and dedication to the people of Cambria County.

CONGRATULATING THE KERN COMMUNITY FOUNDATION ON ITS 10TH ANNIVERSARY

HON. KEVIN MCCARTHY

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 22, 2009

Mr. MCCARTHY of California. Madam Speaker, I rise today to honor the Kern Community Foundation (KCF) on its 10th anniversary serving the citizens of the southern San Joaquin Valley. KCF was formally established in 1999, but it actually organized in 1995. The Foundation was created to build endowments to address Kern County's changing needs over time, help donors create charitable legacies, and assist nonprofit groups to deliver services to manage their donated funds.

In 2002, KCF joined the League of California Community Foundations, and received re-granting funds from the California Endowment for health needs in Kern County. KCF then launched the Nonprofits' Resource Center in 2003 to assist Kern County's nonprofit organizations with training, discussions of community issues, technical assistance, grant-writing help, e-blast communications, and program support.

In 2005, KCF introduced the Women's & Girls' Fund of Kern County as its first Field of Interest Fund. The Women's & Girls' Fund provides ongoing support to nonprofit organizations that serve Kern's women and girls. To date, the Fund has introduced the concepts of "collective giving" and "giving circles" to more than 300 donors. KCF's Women's & Girls' Fund has been model for other small foundations in California to emulate.

Also in 2005, the Kern Community Foundation entered strategic re-granting partnerships with private foundations, all of which continue in 2009. These partners include the California Wellness Foundation, the Weingart Foundation, and the James Irvine Foundation. The Kern Community Foundation achieved compliance with "National Standards for U.S. Community Foundations" in 2006.

Since its inception, the Kern Community Foundation has promoted philanthropy to individuals, nonprofits and civic groups in numerous Kern communities including Bakersfield, Ridgecrest, Shafter, Wasco and the Kern River Valley area. With new funds added each year, KCF currently holds 90 charitable funds to suit various donors' intent. The Foundation has operated several grant making programs to benefit Kern County: Discretionary Grants; Kern Community Wellness Grants; Weingart-KCF Grants; Kern Community Response Grants; School-to-Career Grants; Women's & Girls' Fund Grants; and GABY (Grant Advisory Board for Youth) Grants.

The Kern Community Foundation has given the County of Kern ten years of dedicated service. I commend KCF for its service to Kern County residents in standing by their

mission statement of "enhancing the quality of life for all of the people of Kern County by encouraging philanthropy, by providing services to donors, and by assisting those who serve to meet the needs of the community." I applaud KCF's admirable service to Kern County and will continue to do so for years to come.

HONORING THE LIFE OF FORMER CONGRESSMAN JAMES EDWARD BROMWELL

HON. DAVID LOESACK

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 22, 2009

Mr. LOESACK. Madam Speaker, today I would like to make note of the life of former Congressman James Edward Bromwell. Mr. Bromwell served his country in WWII as an officer after finishing his undergraduate degree at the University of Iowa. Upon honorable discharge from the U.S. Army in 1946, Mr. Bromwell received his MBA from Harvard University and then returned home to receive his JD from the University of Iowa in 1950. Mr. Bromwell served as Assistant Linn County Attorney before being elected as the Representative for the 2nd Congressional District in 1960. As Representative of the 2nd District, Mr. Bromwell sat on the Judiciary Committee and was imperative in contributing and ultimately helping pass the historic Civil Rights Act of 1964. This landmark legislation corrected a serious social injustice within our society. Mr. James Edward Bromwell passed away on July 11, 2009. The service that James Bromwell performed for his country and state will not be forgotten.

TRIBUTE TO THE CLIFTON JEWISH CENTER

HON. BILL PASCRELL, JR.

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 22, 2009

Mr. PASCRELL. Madam Speaker, I would like to call to your attention the work of an outstanding religious institution, The Clifton Jewish Center in Clifton, New Jersey, which this year is celebrating its 66th Anniversary of dedicated service and support to the Jewish Community.

It is only fitting that The Clifton Jewish Center be honored in this, the permanent record of the greatest democracy ever known, for the spiritual home it has provided to Jewish American families, especially those just embarking on their American dream, and its dedication to the entire community. This dedication keeps this deeply-rooted institution growing towards the future.

The Clifton Jewish Center is a Conservative Egalitarian Synagogue providing worship, comfort and friendship to the Jewish community. From its beginnings in 1943, with only a handful of families, the Center has been a constant source of cultural and spiritual events for all age groups. The Center's main purpose has always been to enrich the lives of the people of Clifton by providing creative programming of an educational, cultural and recreational nature.
