MOVEMENT OF GUINEAN WOMEN
IN THE UNITED STATES

HON. YVETTE D. CLARKE

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, October 28, 2009

Ms. CLARKE. Madam Speaker, I rise today to acknowledge the Movement of Guinean Women in the United States, the Commission for Guinean Forces Vives in the United States and Alliance Guinea for organizing today's demonstration in front of the State Department. These organizations were protesting the atrocities that continue to take place in Guinea West Africa.

I would also like to express my concerns regarding the use of violence against civilian protestors that erupted on September 28 resulting in the killing of at least 157 people and wounding more than 1,200. I strongly believe that all citizens of Guinea should be afforded the right to have their voices heard without the threat of violence. I condemn any actions that resulted in gross and egregious human rights abuses.

Even more appalling are the reports of physical and sexual violence against women. According to the Movement of Guinean Women in the United States, there has been an increase in violence against women since the military junta uprising took place. Women are being randomly raped and kidnapped, without recourse. Madam Speaker, these rapes are absolutely deplorable and those responsible must be brought to justice.

The eruption of violence has taken a mental and physical toll on the people of Guinea and there is a dire need for emergency care and humanitarian assistance. The United States as well as the International community must come together to provide much needed medical assistance.

I strongly support Secretary Clinton and the State Department's position on admonishing those who committed such injustices. I also concur with the Secretary's call to the current leadership of Guinea to control their military troops and allow an international investigation into the matter. The United States has insisted that the National Council for Democracy and Development respect the commitment it has made not to field candidates in Guinea's upcoming elections. This is integral to ensuring a peaceful transition back to a functional democracy.

Guinea West Africa has carried the torch of freedom since its independence from the French in 1958. The country has been an example to the rest of the region throughout its

history, as it was the first nation of French West Africa to gain its independence. That said, I am deeply concerned about the rising tensions within the country and its potential to ignite regional instability within the West African region.

HONORING MR. MERLIN
DUMBRILLE

HON. DAVE CAMP

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Wednesday, October 28, 2009

Mr. CAMP. Madam Speaker, I rise today to honor and commend Mr. Merlin Dumbrielle, a revered and prolific voice of the community.

Merlin will retire today, October 30, 2009, after 58 years of broadcasting on WTCM Traverse City.

His long history with the station began when, at 8 years old, Merlin first entered WTCM with his father as they tuned the station's pianos. Fascinated by what he saw, Merlin returned 8 years later and has never left. Few could have foreseen the impact that the day would have not only on his life, but for the residents of greater Traverse City.

Merlin has been the voice of the Traverse City community for 58 years. He started his show on WTCM, Farm and Orchard Time, in 1963, for which he has won numerous state and local honors. It has become one of the longest continuously-running shows in the nation. During his time behind the microphone, he has been a voice for Northern Michigan farmers. He also served as the Farm Director, and the Public Affairs Director for the station.

Merlin has been a standard-bearer in the studio and without. His service to his community deserves high praise. He was a longtime producer and host of the National Cherry Festival and Parade. For the past 3 decades, he has also been the audio technician for the Central United Methodist Church Sunday broadcast.

Despite all of these momentous accomplishments, I'm sure Merlin will say that the biggest blessings of his life are June, his wife of 55 years, his three children, and his three grandchildren.

On behalf of the 4th Congressional District of Michigan, I would like to extend my congratulations and I ask my colleagues to join me in recognizing Mr. Merlin Dumbrielle and wishing him the best of luck in his retirement.

IN RECOGNITION OF THE 100TH ANNIVERSARY OF PINE GROVE BAPTIST CHURCH

HON. MIKE ROGERS

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, October 28, 2009

Mr. ROGERS of Alabama. Madam Speaker, I would like to request the House's attention today to pay recognition of the 100th Anniversary of the Pine Grove Baptist Church located in my Congressional district right outside of Lineville, Alabama.

In 1909, a small group of Christians organized Pine Grove Baptist Church. In 1988, a fellowship hall with a baptistery was added and stained glass windows were installed in the church. In 1997, the lightning-damaged steeple was replaced with a new lighted one.

In 2004, Brother Gwen McCollum, Jr. was licensed to preach and in 2009, Brother Terry Helms was ordained to preach.

On Sunday, November 8, 2009, the congregation will celebrate the 100th Anniversary of Pine Grove Baptist Church. I congratulate this church on this important milestone, and wish the congregation all the best in its next century of ministry to the community.

TRIBUTE TO THE REVEREND
CANON ERNEST D. SILLERS

HON. KEN CALVERT

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, October 28, 2009

Mr. CALVERT. Madam Speaker, I rise today to celebrate the life of Reverend Canon Ernest

D. Sillers, the founder of St. Margaret's Episcopal School and two other Episcopal schools in Orange County, California has been blessed by dynamic and dedicated leaders who willingly and unselfishly give their time and talent and make their communities a better place to live and work. Reverend Sillers dedicated his life and purpose to both God and education; he will be dearly missed.

Ernest Sillers was born October 2, 1910, in River John, Nova Scotia. When he was 18 years old, he answered his personal calling and decided to attend Gordon College in Wenham, Massachusetts. It was there he met the love of his life, Aldine, and they were married. Rev. Sillers graduated with a degree in theology and entered the ministry at First Baptist Church in Seabrook, New Hampshire. He studied for a master's degree and attended the Episcopal Seminary at Cambridge Seminary as a part-time student. His efforts led him to become an ordained Episcopal Priest. After serving in New England, Rev. Sillers moved to Pico Rivera where he was Vicar of the mission parish of St. Bartholomew. Because of his long time interest in education, Rev. Sillers obtained a teaching credential. In 1960, Rev. Sillers was called to be Rector of St. Mark's Episcopal Church in Downey, California. There, he was inspired to start his first school.

Fifteen years later, Ernest Sillers and Aldine were retired and living in Laguna Beach. The Bishop of the Diocese of Los Angeles had heard that people in the growing community of San Juan Capistrano would be served by an Episcopal church. He asked Rev. Sillers if he would be a temporary priest-in-chart to start the church and Sillers accepted. In October 1979, St. Margaret's Episcopal School was founded with 79 students and was located in temporary structures. The following year, the student population doubled and by 1986, a 12th grade class had graduated. Aldine, served as the school's founding librarian.

After the successful founding and growth of St. Margaret's, Rev. Sillers was ready for a new challenge. He went on to found St. John's Episcopal Church and School in Rancho Santa Margarita and, a few years later, St. Mary and All Angels Episcopal School in Aliso Viejo.

On October 15, 2009, Reverend Canon Ernest D. Sillers passed away. On behalf of all those who knew him, it is my honor to offer these remarks as a tribute to the life and legacy of Reverend Sillers. His life and presence will be sorely missed and I extend my condolences to his dear family and friends. His legacy of service and his vision of education live on.

CYBERSECURITY AWARENESS
MONTH

HON. JAMES R. LANGEVIN

OF RHODE ISLAND

IN THE HOUSE OF REPRESENTATIVES

Wednesday, October 28, 2009

Mr. LANGEVIN. Madam Speaker, I rise today to recognize October as the sixth annual National Cybersecurity Awareness Month. The theme for 2009, "Our Shared Responsibility," emphasizes the need for government agencies, businesses and especially private users to each take responsibility for their own online safety and not fall victim to cyber attacks that can spread to other users.

It is vital that the public is engaged and aware of how to properly utilize security software in order to protect their Social Security numbers, financial information, health information, and other personal data. We must all work together and take responsibility for securing our own networks and computers to ensure that government systems, personal data and even critical infrastructure remain safe from attack.

Improving public awareness of threats to home or office computer networks is a crucial step in working to make the Internet, and our critical data, more safe and secure. Due to the massive scope and scale of the Internet, fraud and malicious attacks will always persist in some form. However, educating the public about small steps, such as keeping up-to-date with the latest security patches or installing basic anti-virus software, can easily strengthen our economic and national security.

I applaud the Department of Homeland Security for sponsoring this month of outreach. As a Co-Founder and Co-Chairman of the House Cybersecurity Caucus, I will continue to fight to deliver the latest tools and training to support both our national security infrastructure, and the personal data of all Americans.

CONGRATULATING SANTA CLARA
UNIVERSITY AND CALIFORNIA
COLLEGE OF THE ARTS SOLAR
DECATHLON TEAM

HON. MICHAEL M. HONDA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, October 28, 2009

Mr. HONDA. Madam Speaker, I rise today to honor Team California, a partnership between Santa Clara University and California College of the Arts, for placing third in the Department of Energy's 2009 International Solar Decathlon. I congratulate the students, faculty, administration, and sponsors for their tremendous accomplishments.

The Solar Decathlon competition challenged university teams from around the globe to design, build, and operate a solar energy powered home that incorporates energy efficiency, architectural creativity, and an applicable living style in order to illustrate the benefits and practical application of green living.

The team of Santa Clara University and the California College of the Arts was one of only 20 teams from around the world selected to compete in the 2009 Solar Decathlon, the only schools from California and from the entire West Coast involved in the competition. SCU and CCA were among the smallest schools in the Decathlon, but they excelled in the competition and received top scores for their remarkable "Refract House."

En route to placing 3rd overall, Team California placed first in the Architecture and Communications contests and earned second place for Appliances, Home Entertainment, and Engineering in the design and structure of their home. Their efforts and outstanding achievements at the 2009 Solar Decathlon are to be highly commended, and their work will contribute significantly to the future designs of solar powered homes.

The "Refract House" offered a wide array of eco-friendly features, including aesthetically-pleasing solar photovoltaic arrays, radiant

heating and cooling, double-paned windows and doors and top-of-the line energy-efficient appliances. Moreover, the house was largely composed from recycled waste, illustrated by their walls composed of used billboards and salvaged redwood.

Through their work in the Solar Decathlon, Santa Clara University and the California College of the Arts have shown that it is within our grasp to reduce carbon emissions and live off renewable energy. Santa Clara University is demonstrating this even beyond the Solar Decathlon as well, recently earning recognition from the U.S. Environmental Protection Agency's Green Power Partnership as one of the Nation's Top 20 Colleges and Universities using green power and qualifying for EPA's Green Power Leadership Club.

During the Decathlon competition, I had the pleasure of hosting a briefing in the U.S. Capitol during which the Team California members talked about their solar house, the technologies they used, and policy issues surrounding renewable energy. I was honored to have my California colleagues Representative ZOE LOFGREN and SAM FARR attend the briefing, and was proud of the work the students, faculty, and administrators did to educate Members of Congress and the public about the promise of renewable energy, which does not produce greenhouse gases and can reduce global warming.

Global warming threatens our economy, our coastal cities, and possibly the very existence of humanity. Expanding the use of renewable energy is a key development for improving American livelihoods and the livelihoods of individuals all over the world, who will gain greater control over their own lives as they gain control over the means of generating their energy, and the work of Team California will help to make that a reality.

The "Refract House" highlights the strengths and technological innovation of Silicon Valley, and I once again extend my congratulations and my thanks to Santa Clara University and the California College of the Arts for their strong representation of California and outstanding performance in the 2009 Solar Decathlon.
